

Training on iRAD and eDAR for Police & Transport Officers (Southern Range)

Two days training-cum-workshop on iRAD (Integrated Road Accident Database) and eDAR (Electronic Detail Accident Report) applications for the Police and Transport Officers was held in the office of Inspector General of Police Southern Range, at Berhampur on 20.07.2023 and 21.07.2023.

Inauguration by Shri Satvabrata Bhoi, IPS, IG Police, Southern Range

The workshop was inaugurated by Sri Satyabrata Bhoi, IPS, IG Police, Southern Range, Berhampur and attended by Dr. Saravana Vivek M., IPS, SP, Berhampur; RTO, Ganjam; Sri Subash Chandra Misra, DIO and Sri Ranajeet Kumar Das, ADIO, NIC, Ganjam and Sri Guru Prasad Mahapatra, DRM, Ganjam.

Sub-Inspector and above rank police officials of Ganjam Revenue District (i.e. Ganjam and Berhampur Police Districts) attended the program on 20.07.2023 and the police officials of Gajapati, Kandhamal and Boudh Revenue Districts participated on 21.07.2023.

Presentation by Shri Guru Prasad Mahapatra, DRM, Ganjam

Sri Guru Prasad Mahapatra, DRM, Ganjam gave a detailed presentation on both iRAD and eDAR applications with live demo of an accident related data to the four stake holders i.e. Police, Transport, Highways and Health. The DRM, Gajapati assisted him in the event. DIO and ADIO took part in the discussion to clear the doubts of the participants. Sri Ravi Shankar, the resource person from Pune gave a detailed presentation on Crash Investigation and Analysis.

Participants at Berhampur

IG, SP and RTO highly appreciated the role of NIC, Ganjam on successful implementation of both iRAD and eDAR applications in the district.
