Dear Sir,

**Differential Rate of Interest (DRI) Scheme – Modification to the guidelines.**

Pursuant to the decision taken at the meeting of the Regional Consultative Committee (Western Area) held on 25 September, 1982, the Government of India set up a Task Force in April 1983 to examine and make recommendations on the various provisions of the Differential Rate of Interest Scheme and the modifications, if any, considered necessary. The recommendations made by the Task Force have since been considered by the Government in consultation with the concerned Ministries. Reserve Bank of India and National Bank of Agriculture and Rural Development and the following decisions have been taken :

- i) The DRI Scheme as in the present form, will continue at the rate of interest of 4 percent per annum. There will also not be any modification in the target of quantum which will continue to be 1 percent of the outstanding advances as at the end of the previous year.
- ii) The DRI Scheme, IBDP and the Self-Employment Programme for Urban Poor (SEPUP) will be mutually exclusive. In other words, if a person is assisted under IRDP or SEPUP, he will not be eligible for the benefit under DRI Scheme. Further, the benefit of DRI Scheme will be available only to the borrowers within the prescribed eligibility criteria who are not assisted under any of the subsidy linked schemes of Centre/State Government and State-owned corporations.
- iii) The ceiling of family income of the borrower under DRI Scheme is revised from Rs. 2000/- per annum in rural areas and Rs. 3000/- per annum in urban and semi-urban areas to Rs. 6400/- and Rs. 7200/- respectively.

2. We shall be glad if you will please issue suitable instruction in his regard to your branches immediately for implementation.

Please acknowledge receipt.

Yours faithfully,

Sd/-
