LIVE TELECAST OF THE RELEASE OF THE 24TH INSTALLMENT UNDER PM-KISAN SAMMAN NIDHI SCHEME

The live telecast of the release of the 24th Installment under the Pradhan Mantri Kisan Samman Nidhi (PM-KISAN) Scheme was successfully organised on 30th October, 2026 at the State level and simultaneously across all districts of Odisha, enabling farmers to witness the national-level programme and the address of the Hon'ble Prime Minister, Shri Narendra Modi.

At the national level, the Hon'ble Prime Minister virtually launched the disbursement of the 24th installment from Banaskantha, Gujarat, transferring over ₹18,690 crore to more than 9.34 crore farmers across the country. In Odisha, the State-level programme was organised at KrushiSikshyaSadan, Odisha University of Agriculture and Technology (OUAT), Bhubaneswar, in the gracious presence of the Hon'ble Chief Minister of Odisha, Shri Mohan Charan Majhi.

Under the 24th installment, more than 35.38 lakh verified farmers in Odisha received ₹2,000 each through Direct Benefit Transfer (DBT). The Hon'ble Chief Minister also interacted with farmers from different parts of the State and reaffirmed the Government's commitment to farmers' welfare and agricultural development.

Similar live telecast programmes were organised across all 30 districts of Odisha, with district-level officials and farmers participating in the proceedings.

To ensure the seamless conduct of the statewide programme, NIC Odisha played a key role in providing necessary technical support at the State and district levels. The District Informatics Officers (DIOs), along with their respective Field Support Engineer (FSE) teams, facilitated the technical arrangements for live telecasting at the designated venues across all districts. Their efforts included ensuring the smooth functioning of audio-visual equipment, connectivity and live streaming arrangements, thereby enabling uninterrupted transmission of the programme. The coordinated technical support extended by NIC Odisha teams across the State contributed significantly to the successful conduct of the event and ensured that farmers in every district could participate in the live proceedings.
