Memo No. SCERT/Maths Edu./2022/42

Dated: 16.12.2022

**Sub: Regarding Online puzzle contest for school students of grade VI to VIII by SCERT, Haryana, Gurugram**

Respected Sir/Madam

This is to kindly inform you that SCERT Haryana and Centre of Excellence in Teacher Education (CETE) at Tata Institute of Social Sciences, Mumbai on the occasion of National Mathematics Day are collaboratively launching an online puzzle contest for school students. We invite all school students from grade 6 to 8 to participate and join the contest and know how puzzles can not just enliven the math classroom but also make it a more inclusive, engaging and stimulating learning space. Redefine the boring repetitiveness of drill and practice with new ideas that you can pick up from article published in At Right Angles by Azim Premji University (<https://publications.azimpremjijuniversity.edu.in/4142/1/05%20HARBANS%20PUZZLES%20CLAS%20SROOM.pdf>). Please share the poster attached among your contacts and ensure the maximum participation of the students.
