Subject: Banning use of building/civil structures owned by Public Sector Undertakings (PSUs) for political advertisement during period of Model Code of Conduct - regarding.

Sir/Madam,

I am directed to invite a reference to the Commission's circular letter No.3/7/2008-JS-II, dated 7th October, 2008, wherein it has, inter alia, directed that there shall be no display of election posters, hoardings, banners, etc., in any Government premises or civil structures. It has come to the notice of the Commission that political parties have been displaying/pasting their posters, banners, etc., at the buildings/civil structures and/or premises owned by the Govt. and Public Sector Undertakings (PSUs) during election periods as part of their election campaign. It is clarified that buildings and premises of PSUs shall also be treated at par with Govt. premises for the purpose of displaying political ads during election period. The Commission has directed that no political advertisements shall be displayed/pasted at the buildings/civil structures owned by Public Sector Undertakings (PSUs) or in their premises during the period Model Code of Conduct is in force.

In case there is no specific provision in the by-laws of PSUs or in their agreements with the advertisement agencies to whom they let out space for advertisement for prohibiting display of political advertisement, PSUs may be instructed to add a para in their commercial agreements with commercial agencies/companies while providing space on lease to the

advertisement agency for placing commercial advertisements that "No political advertisement shall be displayed/pasted at the space provided on lease for commercial advertisement like airports, railway stations, Inter State/Local Bus Stands, Govt. transportation post offices, Government hospitals/dispensaries etc. (except on main highways, main roads etc.) during the period of Model Code of Conduct. If there is any political advertisement in the provided space, the same shall be removed immediately on enforcement of the Model Code of Conduct."

It is requested that appropriate instructions be issued to all concerned to ensure that the above directions are complied with and to ensure that instances of display of political advertisements in any form do not occur in the premises of PSUs in any election in future.

Yours faithfully,

(K. AJAY KUMAR)
