

**VISIT OF SMT. KABITA ROY DAS, DDG & SIO TO CUTTACK,  
ODISHA, ON 09/12/2020.**

**Smt. Kabita Roy Das, DDG & SIO**, Odisha, along with Sri Samsad Ahemad Khan, STD & ASIO and Dr. Pabitranda Patnaik, STD visited NIC centres in the High Court of Orissa, Board of Revenue, State Transport Authority, Directorate of Land Records & Survey and the NIC District Centre, Cuttack, Odisha.

SIO reached NIC District Centre Cuttack at 10:30 AM. Smt. Mamata Khamari, Sr TD & DIO and Smt. Itishree Nanda, PSA & ADIO welcomed her. A brief description of different projects running and future implementation of emerging technologies in District Administration was explained by DIO, Cuttack.

Then SIO had a meeting with **Sri Sanjeev Panda, IPS, Transport Commissioner**, at State Transport Authority. Sri Prasant Kumar Nayak, TD, Transport Project, described all NIC activities including Vahan, Sarathi, e-Challan, e-Checkpost,

Vehicle Location Tracking Device (VLTD) and so on. The Commissioner highly appreciated the role of NIC in achieving their objectives and bringing transparency in the system using ICT. Usage of AI, ML and Data Analytics in the field of Transport Administration and Management was also discussed.

SIO then visited Board of Revenue. **Shri Bijay Ketan Upadhyay, IAS, Secretary, Board of Revenue** discussed different projects like Court Case Monitoring System,

Departmental Examination Management System and emphasised on Modern Record Room using Document Management System application software of NIC.

**Sri Shasadhar Nayak, Director Land Records & Survey** appreciated NIC's contribution in Revenue

Administration. He desired solutions from NIC on Aadhar integration with

Record of Rights, Unified Land Parcel Identification Number (ULPIN), Hi-Tech Survey, Centralisation of Document Management System for Tehsils etc. Other Revenue officers were also present in the meeting.

Smt. Ambika Mohanty, TD appraised different activities going on in BoR. As virtual meetings are increasing day to day, so set up of Video Conferencing in Board of Revenue is on priority.

SIO paid a visit to the upcoming VC studio and existing Modern Record Room in Board of Revenue.

In the afternoon after rising of the court, SIO went to Orissa High Court and had an extensive discussion with **Sri Malay Ranjan Dash, Registrar General, Sri Pratap Kumar Patra, Registrar (Inspection), Sri Lalit Kumar Das, Registrar (Judicial) and Sri Anupam Patra, Central Project Co-ordinator (CPC)**. The officers were highly appreciative of the praiseworthy support of NIC.

Sri Bisweswar Subudhi, Sr TD explained about current & proposed projects and the aspiration of judicial officers for necessary value additions in the system. The judicial officers emphasised on use of AI & ML in decision making in Establishment, Administration and other monitoring areas of High Court. SIO took detailed stock of all the activities and shared her views for using e-Office, Bhavishya and development of Information Systems. She also opined for future improvements in the systems with NIC's in house technologies and best practices in demanding ICT areas.

She thanked all the officers from User Departments and NIC officers who are providing commendable technical support in the offices located at Cuttack.
