No.SEC/3E-II/2022/1176

Dated: 5th August, 2022

To

All the Deputy Commissioners-cum-
District Election Officers (Panchayat),
in the State of Haryana.

Subject: - General elections of Panchayati Raj Institutions—mark on dead voters regarding voter lists.

Sir/Madam,

I have been directed to refer to letter No.SEC/3E-II/2022/556-77, dated 24.06.2022 from State Election Commission, Haryana on the above subject and to say that it has come to the notice of the State Election Commission, Haryana that after final publication of voters list of the Panchayati Raj Institutions on 22.07.2022, names of some dead voters and duplicate votes still exist in the final voters list.

2. This has happened presumably because the – above said instructions have not been followed properly during final publication of voters list. The State Election Commission has viewed it very seriously and directs that the list of dead and duplicate votes be prepared and verification of the same may be got done immediately as per instructions referred to above.

3. If the names of dead and duplicate votes are still found in the voters list after verification, the same may be deleted from the voters list by following the above said instructions. For those electors who have died during the process of preparation of electoral roll revision or before that, verification may be done from the record of Register, Birth & Death of your district. The State Election Commission further directs that a rubber stamp with the word "Deleted" be prepared and marked on dead and duplicate votes with "red ink".

3. You are requested to ensure to complete this action by 22.08.2022, positively, under intimation to the State Election Commission.

Yours faithfully,

Assistant State Election Commissioner,
for State Election Commissioner, Haryana
