Micro Improvements

- School Improvement can be a long process
- Breaking down this process into a series of small steps is termed as Micro-Improvement approach

Micro improvements in Haryana

- **Vidya Amrit Mahotsav**
 - Innovative Pedagogy Videos
 - Competency Based Questions Making
- **Aao School Chalein: Enrolment Program**

State Council of Educational Research & Training, Haryana

VIDYA AMRIT MAHOTSAV

WHAT IS VAM?

The festival aims to promote and recognize innovations that all teachers, teacher-educators and school leaders across India bring to their classrooms and schools.

MICRO-IMPROVEMENT

Making the improvement process easy, simple, and achievable for every teacher and leader in the education system.

DIKSHA

Digital Projects are available to leaders at all levels through the National Infrastructure for Education DIKSHA.

ENCOURAGING INNOVATING PEDAGOGY

MICRO IMPROVEMENTS

Small Steps to Build Great Schools

Building a continuous improvement cycle across Haryana education system.
