

## Visit of Smt. Rachna Srivastav, DDG to NIC, Bhubaneswar, Odisha

Smt. Rachna Srivastav, DDG and Former State Coordinator, Odisha, accompanied with Shri Kapil Kumar Sharma, Sr. Director (IT) and HoD (eOffice) visited Bhubaneswar from September 14<sup>th</sup> to September 16<sup>th</sup>, 2023, to attend the 11th Digital Transformation Conclave.

During her visit, she had a meeting with Shri Balwant Singh, IAS, Managing Director, OMC and other senior officers of Odisha Mining Corporation (OMC) to discuss about implementation of eOffice. OMC already utilizes eOffice at all its field offices, which have a user base of more than one thousand. A welcome lunch was arranged by OMC in her honor.

Upon her arrival at the National Informatics Centre (NIC), Smt. Rachna Srivastav was warmly welcomed by all the officers.

She then visited the NIC Data Centre in Bhubaneswar, where she interacted with the officers regarding the deployment of eOffice.

During her visit, she released the "Products Profile-2023" of NIC Odisha, which highlights eighteen projects of NIC that are being rolled out in multiple states or have the potential to be implemented in other states.

She addressed the gathering of all officers and DIOs connected virtually, commending them for their excellent work in the state.

As part of her visit, Smt. Rachna Srivastav also visited the Odisha Legislative Assembly (OLA) to review the progress of the NeVA project. She had discussions with Sri Dasarathi Satpathy, IAS (Retd.), Secretary of OLA, and visited the NeVA Cell.

On September 15th, Smt. Rachna Srivastav delivered a speech at the 11<sup>th</sup> Edition of The Digital Transformation Conclave, a prestigious event that brings together government officials, thought leaders, industry experts, and key stakeholders from across the country to discuss the transformative potential of digital technologies.

Lastly, on September 16<sup>th</sup>, she participated in a state-level workshop on eOffice held at the SIRD & PR Conference Hall in Bhubaneswar. The workshop aimed to facilitate interactions among stakeholders, showcase new initiatives under the eOffice Project, raise awareness and adoption of new offerings, and gather suggestions and feedback from end users through focused discussions and brainstorming sessions.

Her presence had a profound impact on all the participants as she clarified all the points with technical reasons and highlighted the extended features available on eOffice 7.0. As a result, a decision was made to migrate to the latest version of eOffice at the earliest.
