

Visit of State Informatics Officer to Chatrapur and Berhampur, Ganjam District, Odisha

Meeting at NIC, District Unit

SIO reviewed the projects implemented by NIC, Ganjam district Unit during these Covid period. Sri Subash Chandra Misra, DIO, gave a detailed presentation on recent activities of NIC, Ganjam which comprises Co-WIN portal management, Disaster Assistance Monitoring & Payment System(DAMPS), various recruitments conducted by NIC, Ganjam, NceG portal management, Free food distribution database during lockdown period and various training programmes conducted by NIC. DIO also informed that Ganjam District WEB site is the first Web site in Odisha to get the Certified Accessible Website certificate from STQC.

Then Sri Sidharth Kumar Mandal, ADIO gave a demonstration of **PRAGATI** (Project Administration Governance and Automated Tracking Information). This Application maps domain to concerned group heads who can register their projects, define the stakeholders & assign team members to it. The issue registered at field level is automatically forwarded to District level who can either resolve or escalate the issue to concerned group head of that project who in turn assign the issue to any of the team member for necessary action.
