**ORDER**

As per instructions of the Government, a Training Cell has been created at the Directorate of the Department vide orders Endst. No. 6E(i)-2021/10904, dated 04.06.2021. The objective of the Training Cell is to implement Haryana State Training Policy, 2020, to impart training to all officers/officials of the Department from time to time and to keep track of the training imparted to each of them. But it has been observed that still some other branches are deputing the officers/officials on training at their own level due to which the very purpose of creation of Training Cell and government instructions is being defeated.

Hence, it is ordered that all types of training viz. HIPA Training, IGMRI Training at Hapur (U.P.) & Ludhiana (Punjab) training regarding CM Windows etc. or any other training of the officers/ officials of the Department presently being dealt by various branches be dealt by the Training Cell only with immediate effect and no other branch shall depute anybody for training in future. Accordingly all the branches are directed to hand over the work of training to Training Cell immediately.

These orders be adhered strictly.
