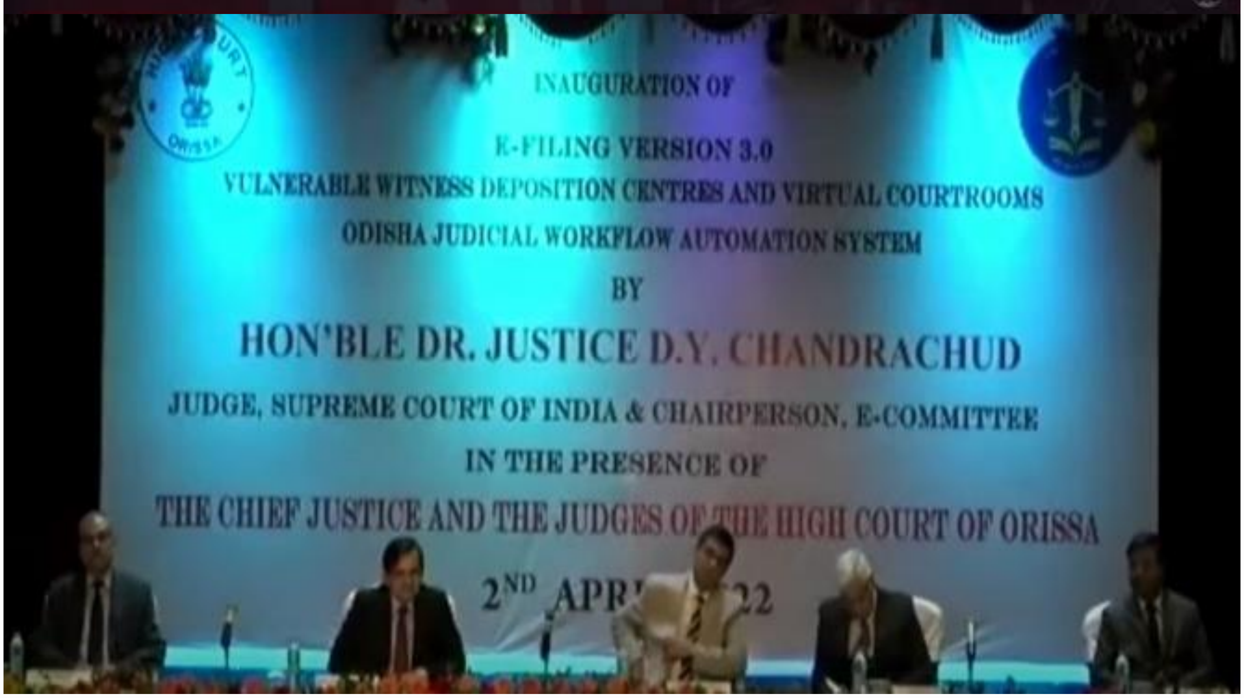
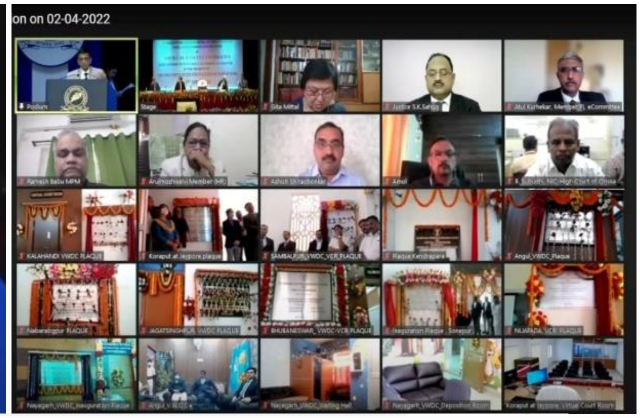
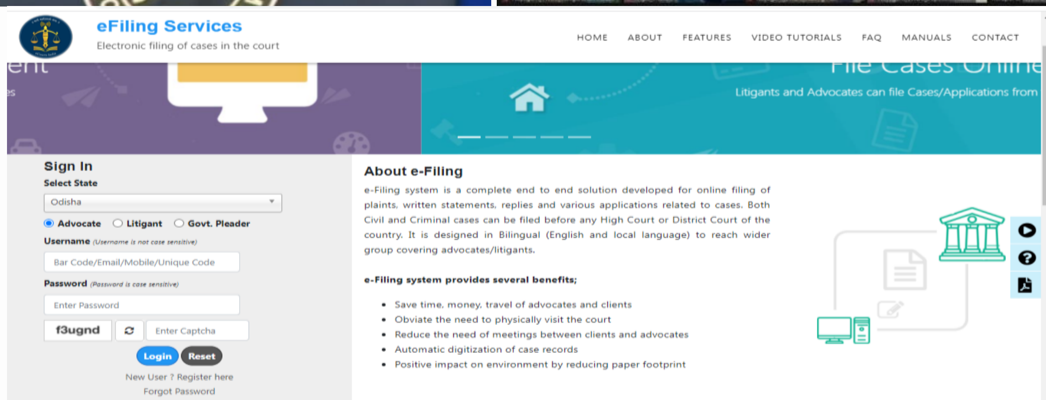
Hon’ble Dr. Justice D.Y.Chandrachud, Judge, Supreme Court of India and Chairperson eCommittee launched eFiling 3.0 of NIC under eCourts Project at Orissa High Court



Hon’ble Dr. Justice D.Y. Chandrachud, Judge, Supreme Court of India and Chairperson eCommittee launched the eCourts service, ‘eFiling 3.0’ (https://filing.ecourts.gov.in) in the High Court of Orissa and District and Subordinate Courts of Odisha in the presence of **Hon’ble Chief Justice Dr. Justice S. Muralidhar and Hon’ble Judges of Orissa High Court** on Saturday, 02/04/2022. **Orissa High Court is the first High Court in the country to implement this version of e-filing.**





Developed by NIC under the aegis of the e-Committee, Supreme Court of India, the new efiling system is a complete end to end solution which includes features such as Readymade Templates for creation of pleadings, Online Submission of Vakalatnama, e-signing of pleadings, Online Payment, Online Video Recording of Oath, Portfolio Management, My Partners to add colleagues & juniors and Dashboard. The new version of efiling will make case filing in an electronic mode far more convenient and effective for lawyers and litigants.

Delivering the inaugural address, Hon'ble Dr Justice D.Y. Chandrachud spoke that these initiatives taken by Hon'ble Chief Justice of Odisha, has put a human face on technology. Hon'ble Chief Justice of Odisha in his address emphasized upon the benefits of the new service. Two other significant initiatives of the Orissa High Court - Vulnerable Witness Deposition Centres & Virtual Courtrooms and Odisha Judicial Workflow Automation System were also inaugurated.

Justice Shri R.C. Chavan, Former Judge, Bombay High Court, **Justice Shri B. Mohanty,** Chairman IT & AI committee, High Court of Orissa**, Advocate General, Odisha, Members of eCommittee** were present on the occasion. **Justice Smt Gita Mittal**, Former Chief Justice of Jammu & Kashmir, District Judges of Odisha and Sri Ashish Sirodhankar, Sr.TD, NIC Pune & HoD, eCourts project were present virtually. Shri B. Subudhi, Sr.TD & Shri K K Sahoo, Scientist D, NIC Orissa High Court Centre extended all technical support for testing, bug fixing and migration from the current version of eFiling 1.0. Efforts made by NIC was appreciated by all.

Three systems initiated at Odisha Judicial Academy

POST NEWS NETWORK

Cuttack, April 2: Supreme Court Judge and Chairperson of the Supreme Court's e-Committee Justice DY Chandrachud, in presence of Orissa High Court Chief Justice S Muralidhar, inaugurated three initiatives namely e-Filing 3.0, Vulnerable Witness Deposition Centres & Virtual Courtrooms, and Odisha Judicial Workflow Automation System at the Odisha Judicial Academy Saturday.

The e-Filing 3.0 is the latest version of the software developed by National Informatics Centre (NIC) under the aegis of the Supreme Court's e-Committee, aimed to make case filing in electronic mode more convenient and effective for advocates and litigants. The Orissa High Court became the first high court in the country to implement this version. This advanced version of e-Filing shall also be available in various district and taluka level courts of Odisha.

The initiative of opening Vulnerable Witness Deposition Centre with Virtual Courtrooms was undertaken by the High Court at the behest of Chief Justice Muralidhar a few months back in Bhadrak and Malkangiri with the objective of providing conducive ambience to vulnerable witnesses for deposing their evidences before courts.

Virtual Courtrooms aim to introduce hybrid hearing in district courts to facilitate trials regardless of where judges, advocates, the witnesses or the accused are present. This would enable official witnesses to depose before courts at different locations without having to hamper their usual duties. Vulnerable Witness Deposition Centres and Virtual Courtrooms shall now be available in 15 districts.

Chief Justice Muralidhar acknowledged the support provided to e-Filing by the Advocate General for State Government filings and the Asst Solicitor General for Central Government filings, and spoke about consistent efforts made by the High Court in training advocates across the state on digital services to cope up with the ICT eco system.

Justice Chandrachud hailed the initiatives spearheaded by the Odisha Chief Justice with the support of the state government, and reminded that State and Judiciary must put in bipartisan effort in the administrative workspace because they share the common mission of serving the common citizens.
