Odisha NIC Wins Gold

By Tathya Correspondent - December 6, 2025

Bhubaneswar: The National Informatics Centre (NIC), Odisha, has been honored with the 19th National Digital Transformation Gold Award-2025 for its project, 'Odisha Disaster Resource Network - Every Life is Precious,' in the 'Crisis Response Digital Innovation Award' category.

The award was presented at the Digital Transformation Conclave, 2025, held in Bhubaneswar. Deputy Director General and State Informatics Officer Dr. Ashok Kumar Hota, along with Smt. Mamata Khamari, Deputy Director General, Shri Jayant Kumar Mishra, Senior Director (Technical), and Shri Ravindra Kumar Maharana, Director (Technical), received the prestigious accolade.

The Odisha Disaster Resource Network (ODRN) is a centralized Geographic Information System (GIS) based digital platform (<https://odrn.nic.in/>) developed for the Odisha State Disaster Management Authority (OSDMA). This innovative system is designed to significantly enhance disaster preparedness, response, and recovery across Odisha. It achieves this by efficiently tracking and managing critical resources, including human personnel, essential infrastructure, and specialized equipment needed during various disasters such as cyclones, floods, and droughts.

The State Informatics Officer extended congratulations and expressed gratitude to all involved for achieving this significant milestone, which further solidifies the digital transformation efforts benefiting both the state administration and the people of Odisha.

NIC-Odisha bagged "Excellence in Digital Governance" Award

admin 15 hours ago Current News Leave a comment 112 Views

Bhubaneswar ,14/12/2025(Odisha Samachar / Rajat Mohapatra)- National Informatics Centre, Odisha has been awarded the "Excellence in Digital Governance" for the project DEPMOS (Directorate of Export Promotion and Marketing- Online Services.

DEPMOS is an e-Governance initiative by the Government of Odisha, developed and implemented by NIC to digitize and streamline the services offered by the Directorate of Export Promotion and Marketing (DEPM) under MSME Department. It aims to support MSMEs by automating key processes related to registration, rate contracts, inspections, etc. This project has significantly enhanced service delivery, reduced turnaround times and improved transparency in government procurement and marketing for MSMEs in Odisha.

The award was presented at 19th Digital Transformation Conclave & Awards by Major General Shri Manjeet Singh, SM, Joint Secretary (Cyber), National Security Council Secretariat, Government of India and Manas Ranjan Panda, Managing Director, OCAC and Special Secretary, Electronics & IT Department, Government of Odisha. The award received by Mohammed Mojibullah Khan, Director (IT), NIC Odisha. This award is a testament to innovation, dedication & transformation in the field of Digital Governance.
