

# RapidPro

The mobile messaging solution changing the world

Gibson Michael Riungu

Chief, ICT4D and Innovation, UNICEF (ICO)

# A brief history in time ..

2007

RapidSMS 

UNICEF Innovation launched the open-source platform RapidSMS to facilitate communication between clinics and community workers

2010

textit 

Rwandan software engineering firm TextIt (formerly Nyaruka) built their own SMS service called TextIt - a commercial hosted service that runs on RapidPro.

2014

 RapidPro

UNICEF partnered with TextIt to open source and expand the functions of TextIt, giving birth to RapidPro

2020

 Digital  
Public  
Goods  
Alliance

RapidPro became an accredited Digital Public Good listed in the registry of the Digital Public Goods Alliance

# Driving impact at Scale

- UNICEF's Digital Public Good (DPG)
- Implemented in 130 countries
- 1.12Bn+ messages exchanged
- 60+ campaigns conducted (2023)
- Over ~30 Lac unique users (U-Report alone)

# Driving impact at Scale

- Grassroot engagement through byte-sized content
- Bi-directional, multi-lingual, multi-format and near-real-time
- Scalable, Sustainable & Transferable
- Cloud hosted and supported
- Technology [stack](#)

# Built for users .. By users ..

## Design it your way

Build a mobile service through an easy-to-use interface without the need of a programmer or additional resources

## Reach those who matter

Connect with your users in any language via SMS, voice, social media and more

## Scale with ease

Designed to grow with your service, whether you want to reach targeted audience or millions

# Built for users .. By users ..

## Make sense of your data

From dynamically grouping users to making on-the-spot calculations, RapidPro informs you the way you want to be informed

## Connect with other systems

Integrate with external systems using RapidPro's APIs

Sharing inspiring stories and experiences which demonstrate the power and impact of RapidPro in achieving results for children and driving positive change.

# Strategically Invested

Global strategic partnership with for social impact allows us to deliver unlimited messages globally through Whatsapp

Continual investments in RapidPro to make it next-gen technology ready such as with AI, Blockchain etc.

Global product managers, LTAs, Service and Support

Orchestration for ICO supported by UNICEF staff

# Key implementations in ICO

 UReport by UNICEF

Theme 3, Child-friendly Village, focuses on empowering children and protecting their rights. Theme 9, Women-friendly Village, highlights the need for women's participation in local decision-making. To support these goals, Bal/Balika and Mahila Sabhas should be institutionalized in every Gram Panchayat, allowing separate discussions before they are presented in the Gram Sabhas. Advisory from Ministry of Panchayati Raj is attached for reference.
