

## Launching of e-JalaAbantan( e-ଜଳ ଆବଣ୍ଟନ ) Online Water Allocation System By Hon'ble Chief Minister, Odisha

### e-JalaAbantan ( e-ଜଳ ଆବଣ୍ଟନ )

Hon'ble Chief Minister of Odisha, Shri Naveen Patnaik, launched the web based e-JalaAbantan application of Department of Water Resources on 9<sup>th</sup> November 2020 as part of 5T initiatives of the Government of Odisha.

Under the provisions of the Odisha Irrigation Act & the Odisha Irrigation Rule, as amended from time to time, the Government in its Water Resources Department is the competent Authority to grant permission to commercial and other establishments for drawal of water from Government water Sources and Irrigation works. e-JalaAbantan is a web based system for receiving online application and allocating water to Commercial & other Organizations (i.e. P.H. / RWSS water supply , Railways , Ports, Institutes etc.). The project has facilities for receiving online applications, raising queries by concerned authorities, treasury payment gateway integration (Security Deposit and Processing fee), real time Basin wise water availability status, SMS and Email Notification, real time application status tracking, phasing/rephasing/enhancement/reduction, Dashboard etc. to help in bringing transparency in the entire system of allocation of water in the state.

### e-ଜଳ ଆବେଦନ

Online Water Allocation System is a web based Application, through which commercial and other establishments can apply for allocation of water.

## FEATURES & BENEFITS
