# Training and Demonstration of eProsecution Application to the Public Prosecution department of Odisha on 19/01/2022

As proposed in the ICJS review meeting held under the chairmanship of Addl. Chief Secretary, Home, Govt. of Odisha, a training on eProsecution was organised on 19/01/2022 at 12:00 PM for the Public Prosecutors, their associates and Help Desk Executives of Odisha. Sri T.P.Rath, Director of Public Prosecution, Shri S.K.Sahoo, Special Officer, Sri Dillip Kumar Nanda, Sr.TD & ASIO, NIC, Odisha, Shri B. Subudhi, Sr.TD & ICJS Coordinator, Sri Sambit Kumar Panda, Sr.TD, NIC, Odisha and Sri Ashis Kumar Ray, ICJS roll out manager and nearly 100 officers (PPs, Spl. PPs, Addl. PPs, Asst PPs, and Helpdesk executives) from different districts of the state attended the session virtually.

At the outset, Director of Public Prosecution addressed the participants and told about the purpose of the training programme. Sri B Subudhi introduced the NIC team. Sri Ranjan Kumar, Scientist-C and Bishnu Pratap Pal, Scientist-B of ICJS team, NIC, New Delhi gave a detailed demonstration of the eProsecution software. Main focus was given to the modules used for monitoring the performances of Prosecution officers. Different report modules in the system were shown. The new feature added recently to fetch all cases of an assigned court was elaborated. This new facility will make registration process very easy. Operation on Case Registration and DUTR entry was demonstrated with examples.

Functionalities of the new developed Mobile App were also demonstrated. The eProsecution Mobile App will be officially released very soon. The App was found to be very user friendly. It will enable the Prosecution Officers to operate eProsecution application from their own devices with ease.

Queries raised by participants were attended to by the ICJS team. Sri B.Subudhi, Sr. TD suggested to show the already registered cases in the new facility of showing court wise cases during a period. Officers were requested to write to Director of Public Prosecution (State Administrator for eProsecution) for inclusion of new case types, activities and sub-activities.

The session ended with thanks to the central eProsecution team and all the participants.
