SUBJECT: Further Action on Approved Proposal for 3-Tier Exam for KVS Recruitment reg.

Madam,

With reference to the communication received from the Ministry of Education vide their letter dated 15.03.2025, I am pleased to inform you that the proposal for implementing a 3-tier examination structure for KVS recruitment has been approved by the Ministry. This approval marks a significant step towards streamlining the recruitment process for various posts in KVS. However, to proceed with the implementation, the following actions are proposed for your kind consideration and approval:

1. The approved proposal for the 3-tier examination structure, submitted on 10.02.2025, has been received back with the Ministry's comments and suggestions, which have been duly noted for incorporation.
2. It is proposed to initiate the process of selecting a suitable recruiting agency to conduct the 3-tier examination. A tendering process may be started to identify agencies with prior experience in handling large-scale recruitment exams for educational institutions.
3. A high-level process meeting may be convened at KVS (HQ) involving all Regional Deputy Commissioners and key stakeholders to finalize the examination schedule, modalities, and guidelines for the 3-tier structure.

4. To ensure transparency and efficiency, it is suggested that a dedicated task force be constituted under your guidance to oversee the entire recruitment process, from the examination phase to the final selection of candidates.

5. Additionally, a **preliminary budget estimate** for the recruitment process, including the cost of engaging the recruiting agency, conducting the exams, and other logistics, may be prepared and submitted for approval.

6. To keep all stakeholders informed, a circular may be issued to all KVS Regional Offices and schools, detailing the approved 3-tier examination structure and the tentative timeline for the recruitment process.

This issues with the approval of the competent authority. I kindly request your guidance and approval to proceed with the aforementioned actions at the earliest to ensure the timely implementation of the 3-tier examination structure for KVS recruitment.

Yours sincerely,
(Dr. P. Devakumar)
