The project "Disaster Assistance & Monitoring Payment System Odisha" (DAMPS-Odisha) for the office of the Special Relief Commissioner, Govt. of Odisha has been awarded "Gems of Digital India Award 2020 (Analyst's Choice) for excellence in eGovernance" .

DDG & SIO Smt. Kabita Roy Das received the award and participated in the panel discussion and deliberated on the usefulness of the DAMPS application towards the citizens and the department. The objective of the systems is to provide ex-gratia financial assistance to the next of kin of the disaster affected victims through a web enabled, workflow based, service oriented, online payment disbursements systems (IFMS) of Odisha govt. This application has helped the state government in disbursement of ex-gratia of amount more than Rs. 65 crores to 1600 NOKs (approx.) through Integrated Finance Management system (IFMS) within a short span of six months.
