VISIT OF SHRI RAJIV RATHI, DDG & STATE COORDINATOR, ODISHA AND OTHER OFFICERS TO NIC, BHUBANESWAR

On 13th September 2024, Shri Rajiv Rathi, Deputy Director General & State Coordinator for Odisha, along with Ms. Rachna Srivatsav, Deputy Director General and former State Coordinator, Odisha, and other senior officials from NIC Headquarters, visited the Odisha State Centre (OSC) of NIC in Bhubaneswar. The team also visited the Odisha Computer Application Centre (OCAC) and the Directorate of Electronics & IT, Government of Odisha, to review the progress and challenges of the 'Subhadra Yojana', a flagship project of the Odisha government.

During their visit, the team engaged with key stakeholders, including the General Manager and Deputy General Manager of OCAC, the Project Coordinator, the AUA team, and other contributors to the Subhadra ecosystem. They explored the pain points identified during interactions and analyzed server-side error logs. Following internal discussions, a recommendation document was prepared to address the bottlenecks observed in latency and functionality issues.

The team instructed the department to regularly share logs with NIC Odisha State Centre, enabling proactive monitoring of telemetry and reporting potential vulnerabilities and latency issues. They also met with the IT Secretary of the Government of Odisha to discuss various ongoing projects in the state.

Later in the afternoon, upon arrival at OSC, Bhubaneswar, the delegation was welcomed by Dr. Ashok Kumar Hota, DDG & SIO, along with other OSC officers. At a function held at OSC, they interacted with the newly appointed Scientific/Technical Assistants-A, offering them guidance and motivation for their upcoming roles.
