Note:

1. The enclosed allotment list has been shared with the respective Universities for further necessary action. It is hereby clarified that the **appointment letters to the selected candidates shall be issued only by the respective Universities**, after completion of the prescribed formalities, including verification of documents and eligibility.
2. The allotment reflected in the enclosed list **shall not, by itself, confer any vested right or claim for appointment or joining upon any candidate**. The joining of the candidates shall be subject to satisfactory verification of their educational qualifications, category certificates, eligibility and other relevant documents by the concerned University, as per the applicable rules and requirements.
3. In the event that, after joining/document verification, **no teacher is available in any particular subject in any college under the University**, the Vice-Chancellor of the concerned University has been authorised to undertake rationalisation/re-allotment of the faculty from the enclosed allotment list, subject to availability, so as to ensure that **at least one teacher in each of the six notified subjects is available in every New Degree College**, as far as practicable.
