Please nominate the above-mentioned number of teacher with the following suggested criteria:

4. Do not nominate teachers who have attended Vigyan Pratibha (VP) workshops in the past years.

For the April workshop in IISER Mohali, the same teachers who attended the 1st workshop last year in Mohali would attend. A new set of teachers would join the July workshop in IISER Mohali.

It is hoped that after attending these workshops, these teachers will facilitate the Science Circle activities in their schools.

It may also be noted that the same group of teachers will attend Round 2, Workshop 2 as per the schedule indicated above. Their difficulties and feedback will be addressed during the 2nd workshop and they will also be introduced to additional learning units.

The boarding and lodging for all the workshops would be arranged by HBCSE or its Regional Partners in their respective campuses.

The participants will be entitled to TA/DA as per KVS norms.

This issues with the approval of the competent authority.

Yours sincerely,
