NAPIX - NIC API Exchange Platform

Provides easy and seamless connectivity for various stakeholders via APIs through a secure platform to facilitate integration and collaboration.

<https://napix.gov.in/>

Centralized

Government dept. may use the infrastructure to publish API following OAS standards.

Secure Interconnectivity

The API Publishers (Ministry/Any Government dept.) and Consumers exchange data securely and work smoothly together.

Integrity

Data exchanges will be independent and accountable and help achieving consistency, reuse.

Seamless

Continuous data exchange and no technology lock.

Policy Enforcement

Allows to enforce policies maximizing the performance while maintaining security.

Insight into Usage Pattern

Offers deeper insight into usage pattern of APIs and helps to decide overall strategy with more informed decisions.
