

Launching of eOffice in GRIDCO Ltd., OPTCL and SLDC - Odisha

eOffice (NIC Digital Workplace Solution) was launched as part of digital transformation under the 5T initiative of Govt. of Odisha, for Government of Odisha Undertakings - GRIDCO Ltd, Odisha Power Transmission Corporation Ltd (OPTCL) and State Load Despatch Centre (SLDC) on 09.08.2021 by Shri Nikunja Bihari Dhal, IAS, Principal Secretary to Government, Department of Energy, Govt. Odisha.

The inaugural programme was attended by Mrs. Kabita Roy Das, DDG and SIO, NIC, Odisha, Shri Bibhu Prasad Mishra, Senior Technical Director, NIC, OSC, Bhubaneswar, Shri Raghunath Pratihari, Director HRD, OPTCL, Shri Trilochan Panda, Managing Director, GRIDCO, Shri B B Mehta, Director SLDC, Odisha along with other officials of NIC and the user offices.

Addressing on the occasion, Principal Secretary, Department of energy emphasized on the adoption of digital governance by automating the process of working in office files and taking timely decision with leveraging technology in order to provide contactless and paperless administration. He also praised NIC for implementing eOffice in different offices in Govt. of Odisha and assisting the State Govt. for ease of functioning of office and working in files during the COVID pandemic.

DDG and SIO, Odisha highlighted that the eOffice (A Digital Workplace solution for Electronic Transactions and Processing of Files and Receipts) promotes the values of transparency, efficiency, accountability and economy. The product comprises a set of modules for working with files, documents and records electronically, which automates the internal functioning on real time basis for both inter-government and intra-government functions. By using electronic signature, it ensures enhanced security as no file or document in transit can be altered or destroyed or backdated.

The Managing Director, GRIDCO, Director OPTCL, Director SLDC and all other members attending the occasion appreciated the efforts of NIC in implementing eOffice.
