

Weekly Distribution of Syllabus

Subject :Biology Class :11th Book : Biology

Month (2021-2022)	Week	Number of Working Days	Name of Book /Chapter	Content
August/ September	1 st (30 st -4 th)	5 (30- Janmastmi)		Structural organizational in animals(ch 7)-- Animal tissues,epithelial tissue,connective tissue,muscular tissue,neural tissue,organ and organ system,
September	2 nd (6 th – 10 th)	5 (11- Second Saturday)	Cell:structure and functions unit -3	Cell: the unit of life(ch8) —cell ,cell theory,overview of cell,prokaryotic and eukaryotic cell
	3 rd (13 th – 18 th)	6	-Do-	Biomolecules(ch9) —basic chemical constitution of living bodies, structure and function of carbohydrates,protein,lipids and nucleic acids,enzymes :types and functions
	4 th (20 th – 25 th)	5 (23- Sahidi Diwas)		revision

Weekly Distribution of Syllabus

Subject Biology Class 12th Book Biology

Month (2021-2022)	Week	Number of Working Days	Name of Book /Chapter	Content
August/ September	1 st (30 st -4 th)	5 (30- Janmastmi)		Ch6 Molecular basis of inheritance - The DNA, search of genetic material, RNA world,
September	2 nd (6 th – 10 th)	5 (11- Second Saturday)		Ch6 Molecular basis of inheritance - replication,transcription,translation,genetic code
	3 rd (13 th – 18 th)	6		Ch6 Molecular basis of inheritance - Regulation of gene expression,human genome project,DNA fingerprinting
	4 th (20 th – 25 th)	5 (23- Sahidi Diwas)		revision
