Sir,

With reference to subject mentioned above, this is to inform that accreditation of higher educational Institutions (University and Colleges) by the National Assessment and Accreditation Council (NAAC), an autonomous institution of the University Grants Commission (UGC) has become necessary for performance evaluation, assessment, accreditation and quality up-gradation, the prime objective is to develop a system for conscious, consistent and catalytic improvement of the overall performance of institutions. Higher NAAC accreditation is also linked with funding of Colleges and University for infrastructure development.
