ECONOMIC-CUM-PURPOSE CLASSIFICATION OF HARYANA GOVERNMENT BUDGET 2021-22

ISSUED BY: DEPARTMENT OF ECONOMIC & STATISTICAL ANALYSIS
HARYANA
2021

PREFACE

The magnitudes shown in the State Government Budget are too detailed and scattered and not necessarily based on the distinctions and groupings required for understanding the economic significance of various items of revenue and expenditure. The Government's transactions have to be sorted out, reclassified and re-grouped into meaningful economic and purpose categories. This report presents Economic-cum-Purpose Classification of budgetary transactions of Haryana Government Budget for the year 2019-20 (Actual), 2020-21 (Revised Estimates) and 2021-22 (Budget Estimates). This classification is based on the methodology adopted by the National Accounts Division (NAD) of National Statistical Office (NSO), Ministry of Statistics & Programme Implementation (MOSPI), Government of India.

The economic classification groups together the primary items of consumption expenditure, commodities and services, maintenance, current and capital transfers, capital formation out of budgetary resources whereas the purpose classification groups these items according to the particular purpose or functions they perform such as general public services, education affairs and services, health affairs and services, welfare affairs and services, housing and community amenity affairs and services, cultural, recreational and religious affairs and services, economic affairs and services, etc. These two types of classifications are integrated into "Economic-cum-Purpose Classification" which presents the economic and purpose characteristics of the government budgetary transactions in a consolidated statement.

The report has been prepared by Smt. Saroj Mehra, Research Officer with the assistance of Smt. Shakuntla, Assistant Research Officer and Sh. Rajat Saini, Steno Typist under the guidance of Sh. Rajender Kumar Mor, Deputy Director.

It is hoped that the analysis presented herein will be useful to the administrators, planners and research scholars interested in the study of the budgetary transactions of the State Government.

Panchkula Dated, the 2nd September, 2021 Dr. N.R. Sheoran Director, Deptt. of Economic and Statistical Analysis, Haryana.

Highlights

The Budget of the State Government is the "Annual Financial Statement" which includes the estimated Receipts and Expenditure of the State for every financial year. The magnitudes shown in the budget are too detailed and scattered and not necessarily based on distinctions and groupings required for understanding the economic significance of various items of revenue and expenditure. So, these have to be sorted out, re-classified and re-grouped into meaningful economic categories. Therefore, budget analysis is perceived as a powerful tool to measure and monitor its impact on State Income and related aggregates. For budget analysis, the Government's expenditure can broadly be classified as economic and purpose classification. The economic classification groups together the primary items of consumption expenditure, commodities and services, maintenance, current and capital transfers, etc. out of budgetary resources whereas the purpose classification groups these items according to the particular functions it performs such as general public services, education affairs and services, etc. These two types of classifications are integrated into "Economic-cum-Purpose Classification" to present the economic and purpose characteristics of the budgetary transactions in a consolidated statement. The budget can broadly be divided into Administrative Departments and DCUs for budget analysis. The Administrative Departments are government agencies for the implementation of socio-economic policy of the Government whereas DCUs are un-incorporated enterprises owned, controlled and run by the Government. The scope of the report is confined to the analysis of budget of the State Government for 2019-20 (A), 2020-21 (RE) and 2021-22 (BE).

I. Economic Classification

a. Expenditure of State Government

• The total expenditure of the State Government as per economic classification is expected to be ₹ 11332310 lakh in 2021-22 (BE) as compared to ₹ 10277841 lakh in 2020-21 (RE) and ₹ 10416411 lakh in 2019-20 (A). The total expenditure is likely to increase by 10.26 percent in 2021-22 (BE) over 2020-21 (RE). Out of the total expenditure of the State Government, the expenditure of Administrative Departments is estimated as 95.10 percent, 94.95 percent and 94.12 percent whereas the expenditure of DCUs is recorded as 4.90 percent, 5.05 percent and 5.88 percent during 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively.

- The consumption expenditure of the Administrative Departments is estimated as ₹ 4453279 lakh in 2021-22 (BE) as against ₹ 4013640 lakh in 2020-21 (RE) and ₹ 3560526 lakh in 2019-20 (A). The share of consumption expenditure in the total expenditure of State Government ranged from about 34 to 39 percent during the three years. It is likely to increase by 10.95 percent in 2021-22 (BE) over 2020-21 (RE) whereas it increased by 12.73 percent in 2020-21 (RE) over 2019-20 (A).
- The current transfers which also include subsidies and interest payments are estimated as ₹ 4951418 lakh in 2021-22 (BE) as against ₹ 4656283 lakh in 2020-21 (RE) and ₹ 3718596 lakh in 2019-20 (A). The current transfers are likely to increase by 6.34 percent in 2021-22 (BE) over 2020-21 (RE) whereas this increase is recorded as 25.22 percent in 2020-21 (RE) over 2019-20 (A). The contribution of current transfers is recorded as 35.70 percent, 45.30 percent and 43.69 percent in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively.
- The capital transfers are estimated to be ₹ 887949 lakh in 2021-22 (BE) as against ₹ 775986 lakh in 2020-21 (RE) and ₹ 870982 lakh in 2019-20 (A). The capital transfers are estimated to decreased by 10.91 percent in 2020-21 (RE) but it increase by 14.43 percent in 2021-22 (BE).
- The gross capital formation i.e. investment in buildings, roads & other constructions, purchase of Machinery & equipment, etc. by Administrative Departments is expected to be ₹ 654450 lakh in 2021-22 (BE) as against ₹ 281474 lakh in 2020-21 (RE) and ₹ 1032336 lakh in 2019-20 (A). The contribution of this item in the total expenditure of the State Government is estimated as 9.91 percent, 2.74 percent and 5.78 percent during 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively.

b. Current Receipts of State Government

• The current receipts of the State Government are recorded as ₹ 6443180 lakh in 2019-20 (A) which are expected to increase to ₹ 7286349 lakh in 2020-21 (RE) and ₹ 8261546 lakh in 2021-22 (BE) recording the growth of 13.09 percent in 2020-21 (RE) and 13.38 percent in 2021-22 (BE). Tax revenue is the major source of current receipts accounting for 77.24 percent, 71.85 percent and 72.62 percent in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively.

c. The Net Product from Public Administration

• The Net Product from Public Administration sector has been recorded as ₹ 1232794 lakh in 2019-20 (A) which is expected to increase to ₹ 1421593 lakh and ₹ 1525031 lakh in 2020-21 (RE) and 2021-22 (BE), respectively with the growth of 15.31 percent in 2020-21 (RE) and 7.28 percent in 2021-22 (BE). The Net Product from Other Services Sector including education, medical and public health activities has been estimated as ₹ 1684371 lakh in 2019-20 (A) which is expected to mount up to ₹ 1762510 lakh and ₹ 1964453 lakh in 2020-21 (RE) and 2021-22 (BE), respectively.

II. Purpose Classification

- The examination of purpose-wise classification of budgetary expenditure of Administrative Departments reveals that the maximum expenditure to the tune of ₹ 3096406 lakh has been incurred on Economic Affairs and Services accounting for 37.03 percent of total expenditure of ₹ 8360929 lakh in 2019-20 (A) but in 2020-21 (RE) and 2021-22 (BE) it is expected to be maximum in Education Affairs and Services.
- The share of General Public Services is 12.46 percent, 14.74 percent and 15.17 percent during 2019-20 (A), 2020-21 (RE) and 2021-22 (BE).
- The Share of Housing and Community Amenity Affairs and Services, stood at 10.36 percent, 13.71 percent and 13.82 percent in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively.
- The share of Health Affairs and Services is 5.22 percent, 6.56 percent and 6.70 percent in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively.

III. Economic-cum-Purpose Classification

• The analysis shows that out of the total current expenditure of ₹ 7279122 lakh incurred by the Administrative Departments in 2019-20 (A), the maximum expenditure has been incurred on Educational Affairs and Services (25.17 percent) followed by Interest (21.22 percent), Economic Affairs and Services (13.41 percent) and General Public Services (12.86 percent). The minimum expenditure (0.01 percent) has been incurred on Environmental Protection. Similarly, the maximum expenditure is likely to be incurred on Educational Affairs and Services followed by Interest, Economic Affairs and Services and General Public Services and the minimum expenditure is expected to be incurred on Environmental Protection in 2020-21 (RE) and 2021-22 (BE) also.

Out of total capital expenditure of ₹ 2626566 lakh incurred by the Administrative
Departments, the maximum expenditure has been observed in Economic Affairs and
Services accounting for 80.72 percent in 2019-20 (A). Similarly the maximum
expenditure is likely to be incurred on Economic Affairs and Services in 2020-21 (RE)
and 2021-22 (BE).

CHAPTER-I

INTRODUCTION

The Budget of the State Government is the "Annual Financial Statement" which includes the estimated Receipts and Expenditure of the State for every financial year which runs from 1st April to 31st March. The Financial Statement and the Demands for Grant in a Government Budget are drawn up in accordance with the provision of the Constitution and the needs of Legislative control. In modern industrial economies, the budget is considered as the key instrument for the execution of economic policies of the Government. It also serves as an effective tool for ensuring administrative accountability and legislative control and above all, a source for social audit in the present age of information and public awareness. Because Government Budget aims at economic growth in different sectors of the economy, it is a source of rich information for economists, researchers and State Income compilers. Therefore, the budget analysis has come to occupy the central stage in the process of estimation of State Income and Capital Formation of the State.

1.1 Objective of Budget Analysis

The expenditure in the Government Budget is generally classified department-wise in order to secure legislative control, administrative accountability, booking and auditing of any act of spending. Though the budget is divided into revenue and capital accounts, many items of consumption expenditure are included in the capital account and vice-versa. Moreover, these magnitudes shown in the budget are too detailed and scattered and not necessarily based on distinctions and groupings required for understanding the economic significance of various items of revenue and expenditure. For instance, from the study of budget documents as they are, it is not possible to get a clear idea of capital formation out of budgetary resources, savings of the Government and contribution of the Government towards net product from public administration for the estimation of State Income. The Government's transactions are significant only in terms of such items and so, they have to be sorted out, reclassified and re-grouped into meaningful economic categories. Therefore, budget analysis is perceived as a powerful tool to measure and monitor its impact on State Income and related aggregates. It is a process through which aggregates of income and expenditure are culled out by reclassifying data available from budgetary transactions and thereafter correlate them to the major sectors of the economy. At the outset, the reclassified budgetary information of State Government will be integrated with the similar data from other sources on respective sectors for coming out with necessary outputs for use under the State Income accounting.

1.2 Classification of Govt. Expenditure

For the purpose of budget analysis, the Government's expenditure can broadly be classified as economic classification and purpose classification. The economic classification groups together the primary items of consumption expenditure, commodities and services, maintenance, current and capital transfers and capital formation out of budgetary resources whereas the purpose classification groups these items according to the particular purpose or functions it performs such as general public services, education affairs and services, health affairs and services, social security and welfare affairs and services, housing and community amenity affairs and services, cultural, recreational and religious affairs and services, economic affairs and services, etc. These two types of classifications are integrated into "Economic-cum-Purpose Classification" which presents the economic-cum-purpose characteristics of the Government's budgetary transactions in a consolidated statement. The combination of economic and purpose classifications explains how expenditure for a particular purpose is divided between different economic categories and vice-versa. The adoption of economic-cum-purpose classification during the course of budget analysis gives a meaningful presentation of the Government's spending and helps to draw logical conclusions about the same.

1.3 Scope of the Report

The scope of the report is confined to the analysis of budget of the State Government for the Actual Expenditure (A) of 2019-20, Revised Estimates (RE) of 2020-21 and Budget Estimates (BE) of 2021-22.

1.4 Scheme of the Report

The report is presented in five chapters. The analysis of budget as per economic classification has been discussed in chapter II. Chapter III deals with the analysis of budget as per purpose classification, while chapter IV is focused on the compilation of State Income and Capital Formation estimates from budget analysis. Chapter V is devoted to the discussion on economic-cum-purpose classification of budget analysis. The reconciliation statements have been discussed in chapter VI. The explanatory notes pertaining to the accounts and their derivations and purpose categories are kept at the Appendix for the benefit of data users.

CHAPTER-II

ANALYSIS OF BUDGET AS PER ECONOMIC CLASSIFICATION

The National Statistical Office (NSO) prepares the economic classification of the Government Budget and publishes related accounts in the annual publication "National Accounts Statistics" every year. The similar economic classification of the State Government's budgetary transactions is prepared by the Department of Economic & Statistical Analysis, Haryana. The government sector (excluding public sector corporations) can be broadly divided into Administrative Departments and Departmental Commercial Undertakings (DCUs). Administrative Departments comprise government departments/organizations whose function is to produce and provide the community public goods and services which otherwise can not be provided conveniently or economically by the market. Administrative Departments act as an administrative agency for the social and economic policy of the State. The DCUs are un-incorporated enterprises owned, controlled and run directly by the public authorities. The criterion to distinguish enterprises from administrative activity is the use of commercial accounting methods to determine profit and loss and control of productive capital in the form of equipments like plant, machinery, stock etc. For Administrative Departments, both economic and purpose classifications are done whereas for DCUs, only economic classification is done in the budget documents. However, the grant, subsidies, financial assets, loans, etc. shown under the commercial head (DCUs) are classified under the relevant purpose categories.

It is only after reclassification and re-grouping on the lines indicated above that it has been possible to analyse the economic impact of the State Government's budgetary transactions on the rest of the economy. The term "rest of the economy" refers to all the entities other than State Government and includes the Central Government, other State Governments, local bodies, statutory public undertakings, private commercial and non-commercial corporations or companies and individuals. This system of classification is adopted for analysing the economic impact on the rest of the economy. According to this classification, current transactions are distinguished from capital transactions and in both the cases, transactions in goods and services are separated from transfer. The current transactions of DCUs are at par with those of producers, and that of the purely Administrative Departments with those of consumers. Current receipts of the former constitute sale proceeds of goods and services supplied to the rest of the economy while purely Administrative Departments have little or no income of their own and largely rely upon the

income of other sectors to meet their expenditure. Current expenditure of DCUs like working expenses of productive enterprises is intermediate expenses that go to form prices of goods and services supplied. These expenses are different in character from the current expenditure on wages and salaries and goods purchased by the Administrative Departments which are in the nature of consumer outlays and represent demand for goods and services for final consumption.

In economic classification, each transaction of the revenue and expenditure scattered over the budget has been sorted out and reclassified according to the appropriate economic categories in the following tables:-

- 1. Income and Outlay Account of Administrative Departments
- 2. Production Account of DCUs
- 3. Capital Finance Account of the State Government
- 4. Budgetary Expenditure of the State Government
- 5. Borrowing Account of the State Government

2.1 Income and Outlay Account of Administrative Departments

This account deals with the current revenue and expenditure of Government Administrative Departments. All departments, other than those which are commercial in nature, are considered as administrative for the purpose of economic classification. These include organs of the State, collection of taxes, other fiscal services, interest payments and servicing of debts, administrative services like police, jails, supply and disposal, pensions, social security and welfare and relief on account of natural calamities, etc. and economic services like agriculture, animal husbandry, industries, community development, etc. The management of expenditure of various funds like those of famine relief funds, etc is also included. The current expenditure of Administrative Departments consists of the final outlays of Government on current account which represent Government's current consumption. In addition to final outlays, the Government makes transfer payments such as interest, grants, subsidies, etc. to the rest of the economy which are added indirectly to the disposable income of the community. To meet the current expenditure, the Government appropriates a part of the income of the community through a variety of taxes, miscellaneous fees, etc. accrued during the course of administration. In addition, the Government has an investment income from property and entrepreneurship. The Government also receives revenue grants, contributions and recoveries from the Union Government and the rest of the economy. The excess of current receipts over current expenditure denotes the 'Saving' of the government administration available for domestic capital formation. The income and outlay account of Administrative Departments has been analysed in Tables 2.1 to 2.3.

2.1.1 Current Receipts of Administrative Departments

The current receipts of the Administrative Departments show the sources of finance to the Government and also assess the economic implications of government expenditure. The current receipts of the Administrative Departments are estimated as ₹ 8261546 lakh in 2021-22 (BE) as compared to ₹ 7286349 lakh in 2020-21 (RE) and ₹ 6443180 lakh in 2019-20 (A). Thus, the increase in the current receipts is expected to be 13.38 percent in 2021-22 (BE) and 13.09 percent in 2020-21 (RE). Tax revenue is the major source of current receipts. Its share in the total current receipts is expected to be 72.63 percent in 2021-22 (BE) whereas this share was 71.85 and 77.24 in 2020-21 (RE) and 2019-20 (A), respectively. The revenue from the Central Government accounted for 16.33 percent, 21.81 percent and 20.24 percent of the total current receipts in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively. The contribution of income from property and entrepreneurship is estimated to vary from about 3 to 4 percent during the three years. The contribution of fees and miscellaneous receipts in the total current receipts is estimated to 3 percent during the three years.

2.1.2 Disbursement of Administrative Departments

The disbursement of Administrative Departments comprises the consumption expenditure, net interest, subsidies and transfer payment to local authorities and other sectors. The current expenditure of the Administrative Departments is expected to be ₹ 9404697 lakh in 2021-22 (BE) as compared to ₹ 8669923 lakh in 2020-21 (RE) and ₹ 7279122 lakh in 2019-20 (A) thus showing an increase of 8.47 percent in 2021-22 (BE) and 19.11 percent in 2020-21 (RE). The consumption expenditure is estimated as ₹ 3560526 lakh, ₹ 4013640 lakh and ₹ 4453279 lakh contributing 48.92 percent, 46.29 percent and 47.35 percent of total current expenditure in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively. The expenditure on net interest accounted 21.22 percent, 20.51 percent and 21.63 percent in 2019-20(A), 2020-21 (RE) and 2021-22 (BE) of the total current expenditure. The expenditure on subsidies on the total current expenditure is estimated to vary from 5 to 7 percent during the three years. The contribution of current transfer to total current expenditure is recorded as 15.99 percent, 16.81 percent and 16.48 percent during the three years. The expenditure on Inter Government transfers to total current expenditure is estimated to 9 percent during 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively.

2.2 Production Account of DCUs

DCUs may briefly be defined as the agencies engaged in the production and distribution of goods and services that are meant for marketing. As a result, the DCUs are expected to function like any commercial organization and meet most of their costs from their sale proceeds. However, it does not include independent statutory corporations and boards set up by the State Government and hence, these are excluded from the purview of DCUs. Thus, the Departmental Enterprises (DEs) or government trading enterprises may briefly be defined as government agencies producing commodities and services, that are not provided free of charge. The operation of these enterprises are in the nature of entrepreneurial activities of Government. Current expenditure of these enterprises like working expenses of productive enterprises, constitutes intermediate expenditure that enters into prices of commodities and services, as these are sold to other sectors of the economy. Hence, expenditure of these enterprises is different in character from final outlays of Administrative Departments which have no income of their own and depend upon the incomes of other sectors to meet their expenditure. Other main characteristics of DCUs are:-

- i) DEs are subject to market forces i.e., demand and supply.
- ii) The activities of such enterprises are subordinate to legislative control and are owned, run and managed by the Government.
- iii) The intention to make profit is not the essential characteristic and the activities of such enterprises may be carried on deliberately at a loss.
- iv) The operation of DEs usually involves the use of expensive capital equipment and the holding of stocks which may be subject to large fluctuations and the provision for depreciation may, therefore, be a significant element in the total cost of operations.
- v) Commercial accounting methods have to be used to determine the profit or loss.
- vi) To maintain their operations, DEs must give and receive commercial credit.

The expenditure side of production account consists of wages and salaries, purchase of goods and services (including maintenance & repairs), interest, consumption of fixed capital (CFC) and profits as items of current expenditure of DCUs. The loss of these departments is treated as subsidy and is shown as imputed charges on revenue side of the account along with sale proceeds. The departments of Irrigation, Education (only sale of text books), Road Transport. Forests and Printing & Stationery have been classified as DCUs in Haryana State.

The net surplus of DCUs indicates their financial health. The net surplus of DEs is the excess of gross receipts over operating expenses. This is taken as profit to income and outlay account of Administrative Departments of the State Government. The shortfall in current receipts in comparison to the operating expenses is balanced by the imputed subsidy. The production account of DCUs has been analysed in **Tables 2.4 and 2.5**. In 2019-20 (A), the expenditure of DCUs was ₹ 391449 lakh in comparison to the commercial receipts of ₹ 131010 lakh resulting in the shortfall of ₹ 260439 lakh. This shortfall of ₹ 260439 lakh has been balanced by the imputed subsidy. The burden of imputed subsidy of ₹ 260439 lakh is estimated to decreased to ₹ 225129 lakh in 2021-22 (BE).

2.3 Capital Finance Account of the State Government

This account deals with the total capital formation by the State Government Administration and DCUs taken together alongwith capital transfer payments which are made mostly for assisting capital formation in the rest of the economy. The capital expenditure of Government Administration and DCUs are given separately whereas, the sources of finance are common to both. The receipts and expenditure are two parts of this account. The capital finance account has been examined in **Table 2.6**.

- **2.3.1** Receipts of Capital Account: This part deals with the financing of the capital formation from different sources. CFC, capital transfers, net borrowings, other liabilities and savings are the sources of financing of this account. CFC is brought over from production account of DEs. Net borrowings include items like internal debt, small savings, provident funds etc. Other liabilities include net extra budgetary borrowings and less net purchase of financial assets. The savings/surplus on current account are directly taken from income and outlay account of Administrative Departments. The total receipts under this account in 2019-20 (A) have been recorded as ₹ 2030802 lakh which is expected to decrease to ₹ 1140259 lakh reflecting the negative growth of 43.85 percent in 2020-21 (RE). But it increased to ₹ 1718568 lakh in 2021-22 (BE) with the growth of 50.72 percent. The net budgetary borrowings are the most important source of financing under this account.
- **2.3.2 Expenditure of Capital Account:** The expenditure under capital finance account has been examined for Administrative Departments and DCU's separately. The capital outlay, net purchase of physical assets and change in stock are the common items of expenditure in both Administrative Departments and DCU's. However, one more item of expenditure i.e. capital

transfers is included under Administrative Departments. The capital transfers cover grants to finance the construction of buildings, purchase of machinery and equipments for public works, water supply, sewerage disposal scheme, etc. The capital transfers are also made to assist capital formation in other sectors of the economy. The amount to the tune of ₹ 1911528 lakh, ₹ 1062305 lakh and ₹ 1552365 lakh has been estimated to be spent by the Administrative Departments accounting for 94.13 percent, 93.16 percent and 90.33 percent of the total expenditure of ₹ 2030802 lakh, ₹ 1140259 lakh and ₹ 1718568 lakh under capital finance account in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively. The amount tune of ₹ 119274 lakh, ₹ 77954 lakh and ₹ 166203 lakh has been estimated to spent by the Departmental Enterprises during 2019-20 (A), 2020-21 (RE) and 2021-22 (BE).

2.4 Budgetary Expenditure of the State Government as per Economic Classification

The budgetary expenditure of the State Government has been bifurcated in the two categories of Administrative Departments and DCUs. The budgetary expenditure of the State Government has been analysed in **Table 2.7**. The total expenditure of the State Government is expected to be ₹ 11332310 lakh in 2021-22 (BE) as compared to ₹ 10277841 lakh in 2020-21 (RE) and ₹ 10416411 lakh in 2019-20 (A). The total expenditure is likely to increase by 10.26 percent in 2021-22 (BE) over 2020-21 (RE) whereas it decreased to 1.33 percent in 2020-21 (RE) over 2019-20 (A). Out of the total expenditure of the State Government, the expenditure of Administrative Departments is estimated as 95.10 percent, 94.95 percent and 94.12 percent whereas the expenditure of DCUs is recorded as 4.90 percent, 5.05 percent and 5.88 percent during 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively.

2.4.1 Budgetary Expenditure of Administrative Departments

The items of expenditure of Administrative Departments are consumption expenditure, current transfers, gross capital formation, capital transfers, purchase of financial assets, loans and advances and net purchase of physical assets. The consumption expenditure of the Administrative Departments is estimated as ₹ 4453279 lakh in 2021-22 (BE) as against ₹ 4013640 lakh in 2020-21 (RE) and ₹ 3560526 lakh in 2019-20 (A). The share of consumption expenditure in the total expenditure of State Government ranged from about 34 to 39 percent during the three years. The consumption expenditure of the Government is likely to increase by 10.95 percent in 2021-22 (BE) over 2020-21 (RE) whereas it increased by 12.73 percent in 2020-21 (RE) over 2019-20 (A). The current transfers which also include subsidies and interest payments are

estimated as ₹ 4951418 lakh in 2021-22 (BE) as against ₹ 4656283 lakh in 2020-21 (RE) and 3718596 lakh in 2019-20 (A). The current transfers are likely to increase by 6.34 percent in 2021-22 (BE) over 2020-21 (RE) whereas this increase is recorded as 25.22 percent in 2020-21 (RE) over 2019-20 (A). The contribution of current transfers is recorded as 35.70 percent, 45.30 percent and 43.69 percent in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively. The gross capital formation i.e. investment in buildings, roads & other constructions, purchase of Machinery & equipment, etc. by Administrative Departments is expected to be ₹ 654450 lakh in 2021-22 (BE) as against ₹ 281474 lakh in 2020-21 (RE) and ₹ 1032336 lakh in 2019-20 (A). The contribution of this item in the total expenditure of the State Government is estimated as 9.91 percent, 2.74 percent and 5.77 percent during 2019-20 (A), 2020-21 (RE) and 2021-22 (BE) respectively. The capital transfers are estimated to be ₹ 887949 lakh in 2021-22 (BE) as against ₹ 775986 lakh in 2020-21 (RE) and ₹ 870982 lakh in 2019-20 (A). The capital transfers are estimated to decrease by 10.91 percent in 2020-21 (RE) but it increase by 14.43 percent in 2021-22 (BE). The contribution of loans and advances in the total expenditure of the State Government is estimated as 1.26 percent in 2019-20 (A) and it decreased to 1.07 percent in 2020-21 (RE) but in 2021-22 (BE) it increased to 1.09 percent. The expenditure towards net purchase of financial assets and net purchase of physical assets taken together accounted for 5.69 percent, -0.76 percent and -3.57 percent of the total budgetary expenditure of the State Government in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively.

2.4.2 Budgetary Expenditure of DCUs

The items of expenditure of DCUs are purchase of goods and services, compensation of employees, CFC, interest, gross capital formation and net purchase of physical assets. The expenditure on purchase of goods and services in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE) is estimated as ₹ 122593 lakh, ₹ 117174 lakh and ₹ 123180 lakh, respectively reflecting the negative growth of 4.42 percent in 2020-21 (RE) but it shows 5.13 percent growth in 2021-22 (BE). The contribution of this item is recorded as 1.18 percent, 1.14 percent and 1.09 percent of the total expenditure of State Government in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively. The expenditure on compensation of employees in 2019-20 (A) is recorded as ₹ 186433 lakh which is likely to increase to ₹ 251142 lakh and ₹ 304586 lakh in 2020-21 (RE) and 2021-22 (BE), respectively reflecting the growth of 34.71 percent in 2020-21 (RE) and 21.28 percent in 2021-22 (BE). This item accounted for 1.79 percent,

2.45 percent and 2.69 percent in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively. The expenditure towards CFC,interest, gross capital formation and net purchase of physical assets taken together accounted for 1.93 percent, 1.46 percent and 2.10 percent of the total budgetary expenditure of the State Government in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively.

2.5 Borrowing Account of the State Government

This account comprises 'Borrowing at Home' and 'Extra Budgetary Receipts' taken from the Annual Financial Statement. The items included in 'Borrowing at Home' are internal debt, small savings, provident funds etc. The items in 'Extra Budgetary Receipts' are loans from Government of India, loans and advances by State Government, Inter-State settlement, contingency fund, reserve funds, deposits and advances, suspense and miscellaneous, remittances, cash balances and CFC. Besides these, there are some funds maintained by the Government like famine relief fund, road fund etc. which are also covered here under the heads revenue, capital and commercial accounts. The borrowing account of the State Government has been shown in **Table 2.8.**

Under the component 'Borrowing at Home', the total receipts have been recorded as ₹ 4799955 lakh as compared to the expenditure of ₹ 1793453 lakh resulting in the net receipts of ₹ 3006502 lakh during the year 2019-20 (A). The net receipts decreased to ₹ 1610166 lakh in 2020-21 (RE) with the negative growth of 46.44 percent over 2019-20 (A) but it increased to ₹ 3183521 lakh with the growth of 97.71 percent in 2021-22 (BE) over 2020-21 (RE). Under the component, 'Extra Budgetary Receipts', the total receipts in 2019-20 (A) are estimated as ₹ 12756777 lakh against the expenditure of ₹ 12316809 lakh in showing the net receipts of ₹ 439968 lakh. In 2020-21 (RE) the net receipts also expected to be ₹ 826203 lakh.

CHAPTER-III

ANALYSIS OF BUDGET AS PER PURPOSE CLASSIFICATION

The objective of the purpose classification is to reclassify expenditure in accordance with the immediate or short term social needs of the State and it relates only to General Government excluding DCUs. The DCUs are engaged in the production and distribution of goods and services that are meant for marketing. As a result, these DCUs are expected to function like any commercial organization. Therefore, the budgetary expenditure in accordance with the social needs of the State relates only to General Government excluding DCUs.

The budgets are presented under a few standard account heads of the functional character such as education, health, agriculture, industries, defence, etc. The expenditure shown under these account heads are not strictly in accordance with the principle of purpose classification. For instance, expenditure on medical colleges and other educational institutions is generally shown under account head 'Medical', expenditure on water supply is shown under 'Public Health' and so on. Further, there are various account heads which pertain to many purpose categories such as Public Works Department, Community Development, National Extension Services, Co-operation, etc. The expenditure under these heads is not confined to a single purpose category. It becomes, therefore, essential to classify these heads of expenditure afresh. The purpose classification presented in this document is broadly in conformity with the United Nations' recommendations. The entire expenditure of the State Government has been broadly divided into ten major categories. The major categories are (i) General Public Services (ii) Defence (iii) Education Affairs and Services (iv) Health Affairs and Services (v) Social Security and Welfare Affairs and Services (vi) Housing and Community Amenity Affairs and Services (vii) Cultural, Recreational and Religious Affairs and Services (viii) Economic Affairs and Services (ix) Environmental Protection and (x) Relief on Calamities. **Tables 3.1 and 3.2** present the analysis of functional/ purpose classification of the State Government's budgetary expenditure for the years 2019-20 (A), 2020-21 (RE) and 2021-22 (BE).

The analysis of purpose-wise classification of budgetary expenditure of Administrative Departments reveals that the maximum expenditure to the tune of ₹ 3096406 lakh has been incurred on Economic Affairs and Services accounting for 37.03 percent of total expenditure of ₹ 8360929 lakh in 2019-20 (A). But in 2020-21 (RE) and 2021-22 (BE) the maximum expenditure incurred on Education Affairs and Services.

The maximum expenditure has been estimated to be incurred on Electricity, Gas, Steam and Other Sources of Energy in 2019-20 (A) and 2020-21 (RE) but in 2021-22 (BE) it is maximum in Agriculture, Forestry, Fishing and humbly among the items of Economic Affairs and Services. The share of General Public Services is 12.46 percent, 14.74 percent and 15.17 percent during the three years. The Share of Housing and Community Amenity Affairs and Services, stood at 10.36 percent, 13.71 percent and 13.82 percent in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively. The share of Health Affairs and Services is 5.22 percent, 6.56 percent and 6.70 percent in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively.

CHAPTER - IV

COMPILATION OF STATE INCOME AND CAPITAL FORMATION

As already explained in the previous chapters that the estimates of State Income and related aggregates in public sector are worked out by the analysis of budgetary transactions of State Government budget. These estimates are compiled strictly as per the methodology suggested by the NSO. In this chapter, an attempt has been made to compile the estimates of State Income and Capital Formation on the basis of analysis of State Government budget.

4.1 Estimates of State Income

Firstly, the estimates of Net Product are compiled for State Administration and DCUs separately. Thereafter, the CFC supplied by the NSO is added to Net Product to get Gross Value Added (GVA) in case of State Administration. In case of DCUs, depreciation available from the budget analysis is added to Net Product to compile GVA. However, the analysis of State Income estimates for Administrative Departments is made only on the basis of Net Product in this report as the figures of CFC are not available at the time of budget analysis.

4.1.1 Estimates of State Income from Administrative Departments

The compensation of employees for public administration constitutes Net Product from Administrative Departments. Compensation of employees comprises the remuneration of government employees such as salaries/pay, wages, allowances and honorarium other than traveling and daily allowances, contributions to provident fund by the Government as well as all pension payments to government employees and benefits. The benefits include expenditure on social benefits viz. medical and educational e.g. medical charges and reimbursement of medical expenditure and other benefits (LTC) in cash. The items like compassionate allowance, family pension, leave encashment, gratuities, commuted value of pension and other retirement benefits currently given under the account head '2071' are also covered under this category. The payments in kind e.g. cost of liveries and uniforms, ration supplied to the police personnel etc. are treated as benefits in kind. It is also pointed out that the total pension shown in the budget is proportionately distributed in to Public Administration and Departmental Enterprises. The estimates of Net Product from Public Administration have been given in **Table 4.1**.

The Net Product from Public Administration sector has been recorded as ₹ 1232794 lakh in 2019-20 (A) which is expected to increase to ₹ 1421593 lakh and ₹ 1525031 lakh in 2020-21 (RE) and 2021-22 (BE), respectively with the growth of 15.31 percent in 2020-21 (RE) and 7.28 percent in 2021-22 (BE). The Net Product from Other Services Sector including education, medical and

public health activities has been estimated as ₹ 1684371 lakh in 2019-20 (A) which is expected to mount up to ₹ 1762510 lakh and ₹ 1964453 lakh in 2020-21 (RE) and 2021-22 (BE), respectively.

4.1.2 Estimates of State Income from DCUs

The Net Product of DCUs is worked out by adding compensation of employees, interest, rent, rate, taxes and profits. The depreciation available from the budget analysis is then added to Net Product to compile GVA/gross product of DCUs. The estimates of gross product from DCUs have been given in **Tables 4.2 to 4.4**. The gross product of DCUs in 2019-20 (A) has been estimated as ₹ 275128 lakh out of which the maximum product has been estimated in Road Transport (₹ 164762 lakh) sector followed by Irrigation (₹ 90555 lakh), Forest (₹ 17388 lakh) and Manufacturing (₹ 2423 lakh) sectors. The gross product in 2019-20 (RE) and 2020-21 (BE) is expected to be ₹ 328138 lakh and ₹ 383134 lakh, respectively. Again, the maximum product is likely to be estimated in Transport sector during these two years.

4.2 Estimates of Gross Capital Formation

Capital Formation of a State is defined as that part of State's current output and imports which is not consumed or exported during the accounting period but is set aside as an addition to its stock of capital goods. Gross Capital Formation (GCF) can be broadly classified into Gross Fixed Capital Formation (GFCF) and change in stock of raw materials. GFCF represents the gross value of the goods which are added to the domestic capital stock of the State during the year. It comprises the expenditure on the acquisition as well as own account production of fixed assets. The change in stocks represents the value of the physical change in raw materials, work-in-progress (other than the work-in-progress in buildings which are included in fixed capital formation) and finished products, which are held by DCUs and in government stockpiles. In case of Administrative Departments, the stocks are held (i) in the nature of policy stocks like food, fertilizers etc. and (ii) work stores under the civil works departments which consist of cement, bricks, steel etc. The purchases or additions less sales/ withdrawals during the year, as given in the detailed demands for grants are taken as change in stock.

The source-wise financing for capital formation by the State Government and the expenditure incurred by State Government Administration and DCUs on capital formation has already been discussed under Capital Finance Account of State Government in Chapter II. However, an analysis has been made in this chapter to examine the capital formation in respect of use of industries and type of assets. The GFCF has been examined by type of industry i.e. water

supply, sanitation, construction, education, health and public administration. The GFCF has been classified into the following assets in the new series with base year 2011-12:-

I Construction

- i) Dwelling
- ii) Other Building and Structures
 - a) Non-Residential Building
 - b) Other Structures
 - c) Land Improvement
 - d) Roads & Bridges

II Machinery and Equipments

- i) Transport Equipments
- ii) ICT Equipment
- iii) Other Machinery and Equipment
- iv) Weapons Systems

III Cultivated Biological Resources

- i) Animal Resources Yielding Repeat Products
- ii) Tree, Crop and Plant Resources Yielding Repeat Products

IV Intellectual Property Products (IPP)

- i) Research and Development
- ii) Mineral Exploration and Evaluation
- iii) Computer Software & Databases
- iv) Entertainment, Literary of Artistic Originals
- v) Other IPP

The GFCF from dwellings and non-residential buildings includes all expenditure on new construction and major alterations to residential and non-residential buildings during the year. It includes construction costs of the buildings together with cost of external and internal fixtures during the year. In the remaining assets under construction, the expenditure incurred on land improvement, roads and bridges and other structures is covered. The GFCF from transport equipments includes the expenditure incurred on purchase of various equipments such as buses, jeeps, trucks, tractors etc. The item of other machinery and equipments covers the expenditure incurred on the purchase of various machines, such as power generating machinery, agricultural machinery and implements/instruments used by professional men. The item of ICT covers the expenditure incurred on information, computer and telecommunication equipments. The item of tree, crops and plant resources cover the plantations, orchards and other cash crops having life of more than one year. The GFCF from animal covers the animal stock such as horses, camels etc. prevalent in particular defence services and other departments concerned with security and animal

Husbandry departments. The GFCF from IPP covers the expenditure incurred on research and development, mineral exploration and evaluation, computer software and databases, entertainment, literary of artistic originals and other IPP.

4.2.1 Capital Formation of General Government

The industry-wise and asset-wise analysis of capital formation of General Government has been given in Tables 4.5 to 4.7. The tables indicate that the GCF of General Government has been estimated as ₹ 1032336 lakh, ₹ 281474 lakh and ₹ 654450 lakh in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively. The GFCF or total new outlay of General Government has been estimated as ₹ 679001 lakh, ₹ 697245 lakh and ₹ 973350 lakh in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively recording the growth of 2.69 percent in 2020-21 (RE) and 39.60 percent in 2021-22 (BE). Out of total GFCF of General Government, the maximum expenditure is estimated to be incurred on construction of dwellings and other building and structures accounting for 91.66 percent, 90.05 percent and 92.10 percent in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively. The second highest expenditure is estimated to be incurred on machinery and equipments contributing 7.07 percent, 8.93 percent and 7.09 percent of total GFCF in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively. The industry-wise analysis of capital formation reveals that maximum GFCF has been generated in Public Administration & Defence sector (₹ 463720 lakh) followed by Water Supply (₹ 95697 lakh), Education (₹ 67853 lakh), Health (₹ 23988 lakh), Sanitation (₹ 21892 lakh) and construction (₹ 5851 lakh) sectors in 2019-20 (A). Similarly, the maximum GFCF has been generated in Public Administration & Defence sector in 2020-21 (RE) and 2021-22 (BE).

4.2.2 Capital Formation of DCUs

The industry-wise and asset-wise analysis of capital formation of DCUs has been given in Tables 4.8 to 4.10. The Table indicates that the GCF of DCU's has been estimated to be 158702 lakh in 2021-22 (BE) as against 73304 lakh in 2020-21 (RE) and 116821 lakh in 2019-20 (A). The examination of capital formation of DCUs shows that GFCF or total new outlay has been recorded as ₹ 116774 lakh in 2019-20 (A) which is increased to ₹ 120084 lakh in 20120-21 (RE) with the growth of 2.83 percent. The GFCF is expected to increase to ₹ 198222 lakh with the growth of 65.07 percent in 2021-22 (BE). The asset-wise comparison of GFCF shows that the maximum expenditure has been incurred on construction (₹ 74920 lakh) followed by machinery and equipments (₹ 41786 lakh) in 2019-20 (A). Similarly, the maximum expenditure is expected to be incurred on construction followed by machinery and equipments in 2020-21 (RE) and 2021-22 (BE). The industry-wise analysis indicates that the GFCF in Crops sector has been estimated as ₹ 104072 lakh, ₹ 107085 lakh and ₹ 165627 lakh accounting for 89.12 percent, 89.18 percent and 83.56 percent of total GFCF in 2019-20 (A), 2020-21 (RE) and 2021-22 (BE), respectively.

CHAPTER-V

ECONOMIC-CUM-PURPOSE CLASSIFICATION OF BUDGET ANALYSIS

The economic and purpose classifications have been combined into a single two-way cross-classification by significant economic and purpose categories. This classification shows how expenditure for a particular purpose is divided between economic categories such as current expenditure on goods and services, capital formation and various types of transfers and loans. It also shows how expenditure in a particular economic category is divided according to different purposes or types of services provided by the Government. The Economic-cum-Purpose Classification of transactions provides macro-economic data. It is useful mostly at the policy formulation level and enables the decision makers to review the pattern of resource allocation and its impact on rest of the economy. Such a cross-classification of the Government's budgetary expenditure is useful in drawing up a programme of projected expenditure covering a period of years and evaluating the progress of actual expenditure. The present Economic-cum-Purpose classification of State Government's budgetary transactions relates to the years 2019-20 (A), 2020-21 (RE) and 2021-22 (BE). The expenditure on each service has been classified horizontally into different economic categories and vertically into functional categories in **Tables 5.1 to 5.3**.

The analysis shows that out of the total current expenditure of ₹7279122 lakh incurred by the Administrative Departments in 2019-20 (A), the maximum expenditure has been incurred on Educational Affairs and Services (25.17 percent) followed by Interest (21.22 percent), Economic Affairs and Services (13.41 percent) and General Public Services (12.86 percent). The minimum expenditure (0.01 percent) has been incurred on Environmental Protection. Similarly, the maximum expenditure is likely to be incurred on Educational Affairs and Services followed by Interest, Economic Affairs and Services and General Public Services and the minimum expenditure is expected to be incurred on Environmental Protection in 2020-21 (RE) and 2021-22 (BE) also. Out of total capital expenditure of ₹ 2626566 lakh incurred by the Administrative Departments, the maximum expenditure has been observed in Economic Affairs and Services accounting for 80.72 percent in 2019-20 (A). Similarly the maximum expenditure is likely to increased in Economic Affairs and Services in 2020-21 (RE) and 2021-22 (BE). In the remaining activities/services of purpose classification, the expenditure varied from about 0 to 21 percent of total capital expenditure during the three years.

CHAPTER-VI

RECONCILIATION STATEMENTS

A reconciliation of the figures of revenue and expenditure given in the budget (Financial Statement) and in the Economic-cum-Purpose classification has been done. The various adjustments made in the classification to arrive at the figures mentioned in the Financial Statement are spelt out in detail in **Tables 6.1 and 6.2**.

It is obvious from Table 6.1 that the adjustment of ₹ 342633 lakh has been made in order to reconcile the figure of ₹ 6443180 lakh of current revenue as compiled in the economic classification with the corresponding figure of ₹ 6785813 lakh as shown in the Financial Statement of the budget in 2019-20 (A). The adjustment to the tune of ₹ 327175 lakh and ₹ 511776 lakh is expected to be made to reconcile the figures of current revenue of economic classification with the corresponding figures of Financial Statement in 2020-21 (RE) and 2021-22 (BE), respectively. Table 6.2 further reveals that the amount of ₹ 1543479 lakh has been adjusted to reconcile the expenditure of ₹ 10416411 lakh as compiled in the Economic-cum-Purpose classification with the corresponding figure of ₹ 11959890 lakh as shown in the Financial Statement of the budget in 2019-20 (A). The adjustment amounting to ₹ 3495988 lakh and ₹ 4232235 lakh is expected to be made to reconcile the figures of expenditure of Economic-cum-Purpose classification and Financial Statement of the budget in 2020-21 (RE) and 2021-22 (BE), respectively.

APPENDIX

DEFINITIONS OF SOME ITEMS USED IN ECONOMIC CLASSIFICATION

- 1. Income from Entrepreneurship and Property: This flow records the income receivable by the State Government from DCUs as well as the net rent and dividends accruing to it from the ownership of buildings and financial assets.
- **2. Production Taxes:** Production taxes is received on the factors of production i.e. land, labour or capital, irrespective of the volume of production. A list of production taxes is given below:
 - i) Stamps and Registration
 - ii) Land Revenue
 - iii) Estate Duty
 - iv) Banking and Cash Transaction Tax
 - v) Receipts under Indian Motor Vehicle Act
 - vi) Other Taxes and Duties on Commodities and Services (some part is product tax)
 - vii) Fringe Benefit Tax
- **3. Product Taxes:** A tax on a product that is receivable per unit of some good or service. A list of product taxes is given below:
 - i) Hotel Receipt Tax
 - ii) Interest tax
 - iii) Other Taxes on Income and Expenditure (some part is production tax)
 - iv) Customs
 - v) Union and State Excise Duties
 - vi) Taxes on Sales, Trade, etc.
 - vii) Receipts under State Motor Vehicle Act
 - viii) Taxes on Goods and Passengers
 - ix) Taxes and Duties on Electricity
 - x) Service Tax
- **4.** Taxes on Income and Wealth: A list of taxes on income and wealth is given below:
 - i) Corporation Tax
 - ii) Taxes on Income other than Corporation Tax
 - iii) Taxes on Agricultural Income
 - iv) Taxes on Wealth
 - v) Gift Tax
 - vi) Security Transaction Tax
 - vii) Taxes on Immovable Property other than Agricultural Land

- **5. Miscellaneous Receipts:** These receipts are in the nature of fees, fines and forfeitures.
- **Revenue Transfers:** These are revenue grants and contributions mostly from other public authorities such as transaction from Centre to State or inter-State transactions.
- **7. Goods and Services:** This includes all contingent expenditure such as office supplies, rent, rates and taxes, fuel and light, printing, travel expenses, telephone and telegraph charges and other items of current operations less sales of goods and services by general government to enterprises and households. The whole expenditure on current repairs and maintenance and all payments/charges for services rendered for other agencies/departments are included under this item.
- **8. Maintenance:** It is the expenses towards maintenance of buildings, roads, machinery, etc.
- **9. Interest:** Interest payments comprise interest on public debt and other obligations other than commercial debt. The interest paid to or received from other public authorities is shown separately. The interest received from DCUs appears as a payment item in 'Production Account of DCUs'. This item, therefore, is deducted from both interest received and interest paid so that there is no double counting.
- 10. Subsidies: The subsidies are the grants on current account, which the entrepreneur receives from the Government. These may take the form of direct payments to producers for differentials between the buying and selling prices of Government trading organisations. All current transfers to public corporations, irrespective of the fact that whether these are made to maintain the price level or for other purpose are treated as subsidies. The rebate on the sale of handloom cloth, loss on the sale of fertilizers, improved seeds, pesticides and agricultural implements, loss suffered by the co-operative societies, etc. are also treated as subsidies. The subsidies are classified into production and product subsidies.
 - i) Production subsidy is paid on the factors of production viz. land, labour or capital, irrespective of the volume of production.
 - ii) Product subsidy is payable per unit of some good or service. The losses by the DCUs e.g.Irrigation, Transport, Forest, etc. are to be treated as imputed subsidies.
- 11. Current Transfers: Current transfers or grants may be classified under the three main categories. These can be paid firstly to other governments like Central Government, other State Governments and Local Authorities, secondly to the rest of the world (foreign) and thirdly to other sectors including households (grants to aided schools, scholarships and stipends, benefits for welfare of the weaker sections of the society etc.), private institutions and autonomous bodies.

NOTES ON PURPOSE CATEGORIES

ADOPTED BY NATIONAL STATISTICAL OFFICE (NSO) GOVERNMENT OF INDIA

1. General Public Services

1.1 General Administration, External Affairs, Public Order and Safety

1.1.1 Public Order and Safety

Organs to maintain internal order viz. expenditure on Ministry of Home Affairs, Police Department including Fire Protection, Traffic Police. This includes expenditure on prisons, jails, lockup and other places of detention and correction/reformatory schools, Intelligence Department., District and Sub-Divisional establishments, judicial system viz. expenditure on Ministry of Law, Law Courts, Administrative Tribunals registrations of legal titles of properties. This includes expenditure on general legal tribunals, transfer payments for legal aid to households and private non-profit institutions. Operation of regular and auxiliary police forces of port, border and coast guards.

1.1.2 Planning and Statistical Activities

Niti Ayog, National Statistical Office, State Statistical Bureaus. etc. including administration and operation of overall economic and social planning. But excludes services connected with a specific function (to be classified according to function).

1.1.3 General Administration, Public Order and Safety n.e.c.

Organs of government viz. expenditure on President, Governors including his staff, library, research and other facilities. District and other Sub-Divisional establishments, Parliament and State Legislature including expenditure for Ministries (pay, allowances, TA, expenditure on elections), Offices serving government as a whole viz. expenditure of Department of Personnel, financial affairs and fiscal administration viz. expenditure on Ministry of Finance i.e. Department of Revenue, Department of Expenditure, cost of collection of taxes and revenue like Income Tax Department. Customs Departments, Excise Department, Land Revenue, Department of Land Record Survey and Settlements (but not consolidation of holdings) expenditures on Audit Department. This also includes gold control administration, national saving schemes, state lotteries etc.

This also includes expenditure on operation and maintenance of government buildings, control of general pool government quarters (but not construction of quarters), printing and stationery, expenditure pertaining to all departments, purchase and disposal office serving all the departments, Publicity and Publication Departments, serving whole of the government (i.e. Publication Department Division, Press Information Bureau, Audio Visual Scheme), Central motor vehicle pools etc. Permanent and ad-hoc commission on behalf of general administration viz. expenditure on pay commission, inter state water disputes etc.

1.2 General Research

Institutions and organizations engaged in basic and general research and promotions of such research and in general scientific knowledge and endeavors. This covers expenditure of the Department of Science and Technology, Department of Electronics, Institute of Economic Growth, Anthropological and Botanical and Zoological Surveys (but-not gardens), Archaeological Departments, National Archives (but excluding archeological gardens) standing commission for scientific and technical terminology, preparation of encyclopedia, grants to American Studies and Research Centre, India International Centre, Ford and Rockefeller Foundation etc.

2. Defence

Central administration and research in connection with activities carried on for defence purposes namely, expenditure on Ministry of Defence, Defence Science Organisation, Defence Production units. Military and civil defence viz. all types of expenditure for Armed Forces, Army, Navy and Air Force, their recruitment equipment moving, feeding, clothing, medical aid, housing including quarters for their family members, military construction, inspection, transport and storage, expenditure on military schools, training of civil defence personnel, expenditure on Home Guards and Border Security Force, etc.

Military aid to other countries i.e. expenditure for providing military aid to other countries, military alliances, contribution to international military organization or groups.

3. Education Affairs & Services

Each of the Categories (3.1 or 3.2) are sub-divided into the following four minor groups and they are self explanatory.

3.1 Administration, Regulation and Research

Administration of Ministries or Central Departments of education i.e. expenditure of the Department of Education, Directorate of Education etc.

General regulation and promotion of school system, institutions of higher learning and adult and other educational activities i.e. expenditure on Board of Higher Secondary Education, University Grants Commission. Research into objectives, organisations, administration and methodology of all types of education i.e. grants to national Council of Education Research and Training, Commission to study educational system, expenditure on production of text books, collection of educational statistics etc.

3.1.1 Primary Education Affairs

3.1.2 Secondary Education Affairs

3.1.3 Higher Secondary and University Education Affairs

3.1.4 Education Affairs

3.2 Schools, Universities and Institutions including Subsidiary Services

Educational services i.e. all types of expenditure for primary and secondary schools, colleges, universities, technical training institutes like medical colleges and schools (including attached hospitals), nursing colleges/schools, veterinary colleges/schools, engineering colleges, art colleges/schools, music colleges and schools etc. This includes all expenditure on education for backward classes, adult education, education for displaced persons, non-custodian type schools for deaf, dumb and blind. Items of expenditure, like introduction of Hindi in Universities, development of Sanskrit education, Central Institute of Fisheries Education, Marine Engineering Training Schools etc., are also included. Expenditure on custodian type schools for deaf, dumb and blind is, however, excluded and grouped under welfare services (Class-5). Expenditure for development of any language like development of Sanskrit, development of Hindi etc., are also excluded and classified as cultural services (Class-7).

Scholarships for education and research i.e. all type of scholarships for study in schools, colleges, universities or for research in any subject in India or abroad including payment of maintenance allowances for students doing research or study (This does not include maintenance allowance for in service trainees).

Loans or grants for education i.e. grants to universities, colleges, schools, educational institutions or to individuals. Subsidiary educational services i.e. expenditure for mid-day meals for students, free transport to attend schools, colleges etc., or free supply of textbooks or any other facilities to attract attendance in schools.

- 3.2.1 Primary Education Services
- 3.2.2 Secondary Education Services
- 3.2.3 Higher Secondary and University Education Services
- 3.2.4 Educational Services n.e.c.

4. Health Affairs & Services

4.1 Administration, Regulation and Research

Administration of Ministries and similar Department for Health i.e. expenditure of Department of Health. Administration of National Health Schemes i.e. expenditure for medical insurance schemes. Expenditure for regulation of hospitals, medical and dental clinics, doctors, dentists, nurses and mid-wives. This includes expenditure of Directorate of Health Services, expenditure for drug control, Central Drug Laboratory etc.

Medical, dental and health research i.e. expenditure on and grants to Research Institute like All India Institute of Medical Science, National Institute of Communicable Diseases, All India Institute of Physical Medicine and Rehabilitation, Institute of Public Health etc.

Registration of information on vital events, diseases i.e. expenditure for registration of births and deaths, expenditure for collection, analysis and research on vital statistics. This includes a part (vital statistics) of the office of the Registrar General.

- 4.1.1 Allopathic
- 4.1.2 Homoeopathic
- 4.1.3 Ayurvedic
- 4.1.4 Unani
- 4.1.5 Other Medical Services

4.2 Hospitals, Clinics and Other Health Services

Hospitals and dispensaries, all expenditure on hospitals, dispensaries, health clinics including insane asylums and care of mentally challenged persons. These include expenditure on drugs supplied, provisions of appliances, cost of construction and maintenance of hospitals, dispensaries and their development. Expenditure on Central Government Health Scheme (CGHS), Employees State Insurance (ESI) is also included here. Child welfare services i.e. expenditure on child and mothers care, maternity benefits, child welfare clinics, institutions/homes for child and maternity homes, family welfare services, i.e. expenditure on family planning and applied nutrition programme.

Medical and health schemes i.e., expenditure on drugs and appliances of National Health Scheme or programme for immunization, vaccination and other expenditure for eradication of epidemic diseases like Malaria Control Programme, Filaria Control Programme etc. Loans and grants for medical or health purposes to private hospitals, clinics, health centres, other bodies and individual doctor.

- 4.2.1 Allopathic
- 4.2.2 Homoeopathic
- 4.2.3 Ayurvedic
- 4.2.4 Unani
- 4.2.5 Other Medical Services

5. Welfare Affairs & Services

5.1 Social Security Affairs & Services

Expenditure on unemployment benefits, old age pensions, accident injury and sickness compensation and other benefits, to compensate loss in income. This includes expenditure on personal injuries, compensation insurance schemes, State Insurance Schemes, grants to Life Insurance Corporation etc.

5.2 Social Welfare Services

It includes administration i.e. expenditures on Department of Social Welfare, Department of Family Planning etc. (excluding hospitals and dispensary).

Public relief i.e. expenditure on civil supply or rationing systems, subsidies food schemes, etc.

Family Welfare Services, i.e. expenditure on guardians and widows' allowances, and orphanages etc.

Care of aged, disabled persons i.e. expenditure and grants to institutions for care of aged and other helpless persons, blind, dumb and deaf, women home etc.

Other Welfare Services, i.e. payment of pensions to freedom fighters, territorial and political persons unspecified and general expenditure on welfare of Backward Classes, grants, loans etc., to institutions or organisations engaged in welfare activities like Red Cross Society and Contribution for unspecified charitable purposes.

6. Housing and Community Amenities Affairs and Services

6.1 Housing and Community Services:

Administration, regulation of standards and promotion of activities and facilities in respect of housing, community development, urban and rural renewals.

Housing and related slum clearance activities i.e. expenditure for provision, assistance or support of residential house building activities, cost of acquisition of land for housing and urban development, loans to individuals or organisation for construction of residential houses, expenditure of the departments engaged in mortgage and financing for residential buildings, the liabilities of which are solely to the government.

Town and Country Planning i.e., all types of expenditure for planning and development of towns, colonies etc. This includes loans/grants to town and country planning organization, Delhi Development Authority (DDA), Metropolitan Development Organisation, expenditure for development of border areas, expenditure of National Building Organisation etc. Community facilities i.e. expenditure on community development schemes (general and unspecified items), national extension schemes, local development works etc.

6.2 Sanitary Affairs Services

Urban and rural renewal and municipal amenities i.e. all types of expenditure for collection and disposal of garbage, refuse, development and maintenance of sewerage and drainage system, street cleaning, smoke regulation, etc.

6.3 Housing and Community Amenities Affairs and Services n.e.c.

Administration, operation or support of activities such as formulation, administration, coordination and monitoring of overall policies, plans, programmes and budgets relating to housing and community amenities affairs and services, preparation and enforcement of legislation and standards relating to housing and community amenities affairs and services, production and dissemination of general information, technical documentation and statistics relating to housing and community amenities affairs and services.

7. Cultural, Recreational and Religious Affairs and Services

7.1 Arts & Cultural Affairs Services

Administration and Central Departments concerning with culture, recreation and religion i.e. expenditure on Department of Culture, Department of Tourism, cultural and literacy activities i.e. expenditure including grants/loans for studies of civilisation language, literature, libraries etc. This includes loans/grants for and to central institute of Indian languages, children banks inregional languages. National books fair, expenditure for prizes for writers for best books, development of Sanskrit language, development of Hindi language and other States languages (under development of Hindi following are excluded: Commission for Scientific and Technical Terminology, preparation of Hindi Text Books, opening of Hindi departments in Colleges and Universities). Religious services i.e., grants for religious purpose including repairs and maintenance of ancient temples, contribution to religious institutions and for memorial of religious leaders like Guru Nanak Birth Anniversary, Dussehra Exhibitions.

7.2 Recreational and Sporting Services

Directorate of Physical Education and Sports, Ministry of Information and Broadcasting. Recreational organs i.e. expenditure on All India Radio (excluding news division) film production, film censor departments, T.V. Programmes, Songs and Drama Division, organization of film festival, grants/loans to organization of institution engaged in research and production of film, drama like National Schools of Drama, film production training centers, art exhibition etc. Recreational Places i.e. expenditure or maintenance and improvement of botanical and zoological gardens (excluding botanical and zoological surveys and research), parks, playgrounds, beaches,

swimming pools, expenditure for camps, hostel and other lodging places (excluding student hostels), uplift of youth welfare, NCC, physical education and sports.

7.3 Tourism Affairs and Services

Administration, supervision, inspection, operation or support of activities relating to Tourism, development of tourism, Grants, loans or subsidies to support activities relating to Tourism, Memorials of great personalities i.e. grants to Gandhi Memorial Committee, Dr. Zakir Hussain Memorial Committee, Ram Mohan Roy Centenary Committee, maintenance and development of tourist places and museum.

7.4 Cultural, Recreational and Religious Affairs and Services

Administration, operation or support of activities such as formulation, administration, coordination and monitoring of overall policies, plans, programmes and budgets for the promotion of sports, recreation, culture and religion: preparation and enforcement of legislation and standards for the provision of recreational and cultural services: production and dissemination of general information, technical documentation and statistics on recreation, culture and religion not else where classified (other than 7.1, 7.2 & 7.3).

8. Economic Affairs & Services

8.1 General Administration, Regulation and Research

Ministries and Central Departments, concerned with the General Administration of Economic, Commercial and Labour Affairs i.e. expenditure of Department of Labour and Employment, Department of Commerce, Department of Company Affairs, Department of Banking. This includes expenditure on Manpower Directorate, Commercial Intelligence and Statistics, Factory Inspection (unspecified or general) and regulations of working conditions of labour (unspecified or general).

General regulation and registration of business, i.e. expenditure on wage board, price control board, regulation of markets, shop's establishments, regulation and standardization of weights and measures etc.

Labour affairs of general character, i.e. expenditure on employment exchanges including training centers for unemployed persons with the object of fixing them with employment, expenditure on factory inspection (un-specified or general) and regulation of working conditions of labour (unspecified or general) expenditure on inspection of mines, inspection of steam boilers, expenditure on labour arbitration, boards, labour tribunals, etc.

Research on technological engineering markets, labour and similar other research not allocable to any specific kind of industry. Expenditure on market research, research on manpower,

employment, un-employment surveys etc., are included. General meteorological and map making services, i.e. expenditure on meteorological departments and centers including weather forecasting, expenditure on National Atlas and Thematic Mapping Organisation, Survey of India, etc.

8.2 Agriculture, Forestry, Fishing & Hunting

Administration, regulation and research i.e. expenditure on Ministry of Food and Agriculture, I.C.A.R. included here.

Development of Agriculture i.e. expenditure on agricultural farms, implementation of improved method of agricultural practices including its demonstration, exhibitions, publicity, etc. distribution and control of seeds and fertilizers, storing facilities for agricultural produce, marketing of agricultural produce, expenditure on agricultural price support schemes, expenditure on grow more food scheme. This also includes expenditure on improvement of conditions of agricultural labour, development of Jute, cotton, tea plantation, Seri culture and other cash crops.

Development and use of soil i.e. expenditure on soil conservation, irrigation and drainage of lands, reclamation of waste lands, land settlement etc. This also includes consolidation of holdings, flood control measures and settlement of land disputes.

Forest, i.e. expenditure on preservation of wild life etc. forest fire protection services and hunting. Livestock and animal husbandry, i.e. research on animal husbandry, veterinary services, development of animal husbandry and livestock, expenditure on poultry farms, fodder development schemes and research on it, expenditure for development of milk production, wool production etc. (Expenditure on manufacturing, grading and processing of wool etc. are excluded).

Fishing, i.e. expenditure for production of fish, both inland and coastal development of fisheries and research on it, mechanization of fish catching station, construction and improvement of fish landing station, expenditure for fish nurseries, fish preservation and cold storage for fish. This also includes improvements of working conditions of fishermen, contribution to fishermen cooperative societies.

8.3 Mining, Manufacturing and Constructions

Administration, regulation and research i.e. expenditure on Ministry of Industry, Ministry of Steel and Mines, Ministry of Petroleum and Chemicals, expenditure on geological survey, Commission for Oil and Natural Gas, Indian Standards Institute.

Mining, i.e. expenditure for promotion, investment, grants, subsidies and other assistance for extraction of mineral ores, expenditure for development of mines and working conditions of

miners including labour welfare activities. Manufacturing i.e. expenditure for promotion, investment, grants, subsidies and other assistance for industrial development including village and small-scale industries. This also includes khadi industries and marketing of khadi and village products. Buildings and other construction industries, i.e. expenditure for promotion, development of building materials, etc.

8.4 Electricity, Gas, Steam and Atomic Energy

8.4.1 Electricity, Gas and Steam

Expenditure on promotion, regulation, research, investment, grants, subsidies and other assistance for generation, transmission and distribution of electric power, gas, steam, heat etc. This includes loans and advances to bodies like State Electricity Board etc. (Subsidies given for consumption of electric power for the benefit of a particular industry say khadi industry, is excluded from here and taken into account in that industry).

8.4.2 Atomic Energy

Administration and Research i.e. Expenditure on department of atomic energy. Expenditure on atomic energy commission, atomic energy research and nuclear schemes, space research programme. Grants and donations to scientific societies and institutes.

8.4.3 Non-Conventional Sources of Energy

Administration, supervision, inspection, operation or support of non conventional source of energy viz. solar energy, wind energy etc. Grants, loans and subsidies to support the operations, construction, maintenance or upgrading of such energy systems.

8.5 Drinking Water Supply

Water supply i.e. expenditure on promotion, regulation, research, investment, grants, subsidies and other assistance for storing, purification and distribution of water, development of tanks and other water reservoirs in the rural areas, digging of wells in the rural areas for drinking purposes. (Tube wells and other water resources for irrigation purposes are excluded).

8. 6 Transportation and Communication

8.6.1 Road Transport, Highways, Roads, Bridges and Tunnels

Road transport highways, roads, bridges and tunnels, i.e. expenditure for construction, repairs, maintenance and other outlays for highways, roads, bridges and tunnels, development and regulation of car-parks and other type of parking places, terminal facilities for bus, truck, etc. (Bridges, tunnels, car-parks, highways etc. for which tolls are charged excluded).

8.6.2 Water Transport, Waterways and Other Navigations

Expenditure including assistance, loans, etc., to commercial enterprises for promoting, providing for and maintaining facilities for inland and coastal water ways, regulation and control of waterways. This includes expenditure for dredging of canals, rivers, lakes including construction and operation of lighthouses, buoys and other navigational aids, construction, maintenance and operation of docks, harbours and ports facilities, expenditure for protection of sea coast, river coast and canal banks (Canals, harbors and ports which are operated by commercial enterprises are excluded).

8.6.3 Air Transport and Other Communication

Expenditure as investment, grants, subsidies and other assistance for air transport, railways, post and telegraphs, telecommunication services. This includes expenditure on overseas communication services, rope ways etc.

8.6.4 Transport and Communication n.e.c.

8.7 Other Economic Services

Storage and warehousing i.e., expenditure for promotion, regulation, research and other outlays for storage and warehousing of general character (storage for specific items are grouped in appropriate category of that item). Trade activity, i.e. expenditure for promotion, regulation and research and other outlays for trade, promotion activity like Ministry of Foreign Trade, Export Promotion Directorate, Trade Development Authority, Directorate of Commercial Publicity, loss on government trading, Trade Commissioner etc.

Co-operative activity, i.e. expenditure for promotion, regulation, research and other outlays, assistance, loans, etc. for cooperative activities of general character. This includes expenditure of office for registration and control of co-operative societies, development of cooperative movement in the country. (Co-operative activity on specific field will be classified in the category according to the field of activity).

9. Environmental Protection

9.1 Waste Management

Administration, supervision, inspection, operation or support of waste collection, treatment and disposal systems.

Grants, loans or subsidies to support the operation, construction, maintenance or upgrading of such systems.

9.2 Waste Water Management

Administration, supervision, inspection, operation or support of sewerage systems and waste water management.

Grants, loans or subsidies to support the operation, construction, maintenance or upgrading of such systems.

9.3 Prevention and Control of Pollution

Administration, supervision, inspection, operation or support of activities relating to pollution abatement and control. Grants, loans or subsidies to support activities relating to pollution abatement and control.

9.4 Environmental Research and Education

Administration and operation of government agencies engaged in applied research and experimental development relating to environmental protection.

Grants, loans or subsidies to support applied research and experimental development relating to environmental protection undertaken by non-government bodies.

9.5 Environmental Protection n.e.c.

Administration, supervision, inspection, operation or support of activities such as formulation, administration coordination and monitoring of overall policies, plans programmes and budgets for the promotion of environmental protection, preparation and enforcement of legislation and standards for the provision of environmental protection services, production and dissemination of general information, technical documentation and statistics on environmental protection.

10. Other Services

10.1 Relief on Calamities

Flood relief, drought relief and relief work on other disasters and calamities. (Expenditure on specific purpose like education, health, etc. incurred under these heads are excluded and classified under concerned categories).

Refugee relief and rehabilitation, i.e. expenditure of the Department of Rehabilitation, feeding and other expenditure on refugees, management of camps, grants/loans to refugees for business etc.

10.2 Other Miscellaneous Services

Other outlays, not elsewhere classified, e.g., expenditure for payment of compensation on zamindari abolition, grants to Bharat Sevak Samaj etc.

NOTE:- Similar approach/categorization has been adopted for analyzing State Government Budget.
