## Director's Message

### Welcome of New Session in Haryana Govt. School Staff

As we embark on the journey of a new academic session in Haryana Government schools, I extend my warm greetings and best wishes to all school staff—teachers, headmasters, principals, academic coordinators, and support personnel. The beginning of a new session is not just a routine event but a fresh opportunity to renew our commitment to quality education, student-centered learning, and institutional growth.

Our teachers are the heart of the education system. It is through their dedication, innovation, and passion that classrooms transform into vibrant learning spaces. The National Education Policy (NEP) 2020 has laid a strong foundation for transforming education in India, and Haryana is at the forefront of implementing this change. This year, we look forward to deepening our efforts in areas such as experiential learning, foundational literacy and numeracy (FLN), integration of technology, vocational education, and inclusive practices.

SCERT Haryana, as the apex academic institution for school education in the state, stands firmly beside every educator. We are committed to providing continuous professional development through need-based trainings, digital platforms, academic resource material, and mentoring. We are also focusing on enhancing school leadership through capacity-building programs for heads of schools and administrators.

This session, let us collectively strive to foster safe, inclusive, and motivating environments in our schools. Let us promote curiosity, creativity, and character among our learners. Each child who walks into a government school in Haryana deserves the best, and it is through our collective effort that we can make this possible.

To all school staff, I extend my heartfelt appreciation for your dedication. Let us begin this academic session 2025–26 with positivity, collaboration, and a shared vision of excellence.

Wishing you all a productive, joyful, and impactful year ahead.

Samwartak Singh, HCS  
Director

### DSS Monthly Meeting

Monthly meeting of all DSS for the month of April was organized on **10<sup>th</sup> April** 2025 through online mode. Around 20 DSS from various districts attended the meeting. The meeting was chaired by Deputy Director SCERT Mrs. Saroj Dahiya. She briefly addressed the participants and discussed the various expectations from their role in the coming session i.e. 2025-26. The main agenda points of discussion were INSPIRE Manak, Science Lab Inspection, Webinar Series 2.0 and UC for various District Level Events. The objective of the meeting was to orient the DSS for the perfect execution of all Science Initiatives of Science Wing SCERT. Science Wing Head Mrs. Punam Yadav also addressed the participants. Subject specialists Dr. Sanjay Prakash Kaushik & Dr. Jyoti Arora discussed their respective components with the DSS.

### DLEPC for INSPIRE MANAK

The preparation for District Level Science Exhibition & Project Competition (DLEPC) for 814 students selected in AY 2024-25 has begun from 15<sup>th</sup> April 2025. The letter for initiation of development of exhibits has been issued from the o/o Director SCERT on **15<sup>th</sup> April** 2025. The students have been instructed to upload their exhibit, video and write up on MANAK app on or before 31<sup>st</sup> May 2025. It is being intimated that in AY 2024-25 Haryana submitted 22000 ideas and 814 students are selected for award of Rs. 10000 for their ideas by Department of Science & Technology, GoI. The DLEPC for these 814 students will be conducted through online mode in coming months.

### DIET Science Faculties' Meeting

Monthly meeting of all Science Faculties from various DIETs for the month of April was organized on **17<sup>th</sup> April** 2025 through online mode. The meeting was chaired by Deputy Director SCERT Mrs. Saroj Dahiya. She instructed all the attendees to support all initiatives of Science Wing SCERT with more enthusiasm in year 2025-26. She also expressed her happiness on the hard core efforts put by Science Faculties in execution of SPARK in AY 2024-25. The main agenda points of discussion were role of DIET faculties in nominations for INSPIRE Manak, focus on Science Lab Inspection during SPARK visits, Webinar Series 2.0 and Science Sutra. More than forty participants attended the meeting. Science Wing Head Mrs. Punam Yadav also addressed the participants. Subject specialists Dr. Sanjay Prakash Kaushik & Dr. Jyoti Arora discussed their respective components with the DIET Faculties.

### Webinar Series 2.0 Episode 1

After successful conclusion of Webinar Series 2.0 in session 2024-2025 and analyzing the responses collected as feedback of webinar series, the wing has continued the same practice and launched Webinar Series 2.0 for AY 2025-26. The first episode of Webinar Series 2.0 was streamed live on **23<sup>rd</sup> April** 2025

on the official YouTube channel of Science Wing SCERT. The topic of discussion was **“Climate Justice: Equity & Environment.”** The resource person of the day was Dr. Anoop Yadav, Assistant Professor, Department of Environmental Studies, Central University Haryana. A large number of viewers attended the program. Various aspects of Environment were discussed by the resource person during his talk. The session started with words of wisdom by Deputy Director Smt. Saroj Dahiya. Science Wing Head Mrs. Poonam Yadav welcomed the Resource Person. State Coordinator Dr. Sanjay Prakash Kaushik and Subject Specialist Dr. Jyoti Arora were also present during the session and moderated the talk.

### Science Sutra Episode 1

Under the able guidance of Director SCERT Sh. Samwartak Singh (HCS) & Deputy Director Smt. Saroj Dahiya, the Science Wing of State Council of Educational Research and Training has initiated a new program entitled **“Science Sutra.”** The program will telecast the demonstration and discussion of textbook based activities of Science for classes 6<sup>th</sup> to 8<sup>th</sup>. The various episodes of Science Sutra

will be covering the syllabus as per monthly distribution of syllabus. The first episode of Science Sutra was telecasted on official youtube channel of Science Wing SCERT on **28<sup>th</sup> April 2025**. The episode started with words of wisdom by Deputy Director Smt. Saroj Dahiya. State Coordinator Dr. Jyoti Arora and Subject Specialist Dr. Sanjay Prakash Kaushik were also present during the session and moderated the talk.

### Distribution of the Syllabus for Classes 4<sup>th</sup> to 8<sup>th</sup>

The Month-wise Distribution of the Syllabus for Classes 4<sup>th</sup> to 8<sup>th</sup> was uploaded on the SCERT Website to assist in Structured learning. Additionally, new textbooks for Classes 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and 6<sup>th</sup> were made available online. To ensure educational equity, textbooks for classes 1<sup>st</sup> to 8<sup>th</sup> were printed and distributed free of cost to Government Schools students by Department of Elementary Education, Haryana under the Samagra Shiksha initiative for the academic session 2025-26. These efforts aim to enhance accessibility and improve the quality of education across all government schools.

### NMMS Final Results Declared – 2337 Students from Haryana Selected for Scholarship

On April 23, 2025, the State Council for Educational Research and Training (SCERT), Haryana, announced the final results of the National Means-cum-Merit Scholarship (NMMS) Scheme for the 2024–25 session. This centrally sponsored initiative aims to reduce dropouts among meritorious students from

economically weaker sections studying in government schools by providing financial assistance to support their secondary education.

Under this scheme, 2,337 students from Haryana have been selected to receive a scholarship of ₹12,000 per year for the next four years. The scholarship examination, conducted by SCERT Haryana on November 17, 2024, saw participation from 43,642 students across the state. The selection quota for Haryana is fixed at 2,337 students annually.

Selected students must register on the National Scholarship Portal (NSP) to claim their scholarship amount. Registration is expected to begin in July 2025. Students are reminded that failing to register within the specified timeframe will result in forfeiture of the scholarship, in accordance with the scheme's rules.

For further assistance and guidance regarding the registration process, selected students should contact the Institutional Nodal Officer (INO) at their respective schools.

### **State-Level Meeting Held to Finalize Annual Assessment Plan**

On April 9, 2025, a state-level meeting was convened with the Assessment Cells of all District Institutes of Education and Training (DIETs) across Haryana to discuss the Annual Assessment Plan. This comprehensive document outlines the academic assessment calendar for the year, covering School-Based Assessments (SBA), Student Assessment Tests (SAT), Half-Yearly Assessments, Pre-Board Assessments, and Annual Exams for students in Grades 4 to 12.

The Annual Assessment Plan serves as a key reference for scheduling academic activities throughout the year. Detailed guidelines for conducting SBA activities have been included in the plan. The meeting also focused on the weightage structure of SBAs, SAT cycles, and term-end assessments, including half-yearly and annual exams.

Valuable feedback and suggestions were invited from the DIET Assessment Cell teams to refine and finalize the document. The meeting saw active participation from all members of the Testing & Assessment Wing, along with 42 representatives from various DIETs across the state.

### **Skill Assessment Tool Finalization Meeting**

The skill-based module is currently being implemented in three districts of Haryana by the Magic Bus Foundation. On April 17th, 2025, representatives from the Magic Bus Foundation met with members of the Testing & Assessment Wing to finalise the skill assessment tools.

### Training in Action Research

All DIETs have submitted the names of six TGTs of English, Social Science, Science & Maths as per requirement of REAP Cell. The names have been collated and list prepared for training in Action Research.

### Dipstick Study on Mental Health

An Online meeting on the same was held on 04.04.2025 with select DIET & School faculty, including ARAs, Psychology Subject Specialists in DIETs & one School faculty. Questionnaires have been developed by each participant and submitted to REAP Cell.

### PPT Presentation

A PPT on NEP 2020 & REAP Cell was prepared & presented by Incharge REAP Cell at SCERT on 15.04.2025. It contained details on how Research may be incorporated as per NEP Guidelines as well as a mention of Thematic Studies.

### Research Studies allocated by DSE

The Directorate of School Education Haryana Panchkula allocated two studies to REAP Cell:-

- 1.E-Adhigam Programme
2. Buniyaad Programme

The Study “**Effectiveness of E-Adhigam in Teaching & Learning**” is being done by REAP Cell & data entry is in progress.

In the Study on **Mission Buniyaad**, an Online meeting was held with the Program Coordinators and Centre Incharges of the Program of eleven districts of the State. The meeting was held on 23.04.2025.

Another meeting regarding **Mission Buniyaad** was held in Offline mode on 25.04.2025 with the DSSs of District Faridabad, Nuh, Palwal, Rewari and DMS Gurugram.
