Action Plan for Priority Area 22: Create a Centralised Digital Repository of all State Acts, Rules, Regulations and G.O.s and review them using a Principle-Based Framework

Priority Area	Priority Area Description	Recommendations from Deregulation Cell	Action Plan for MIS Portal
PA22	Create a Centralised Digital Repository of all State Acts, Rules, Regulations and G.O.s and review them using a Principle-Based Framework Timeline: 30 th September 2026	Recommendation-01 The States are encouraged to create an exhaustive repository of all State Acts, Rules, Regulations, Government Orders (GOs), Circulars, Notifications, Policies, and relevant official documents (incl. rules/regulations at the municipal level) organized by sector, policy area, and last updated date. Thereafter, the States may consider repealing / amending such laws, regulations, circulars etc. based on the following principles: Principle 1: License or prior approval should be required only for activities that pose a serious risk. Approvals/licenses should be changed to self-registration in all other cases. Principle 2: Lifetime validity for all licenses; any periodic fee to be paid can be separated from license validity; Inspections by department or third party can be used to amend or revoke license if critical conditions are not being met. Principle 3: Regulations must only target desired outcomes and not specify processes. Those regulations that specify processes must be removed and made into guidelines. Principle 4: Allow qualified independent third parties to conduct inspections conditions both at issuance and periodically, and onboard sufficient accredited agencies to ensure effective, transparent, and timely compliance checks. Principle 5: Inspections should be risk-based and randomly assigned, with clear checklists to ensure transparency and fairness. Where possible, they should be joint or led by	1. Development of Online Repository: The department will develop an online repository, with search options of all State Acts, Rules, Regulations, Government Orders (GOs), Circulars, Notifications, Policies, and relevant official documents (incl. rules/regulations at the municipal level) organized by sector, policy area, and last updated date by 31st August 2026 2. Review of the Repository: Government will constitute a Committee to review and identify all the Acts, Rules, Regulations, etc., which are required to be rationalised/repealed/amended based on the 6 principles outlined in the recommendation of the Priority Area.
