ANNEXURE-XXXIII

(Report on non-retrieving result from Control Unit by using Auxiliary Display Unit and Printer)

Name of District:

Name of Municipal Corporation :

Date of Counting:

It is certified that the result could not be retrieved from the following malfunctioned Control Unit (s) by using Auxiliary Display Unit and Printer.

S. No.	Unique ID No. of Control Unit	Detailed Report	No. of votes polled in the malfunctioned Control Unit as per Form 17

Final statement showing votes polled by the winning and runner up candidates

S. No.	Name of candidate	Party affiliation, if any	Vote polled

As the margin of votes between the candidate having highest votes and the runner up is more than the votes polled in the malfunctioned Control Unit (s) mentioned above, the matter is being referred to the Commission for permission to set aside the votes polled in the said Control Units (s) and to declare the result.
