**Northern India Science Drama Contest 2024-25**

**RULES AND REGULATIONS**

The Northern India Science Drama Contest is organized every year by National Science Centre, Delhi to encourage the students, teachers and other science communicators to explore and experiment with the dramatic form as a means of communication. This event is a part of National Science Drama Festival organized by National Council of Science Museums throughout the country every year. Theatre or drama is an age-old cultural form of our society, which has been used for entertainment, recreation and also as a medium of social interaction (i.e. to put across the social message), in other words, correcting the society in an indirect way, thus bringing a social change. By understanding the effectiveness of this medium and also to involve more youngsters to participate in this creative medium, an attempt is made to organize a science drama festival. Initially this will be held in the Taluk, District, State, Zonal level and eventually at the National Level. This is an opportunity to bring the students of different states, languages and culture to interact, exchange and explore this medium of education – THEATRE.

**WHO CAN PARTICIPATE**

School students studying in class VI to Class X. Winner teams from northern states/UTs.

मुख्य विषय: मानव जाति के कल्याण के लिए विज्ञान एवं प्रौद्योगिकी  
Main Theme: Science & Technology for the benefit of mankind

<b>Sub Themes :</b>	<b><u>उप विषय:</u></b>
1. Global Water Crisis	1. वैश्विक जल संकट
2. AI and Society	2. एआई (AI) और समाज
3. Modern Technologies for Disaster Management	3. आपदा प्रबंधन हेतु आधुनिक तकनीकें
4. Health and Hygiene	4. स्वास्थ्य एवं स्वच्छता
5. Climate Change and its Impact	5. जलवायु परिवर्तन और इसका प्रभाव

Please note that the play can be based on any one of the above sub-themes and it needs to convey some definite scientific message.

कृपया ध्यान दें कि नाटक उपरोक्त उप-विषयों में से किसी एक पर आधारित हो सकता है और इसमें कुछ निश्चित वैज्ञानिक संदेश होना चाहिए।

## Key points for the Drama Presentation

### For Script Writer:

1. The drama should not be an academic exercise and boring. It should give emotional and aesthetic experience to the performers and also to the audience.
2. It should totally engage the audience and give educational message indirectly but effectively. The performers and the audience should feel happy that they have understood / learnt something in.
3. While writing the play, care should be taken with regard to the settings, duration of the play and also the number of artists taking part in the drama.

### For Participants:

1. Duration of the play should not be more than 30 minutes.
2. The team should have one Director one Script Writer and there should not be more than 8 actors (including male & female).
3. It should convey – scientific message.
4. The drama team should be able to set up and stage the play quickly.
5. The language should be easy to follow (more of visuals preferred).
6. The drama can be in any Indian language (official).
7. The drama can have costumes, dance, music, mime and also models to enhance the quality and credibility of the drama.
8. Written posters / banners / A.V. aids / backdrops can be used for illustration.
9. If presented in any language other than in English, or Hindi, the participating school has to submit an authentic Hindi / English translation of the script to the organizer well before staging the drama.

### Please note that:

- 1) All Entries must be original: This means that your script should not have been published elsewhere, in any form. The entry should not have been previously submitted to any competition (online or offline)
- 2) Generative AI use: Fully AI generated scripts cannot be submitted and will be disqualified. AI-aided submissions are allowed where AI is used to enhance or augment the drama, however, you must notify us in your entry "AI aided writing" so we know that these tools were part of the process. We reserve the right to use tools to detect AI writing.
- 3) Correct representation of Science: The script can be based on the broad theme and sub themes as suggested. If you are using a current science or tech concept in your script, do make sure to give an accurate representation. We wouldn't want to misinform the audiences, sensationalize an issue or propagate fake science.
- 4) Regional Languages: We will be accepting entries in English/Hindi: however, you are encouraged to submit your work in regional languages. If you wish to submit a story in another language, please add an authentic English translation with the same. The top two winner teams from State/UT will be invited to participate in Northern India Science Drama competition. The top two teams from Northern India Science Drama Contest will be invited to participate at National Level Science Drama Festival at National Science Centre, Delhi in December 2024(Tentative).
