The poet suggested that you can identify the lion and the tiger by its appearance.

If the animal is tawny and yellow in colour and it is attacking on you then it is lion.

If the animal is pale yellow in colour and has black stripes then it is tiger.

We can do this when we are in Jungle.

c-Ans)

'Crow' and 'hemlock tree' represent the dark side of the nature.

The hemlock tree is a poisonous tree with white flower and crow has very shrilly voice. When we think about these things we are in depressive mood for sure.

So these represent the dark and sorrowful side of the nature.
