

REPORT ON SWACHHATA HI SEVA 2026 ACTIVITIES AT NIC, NAGALAND STATE CENTRE

As part of the **Swachhata Hi Seva 2026** programme organized across the country, the **National Informatics Centre (NIC), Nagaland State Centre, Kohima**, also participated by organizing various cleanliness and awareness activities in its office premises from **17th September to 2nd October 2026**. The programme was coordinated by **Shri George Kath Rengam (Sc-E)**, with active participation from the officers and staff of NIC, Nagaland State Centre. Various activities, including general cleaning of the office premises, cleaning of technical areas, decluttering and organization of digital and physical records, and cleaning of the tree plantation area, were carried out during the campaign. As part of the awareness activities, **Swachhata Voice** sessions were conducted on **29th September by Shri Kemvu Elah (Sc-F & ASIO)** and on **1st October by the SIO, Nagaland State Centre, Shri Lanusangkum Aier (Sc-F)**. The programme concluded with the active participation and cooperation of all staff, reinforcing the importance of cleanliness, hygiene, and maintaining a clean and healthy working environment.
