

## Launching of Mobile App “Enforcement Tracking of Minor Mineral” at Khordha, Odisha

A G2G Mobile App “Enforcement Tracking of Minor Mineral” was launched by Sri Sanat Kumar Mahanty (OAS, SAG) , Collector & District Magistrate, Khordha, Odisha on 20/03/2021 in presence of ADM(Revenue) and other District level Officers. The App has been developed by Sri Ajay Kumar Sahoo, Scientist-C & DIO, Khordha under DGMC. At the outset DIO demonstrated the features of the App. Then Collector went through the App in detail and appreciated the efforts of DIO, Khordha.

The purpose of the App is to monitor and track the Enforcement Activities carried out by Tahasildars. Some of the features of the app are -

- Capture and report cases of enforcement by Tahasildars from the site of enforcement. As soon as a case is reported by a Tahasildar, a descriptive message regarding this appears in the Message section of the App.
- District level officers can monitor the activities and keep track of the Revenue Collection figures of Tahsails.
- Monthly/Quarterly report of Enforcements & Revenue Collection done by Tahasildars
- Effective & better coordination between District Administration and Tahasils.
