

Angul Police Track Mobile App Launched at Angul, Odisha

Angul Police Track Mobile App was launched at Angul, Odisha on 22 March 2021 by **Shri Basanta Kumar Pradhan, Addl. SP** in the presence of Sri Jitendra Kumar Dalai, DSP, Smt. Soubhagyalaxmi Pattnaik, DSP, Sri Saurav Samal, In Charge Cyber Cell , Sri Subrat Kumar Chatterjee, Sr TD & DIO and Sri Divya Bajpai, DIA and other officials.

Angul Police Track is a Mobile App for citizens of Angul, through which they can send feedback/report about any unlawful activities, problems, issues like eve-teasing, domestic abuse/violence etc. occurring around them to Police. It is supposed to be a feedback system with the involvement of common citizen which also enable police to take immediate steps to check any unlawful activities. Application will take person's name, mobile number, location and description of problem. The feedback will go to the nearest Police Station based on least distance between co-ordinates. Station in-charge (SHO) will receive feedbacks and will take necessary action. They have to then update the status on the application. Superintendent of Police (SP) can also view the feedbacks, progress & action taken by the subordinate officers.
