

National Informatics Centre, Uttar Pradesh has received the appreciation from **Ms. Beena Meena IAS & Additional Chief Secretary, Government of Uttar Pradesh**, for the successful implementation of the **E-SETTLE - SMART SOLUTION FOR LIQUOR & BHANG SHOP** across the state, acknowledging the team's exemplary contribution towards strengthening the state's digital governance ecosystem.

The E-SETTLE Project was designed, developed, and implemented under the leadership of **Shri Shailesh Srivastava, Senior Director (IT) & State HoD**, with the active contribution of the NIC team comprising **Sri Mahendra, Joint Director (IT)**, and **Sri Kamlesh Singh, Deputy Director (IT)**. The project has been successfully rolled out across all districts of Uttar Pradesh in multiple phases. Its implementation has led to **enhanced efficiency, transparency, and accessibility of government services**, aligning with the vision of Digital India and Good Governance.

The recognition was conferred during a function organized by the Department of Excise, Government of Uttar Pradesh, at Lucknow. **Dr. Adarsh Singh, IAS, Commissioner Excise**, along with **Shri Navneet Sehara, IAS, Additional Commissioner Excise**, graced the occasion with their esteemed presence. The Commissioner Excise commended the efforts of NIC Uttar Pradesh officers at the State & districts for their **technical proficiency, timely execution, and commitment to excellence**.

Shri Mahendra,
Joint Director(IT)

Shri Shailesh Srivastava,
Sr. Technical Director(IT) & HoD

Shri Kamlesh Singh,
Dy. Director(IT)
