Launching of Virtual court and e-services by Hon'ble Chief Justice of Orissa High Court

Dr. Justice S.Muralidhar, Hon'ble Chief Justice, High Court of Orissa launched multiple e- services of High Court of Orissa such as High Court Mobile App, Virtual Court System for online redressal of traffic disputes in the jurisdiction of Cuttack -Bhubaneswar commissionerate, the system of online payment of fines in the cases before District and Subordinate Courts of Odisha and commencement of Live streaming of Case proceedings in the Court of Hon'ble Chief Justice on 02/08/2021 for the benefit of litigants and advocates.

Addressing the virtual gathering of Hon'ble Judges of the High Court, District Judges of the state, the Advocate General, Odisha, DDG & SIO, Odisha, Transport Commissioner, DG Police, Commissioner of Police, Cuttack & Bhubaneswar and the members from the High Court Bar Association, Hon'ble Chief Justice emphasized upon the benefits of the new services and praised the initiatives of the Hon'ble eCommitte, Supreme Court of India and efforts put by NIC in implementing these IT services. Hon'ble Shri Justice Biswajit Mohanty, Chairman of IT and AI committee and Hon'ble Shri Justice Satrughana Pujahari highlighted the various benefits of these services.

Smt Kabita Roy Das, DDG & SIO, NIC addressed on the occaision and highlighted the usefulnes of each service for litigants and the advocates. She briefed about the role of NIC in providing the technology solution for these services.

Transport Commissioner, Police Commissioner and DG Police appreciated the initiatives taken by High Court & NIC.

The mobile App 'Orissa High Court eServices' is a remarkable achievement of High Court which will enrich the information delivery system. The App was devoloped under the active supervision of NIC and the associated APIs are hosted in NIC platform. Similarly Virtual Court System of NIC (https://vcourts.gov.in/virtualcourt/), traffic disputes can be adjudicated on line by eliminating the presence of litigants and lawyers in the court .

The ePay Fine portal (https://pay.ecourts.gov.in/epay) designed by NIC and integrated with IFMS payment gateway, will facilitate the lawyers and litigants to pay court fines online for the cases before District and Subordinate Courts of Odisha.

By making Court hearing live https://www.youtube.com/channel/UCtTgN30THhZfQ6sQ v3KBHQ

Hon'ble High Court of Orissa will be one among few to initiate such type of service to enhance transperency in court proceedings .

Hon'ble Chief Justice as well as other invited guests appreciated the efforts extended by NIC in delivering the services.

Orissa High Court

By Express News Service

CUTTACK: The Orissa High Court on Monday launched multiple e-services including a mobile application and live streaming of the proceedings of the Chief Justice's court. Online services like e-payment of fines in cases before the district and sub-ordinate courts and system of virtual courts in traffic related e-challan cases in Twin City Commissionerate Police area were also launched through video conference.

Chief Justice S Muralidhar said these facilities were intended for the benefit of litigants, advocates and the justice delivery system at large. He called upon the judicial officers and members of the Bar to work in cohesion and give their best in fulfilling the expectations of the common man from the justice delivery system. He said the aim of live streaming is to enhance accessibility and transparency of court proceedings.

While expecting feedbacks from all on the e-services, the CJ assured that every constructive feedback shall be promptly considered. Justice Biswajit Mohanty, Chairman of Court's IT and Artificial Intelligence Committee, and Justice Satrughana Pujahari, former Chairman of Computer-cum- Steering Committee, also spoke.
