

VISIT OF SECRETARY, ELECTRONICS & IT, GOVT OF ODISHA TO NIC BHUBANESWAR

Shri Manoj Kumar Mishra, Secretary, Electronics & IT, Govt of Odisha visited NIC at 10:30 AM on 18th November 2022. After a warm welcome and a brief introduction by Smt. Kabita Roy Das, DDG & SIO, Secretary addressed the HoDs of NIC, Odisha. He stressed upon the role of IT in e-Governance and 5T implementation of Govt of Odisha. He appreciated the role of NIC in different departments like Transport, Revenue, eDistrict etc and emphasised to focus on G2C and G2G applications. He desired development of technological solutions to reduce foot falls in Govt offices as envisaged by the Govt of Odisha. He told that the IT literacy of the users in different sectors should be kept in consideration while devising solutions and applications. For example, the literacy level of users in Transport sector differs from the users of Land Records and applications should be designed accordingly.

He also desired that NIC may participate with other executing agencies both in the Govt and Private to deliver timely solutions in more number of sectors. He invited HoDs to bring up any issue in handling any project with an User Department to his notice, so that he can extend his support to resolve the same for taking forward the projects.

Finally SIO thanked Secretary for his visit & encouraging address to the HoDs.
