PREAMBLE /BACK GROUND

Nainital is one of the most famous tourist place in northern India the Climate of Nainital and geographical situation attracts lacks of tourists from around the india & abroad. Naini lake, which is located in the middle of the town is a major source of attraction for the tourists. The lower & upper mall road are situated on the eastern bank of the lake. The roads are located at the toe of the sher-ka- danda hill . Both the roads and particularly lower one have been experiencing settlement problems for a long period (since 1980 or so) in km 2 (nearly 1.250 km distant from Tallital Dat) the most sensitiveness was found in 2004-05, when rocks were seen and R/walls got damaged. The reconstruction work of R/wall and repairing of racks was done afterword whenever required. A yachika no 133/2005 was put in assembly by then MLA Sri Narayan Singh Jantwal Uttrakhand to take necessary action for solution of the problem. IIT experts came at the site and had some suggestion, on which renovation works got done in the said sensitive length of the lower mall road (app165 m length under the lake conservation plan, in the year 2006-07 again repair works of retaining wall and rocks was done under SRMD fund –by PWD Ntl. In 2016 PWD requested IIT- Roorkee to have site visit and give suggestions to treat the problem permanently IIT- Roorkee, in february 2018, submitted report about suggestions’, which can be seen in office of the provincial division PWD Ntl A major portion of 25 m of the lower mall road was collapsed in rainy season this year (August 18&25th) PWD has temporarily reconstructed the damaged road and light vehicles are being plough on it .

The superintending Engineer PWD 2nd circle invites EOI from technically & financially capable firms upto prescribed date and time mentioned in terms & conditions below , which shall be opened on the stipulated date and time in the office of the superintending Engineer 2nd circle PWD Ntl by the designated proposal / tender evaluation committee in the presence of intending firms or their authorized representatives. A pre-proposal conference will be held

for the benefit of firms interested in submitting EOI proposals in response to this notice .

The tender committee shall shortlist the eligible firms based on the evaluation of EOI proposal documents. Request for proposal (RFP) along with the terms of reference (TOR), will be sent to the shortlisted firms for submission of technical and financial Bids for execution of work. The superintending Engineer reserves the right to reject any or all proposal without assigning reasons thereof

The expected expenditure would be around 42 crores as per suggestions given by IIT Roorkee in February 2018 and as per the market rates provided by the private companies which may vary as per firms – resources and techniques The final selection of the firms (s), who qualify for award of tender for execution, will be on the basis of evaluation of technical and Financial Bids submitted in response to RFPs sent to the shortlisted firms. RFP will be evaluated on the basis of quality and cost based selection (QCBS).

B: SCOPE OF WORK : NATURE AND TYPE OF WORKS

Nature of works will involve strengthening of upper and lower mall roads which also include geo-technical investigation evaluation of forest / naap land if any in the vicinity, if needed, on which the work /treatment is necessary to be laid , preparation of DPR for strengthening work , traffic census and execution of work. The firm shall consider year wise escalation provision in cost analysis as the project has to be sanctioned yet, by the Govt of uttarakhand & it may take some time -period .

The total station survey and drilling test report showing rock strata and permeability etc would be readily available to interested firms. The work is to be done adjoining Nainital lake.

C: ELIGIBILITY CRITERIA FOR EMPANELMENT

Technical

- Firm must have minimum 10-year work experience in strengthening of roads and hill slope stabilization adjoining water which encompasses works, as described in scope of work.
- The Firm, however, must be registered/empaneled with the Central Government/Any State Government/ Central or State Govt. Undertakings, as a Prime Contractor. Proof of certificate to this effect is required to be given by the Firm.
- Firm must have necessary equipment and machinery, as indicated in Form VIII. The Firm will have to furnish the attested copies of the Cash Memo, RC etc. as per format, of the key and critical equipment required for the work as a proof of ownership of such equipment and machinery. Any cash memo or bill from a non-registered or any unit not licensed for the manufacture of heavy equipment of this nature shall not be considered. In the cash memo so furnished, the details of excise duty paid, GST, C.S.T. paid and proof of transportation by which the equipment transported to the said destination including the proof of payment of requisite taxes shall also be furnished.
- Firm must have the availability of technical staff required for executing works, as detailed above in the scope of work, with relevant experience required in implementation/ construction of similar works and other key personnel with adequate experience. The information related to the permanent work force available with the firm must be provided in Form VI and VII. This information will be used to evaluate the strength of the bidding firm in executing the works as defined in the scope of works.

Financial

- The Firm should have achieved a minimum annual financial turnover of value not less than 21 crores, during the last three years for all type of construction works, as mentioned in the scope of work. The Firms with a greater number of projects which are categorized in Technical Eligibility above would be preferred. The Financial year in which there is no financial turnover, will be counted as zero, for that particular year.
- Joint Venture/Consortium Proposals are acceptable.
- The Firm(s) should be registered for GST, Provident Fund and must not be a defaulter of Income Tax and any other tax under extant laws.

D: SUBMISSION OF EXPRESSION OF INTEREST

PART I

1. Covering Letter, Processing Fee
 - a) Covering letter as per format (Form I) provided.
 - b) A non-refundable processing fee of Rs. INR 50000 (Fifty thousand only).
 - c) Authorization letter from the Board/Governing Body or as the case may be to sign/submit the EoI proposal on behalf of the respondent Firm.

PART II

2. Details of the Firm
 - a) General background of the respondent Firm (500 words) along with other details of the Firm as per the format (Form II) provided in the EoI. Enclose the mandatory supporting documents.
 - b) Financial details of the Firm as per Form III. Enclose the mandatory supporting documents (registration certificate, memorandum/articles of association, IT return etc.).

PART III

3. Experience of handling similar Projects

a) Respondents must provide details (client firm, nature/scope of the Project, Project value) as per format provided (Form IV). Enclose the mandatory supporting documents.

b) Total Income from Projects mentioned in 3a above (Form V)

PART IV

4. Proof of Equipment and full-time Professionals in the Firm

a) A list of key professionals employed by the firm (permanent/ contractual). With CVs, as per the attached form (Form VI)

b) CV of key professionals provided in form VI. This is to be given in Form VII.

c) List of Plant & Machinery (Equipment) in Form VIII

d) Above is to be certified by the statutory Auditor/Company Secretary of the Firm with number of full time professionals in the required fields.

E: DOCUMENTS REQUIRED TO SUPPORT TECHNICAL AND FINANCIAL ELIGIBILITY

1. Auditor certified turnover (original) statement on annual income from similar projects as per scope of work, for the last 5 years, along with auditor certified Balance Sheet and Financial Statements.

2. Certified true copy of Memorandum of Association of the Firm (if applicable).

3. Details of “Similar Work Experience” – Projects completed along with certified true copies of proof of project completion such as satisfactory completion certificates from client, awards, etc.

4. Details of “Similar Ongoing Projects” along with certified true copies of proof of project such as work orders and agreements. Similar work would be strengthening work adjoining river/ sea or lake.

5. Copy of PAN card and IT returns for last the 5 financial years (up to 2018-19).
6. Copy of Service Tax registration/GST Registration and return for the last five financial years.
7. Copy of Employee Provident Fund (EPF) registration.
8. Certified copy of document showing legal status of organisation along with Power of Attorney of Authorised Signatory (if applicable) and authorization for signing and submission of the proposal.
9. Undertaking against fraudulent practices/black-listing.
10. Summary of Key Staff
11. CV of Key Personnel
12. Affidavit stating that the firm has not been barred/suspended from quoting in last 5 years in any Government Department / Autonomous Body/ Public Sector Undertaking under Central or any State Government.

F: GENERAL INFORMATION & INSTRUCTIONS TO FIRMS

1. Due to the nature, complexity and comprehensiveness of the assignment, it requires adequate skill and experience of the Firm in dealing with the nature of assignment, as defined in scope of work.
2. The Firms are expected to be well versed and have adequate knowledge and experience in the sector. The Firms are required to deploy all necessary human resources with specified relevant qualifications and experience for providing operationalization support.
3. The Firms are suggested to meticulously go through the context, objectives, scope and deliverables, and understand the functional requirements while preparing their responses to this EoI.

4. We are strictly looking for Firm(s), working in the field of reconstruction of damaged hill slopes, construction of roads in hill areas across or adjoining water bodies which encompass works like construction of check Dams, construction of water channeling works, river bank protection works, gabion wall construction works, rock-nailing, rock-bolting and other similar hill-slope stabilization related works, as described in scope of work.
5. General Construction Firms, who have no experience of dealing with such projects, as defined in the scope of work, need not apply. Proposals from such firms, not working in this sector, will be summarily rejected and the submission fee shall be forfeited.
6. In the present context, a Firm would mean a Pvt. Ltd. Company or a Ltd. Company
7. EoI Proposal should be in five (5) copies, one original and four (4) photocopies marked as copies.
8. Proposals should be page numbered with different parts/sections clearly separated,(content wise) so that it facilitates the evaluation process. Evaluation committee should be able to access the required information with ease and clarity. Quality of proposal will be given separate weightage.
9. Each numbered page should be duly-signed by the authorized signatory.
10. For evaluating Firm's experience in handling similar projects as per Form IV, supporting documents (work order /completion certificates) are mandatory. No credit will be given if supporting documents are not provided. Supporting documents should be attached and numbered separately after each Form.
11. The details provided in Form IV (a& b) should match with the financial details provided in Form V a & b.

12. The organization (Firm) shall bear all costs associated with the preparation and submission of its proposal and SE PWD office will in no case be responsible or liable for these costs, whether the proposal is finally accepted or not.

13. EOI is to be submitted in a sealed envelope. The documents are to be arranged systematically into Part I (Covering letter and Processing Fee); Part II (Details of the Firm); Part III (Experience of handling similar Projects); Part IV (Proof of full-time professionals in the firm), including documents in support of eligibility, where ever required, and as per instructions and formats provided for the purpose.

14. All envelopes must show the name of the participating firm, address and should be super-scribed as

“EOI FOR SHORTLISTING OF FIRMS FOR STRENGTHENING OF LOWER AND UPPER MALL ROADS NAINITAL IN THE STATE OF UTTARAKHAND”

15. Complete offers are to be addressed to Superintending Engineer. IInd Circle, PWD, Nainital PIN: 263002.

16. Offers duly filled and accompanying all supporting documents, should be submitted on or before 14-01-2019 by 5-00 PM, after which no proposals would be accepted.

17. However, if the last date of receipt of the Bid specified happens to be declared as closed holiday for any reason, the Bids will be received on the next working day up to the same time.

18. The EoIs will be opened at Nainital on the designated date and time. Participating firms may depute one representative to remain present at the time of opening.

19. Incomplete, illegible and unsealed EoI/ Proposals will be summarily rejected. Telegraphic EoIs will not be accepted and no correspondence will be made in this regard.
20. The agency inviting the EoI takes no responsibility for the delay / loss or non- receipt of EOI Application or any submission or letter sent by post.
21. All offers should be made in English. Conditional offers, and offers qualified by such vague and indefinite expression such as “Subject to immediate acceptance”, “Subject to prior sale” etc. will not be considered.
22. Superintending Engineer. IInd Circle, PWD, Nainital reserves the right to accept or reject any proposal/all the proposals, without assigning any reason thereof.
23. In case of any dispute, Nainital Court (District) will be the jurisdictional Court.
