

1. CHIRAYU Scheme (Comprehensive Health Insurance of Antyodaya Units)

- On dated 21.11.2022, Hon'ble Chief Minister, Haryana launched the **"Extension of Ayushman Bharat to Antyodaya families through CHIRAYU scheme"**. These beneficiaries will get benefits of upto Rs. 5 Lakh as per the guidelines of Ayushman Bharat –PMJAY, Haryana.
- Till 21.08.2023, total 56,55,596 cards have been generated under CHIRAYU scheme. In total 85,44,883 Ayushman cards have been generated under the AB-PMJAY & CHIRAYU scheme.
- Ayushman cards are being generated using PPP ID which is pre-seeded with UID to minimize the fraudulent activities in card generation by the applicant.
- The benefits of the scheme are being given to eligible beneficiaries in all the Govt. and Private empaneled hospitals of the State after their card generation.
- Presently, in Ayushman Bharat PMJAY scheme, the budget provisions for SECC-2011 entitled beneficiaries from Central Govt. and State Govt. is in 60:40 ratio. Under CHIRAYU Scheme, 100% budget provision will be made by the State Govt. A sanction of budget of Rs. 612 Crore has been accorded by Finance Department, State of Haryana for the Financial Year 2023-24.
- The requisite data of eligible families of the State of Haryana was shared with National Health Authority, Govt. of India for integration of AB-PMJAY GoI portal with PPP ID. The co-shared integrated data has been shared with all the districts to identify and register the eligible beneficiaries and undertake their card generation activity in mission mode.
- The scheme is completely cashless, paperless, transparent, digital and IT driven which gives free treatment to eligible beneficiaries as per PMJAY guidelines in all 789 public and empaneled private hospitals across State.
- No cap in family size and age of family members.
- All pre-existing diseases are being covered.
- All the health benefit packages (HBP) of AB-PMJAY are extended to the beneficiaries of CHIRAYU scheme without any changes in existing package structure.
- Around 1500 treatment packages covering surgical, medical and day care treatment, cost of medicines and diagnostics are available under the scheme.
- Under the scheme the benefits include treatment cost of investigations, 3 days prior to hospitalization, treatment/ surgical intervention including ICU stay (if required) during hospitalization and treatment of 15 days post-hospitalization expenses for medicines etc.
