Introduction

The Beneficiary Identification System (BIS) is a process whereby the identification criteria (as per AB-NHPM guidelines) will be applied on SECC and RSBY database to confirm/reject application from 'entitles' beneficiaries. AB-NHPM will target about 10.74 crore poor, deprived rural families and identified occupational category of urban workers' families as per the latest Socio-Economic Caste Census (SECC) data, both rural and urban. Additionally, all such enrolled families under RSBY that do not feature in the targeted groups as per SECC data will be included as well. There will be seven types of user in the process namely:-

- Ayushman Mitras
- CSC (Consumer Service Centres)
- Kiosk Operators
- Insurance
- National
- State
- District

National, State and the District users will be able to see the dashboards for monitoring.

The BIS Web Portal user will have to complete the following registration steps in order to use the web portal.

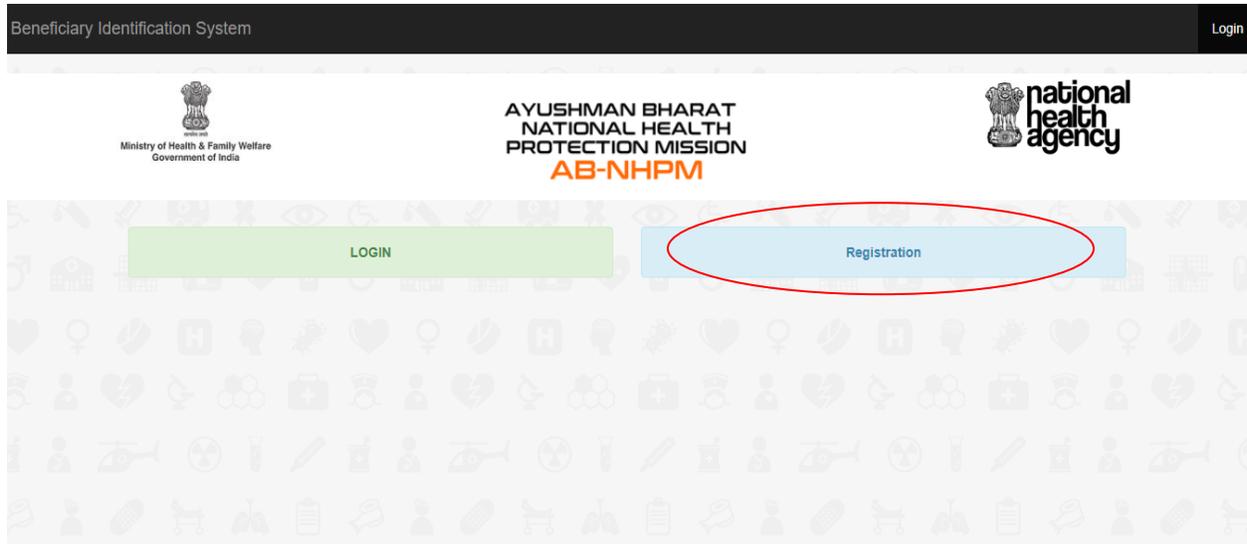

Go to the link: <https://pmrsm.gov.in/VIEWSTAT/welcome>

So here, we will have to use multiple strategies for searching the beneficiary.

Like in the first case, we have entered Beneficiary name, State and District, we are getting 256 cases.

In the second case, we have entered Beneficiary name, State, District and Village/Town, we are getting 3 cases.

In the third case, we have entered Beneficiary name, Father's name, State, District and Village/Town, we get the single beneficiary, the one we are searching for.

By clicking on the View Family Option, we will get the details of the family members.
