## **Job Description: Forest Land Transfer Executive**

**Position Title:** Forest Land Transfer Executive

**Location:** Uttarakhand, India

**Number of Positions:** 2 (One for Office of Secretary P.W.D. & One for Office of H.O.D., P.W.D.)

### **Job Summary:**

We are seeking a highly experienced and qualified individual with a strong background in forestry and forest management to fill the position of Forest Land Transfer Executive. The ideal candidate should be a retired officer from the Forest Department, having served at least as a District Forest Officer (DFO). This is a unique opportunity for a seasoned professional to utilize their expertise to fast-track the process of land transfers for People with Disabilities (PWD) and contribute to the overall development of forest-related projects.

**Reporting To:** Chief Engineer, Planning

**Salary:** As per government rules for retired employees in the state of Uttarakhand

**Tenure:** Initially 11 months, with the possibility of extension up to 3 years or until reaching the maximum eligible age criteria (whichever is minimum)

**Age Limit:** Not exceeding 65 years

### **Qualifications and Experience:**

- Retired officer from the Forest Department
- Minimum rank of District Forest Officer (DFO)
- Clear service record
- Strong understanding of forest management and policy
- Excellent communication and interpersonal skills
- Ability to work independently and as part of a team

### **Duties and Responsibilities:**

1. Assist the Public Works Department (PWD) in expediting the process of obtaining forest land from the Forest Department.
2. Monitor the progress of field units involved in land transfer activities and provide guidance as needed.
3. Prepare fortnightly reports on the progress of land transfer activities and provide them to the Secretary, PWD or Engineer in Chief, PWD as required.
4. Provide training to staff to enhance their efficiency in executing land transfer tasks.
5. Liaise with the Forest Department to obtain relevant information and share it with field units.
6. Gather forest-related data, including information on degraded forest land and geographical data related to the Forest Department, and disseminate this information to field units.

### **Direct Responsibilities:**

- The Forest Land Transfer Executive will directly report to the Chief Engineer, Planning.

### **Note:**

- The duties listed above are not exhaustive and may be subject to change as per the requirements of the Public Works Department.
  - This job description aims to outline the primary responsibilities and qualifications required for the position of Forest Land Transfer Executive.
  - Candidates who meet the specified criteria and possess the necessary experience are encouraged to apply.
  - This job description is intended as a summary only and should not be considered comprehensive or exhaustive.
  - The actual responsibilities, duties, and requirements may vary based on the specific needs of the organization and the role.
