

Interaction of Smt. Kabita Roy Das, DDG & SIO, Odisha with State Bureaucrats

After her joining as SIO, Odisha, Smt. Kabita Roy Das, DDG, had virtual meeting with Sri Manoj Kumar Mishra, IRTS, Secretary Electronics & IT department. Initiating the interaction, she sought for the guidance and support from the Secretary.

Welcoming SIO, Secretary mentioned that, “Though there are different agencies involved in eGovernance domain, NIC will have to act as the spinal cord in delivering ICT challenges. There will be no dearth of projects. The Chief Secretary has given target to launch Odisha-One, the unified eServices Portal on 2nd October. This is being developed through NICS. We need to have API integration of various services developed by NIC. Enterprises Architecture adoption is to be initiated. Due to Covid situation it has been delayed.”

SIO informed that she has started exploring various projects taken up in NIC, Odisha by reviewing different Project Groups. NIC Odisha is involved with a good number of projects and is delivering well. The IndEA framework would certainly help to take the initiatives ahead. Secretary assured all support from the State Govt.

She also had the virtual meeting with Sri Asit Kumar Tripathy, IAS, Chief Secretary, Odisha and sought his guidance and support. Chief Secretary enquired about her previous places of posting and said, “Please feel to be a part of us. Any support you need please feel free to contact. We will work hand in hand to deliver.” SIO assured that NIC will certainly do its best to deliver with the able guidance of Chief Secretary Sir.
