

The Director Food & Supplies Haryana.

All the Distt. Food & Supplies Controllers,
in the State of Haryana.

Mem. No. 50-6-03/396

Dated Chandigarh the January 5, 1967.

Subj: Fixation of norms for the replacement of bags.

Reference on the subject cited above.

2. Keeping in view of the condition of gunny bags, scientific godowns accommodation, open pucca plinths, Polythene covers, tarpaulins, crates for storage of wheat and after careful consideration of the matter, the State Govt. has decided to fix the norms for replacement of bags with the prior approval of the Finance Department with immediate effect as under:-

- (i) In godowns made according to specifications of the C.W.C. i.e. covered godowns with proper flooring roofing and no leaks a spoilage of 0.5%
- (ii) In the open where the plinth is proper i.e. either raised from the ground or with proper drainage round the wheat stocks, adequate crates are available and the stocks are properly covered with polythene covers a spoilage of 1.5%.
- (iii) In those cases where stocks have been made on kacha plinths a spoilage of 2%
- (iv) The Director Food & Supplies will have the discretion in cases within his financial competency to increase this percentage of replacement/spoilage of gunny bags which have been spoiled due to circumstances beyond control. In such cases the Director will give reasons in writing. These norms of bags may be adhered to strictly.
