- Other concerning aspects were the non-release of UTPs who were identified and recommended for release under categories linked to statutory bail. For instance, of the 223 UTPs recommended for release under **Sec 436A CrPC¹**, **only 80 (35.87%)** were released; of the **3,226** recommended UTPs who were **unable to furnish surety despite grant of bail, only 1,809 (56.08%)** were released; of the 90 recommended UTPs eligible for release under **Sec 436 CrPC²** **only 77 (85.5%)** were released; of the **125** recommended UTPs eligible for release under **Sec 167 CrPC**, **73 (58.4%)** were released.
- Further, data indicates, that cases where liberal bail provisions are prescribed³, viz. for the **543 sick and infirm UTPs** recommended, **only 283 (52.12%)** were released; and of the **1,165 women UTPs** recommended, **399 (34.25%)** were released.

¹ Section 436A Cr.P.C. states that no person shall be detained for more than the maximum period provided for the said offence, and that where a person has undergone detention for a period extending up to one-half of the maximum period of imprisonment specified for that offence under that law, he shall be released by the Court on his personal bond with or without sureties.

² Section 436 Cr.P.C. states that where a person is unable to give bail within a week of his arrest, in bailable offences, it shall be sufficient ground for the officer or the court to presume that he is an indigent person, and the court may and shall instead of taking bail from such person, discharge him on his executing a bond without sureties for his appearance.

³Section 437 Cr.P.C. lays down provisions for when bail may be taken in case of non-bailable offences, and includes a proviso for liberal consideration of bail for persons who are sick or infirm as well as for women, even where there are reasonable grounds for believing they are guilty of the offence punishable with death or imprisonment for life, or where the offence is cognizable and accused has been previously convicted.

UTRC QUARTERLY MEETING IN JANUARY
OUTCOMES AT A GLANCE

KEY OBSERVATIONS & ACTION POINTS

Some key observations that have emerged from the data are as follows:

1. **UTRC meetings:** Meetings are being held diligently across all districts, with the UTRC meeting having been conducted in 707 DLSAs.
2. **Monitoring & review by SLSAs:** Among the 37 SLSAs, a total of **78 pre & post review meetings** were conducted with the DLSAs by the SLSA. Not all States/UTs are conducted the mandated minimum of two meetings.
3. **Prisoner Population:** As of January 2025, there were a total of 5,06,606 prisoners in India. Nearly 3.75 lakh prisoners were undertrials comprising 74% of total prison population.
4. **Identification for Review by UTRC:** A total of 13,430 prisoners were identified for review under the 15 categories of cases by the UTRCs across the country. This constituted nearly **2.7%** of all prisoners.
5. **Cases Recommended for release by UTRC:** Of the total of 13,430 cases identified, 71.13% (9,553) were recommended for release by the UTRC.
6. **Filing of bail applications:** Data indicates that a total of 7,808 bail or other appropriate applications were filed by lawyers. Thus, bail applications were moved for 81.7% of the total number of cases recommended by the UTRCs.
7. **Release of Prisoners:** Of the total number of cases recommended for release by the UTRCs, an average 54.69% prisoners were released. Among the 15 categories of prisoners reviewed, the highest of number of prisoners were released under the category of those who had already been granted bail by court, but were unable to furnish sureties (1,809), followed by those accused of compoundable offences (1,407). The non-release of UTPs who were identified and recommended for release under categories linked to statutory bail, continues to be an area of concern and affirmative action.
8. **Pendency of bail applications:** Of the 7,808 applications filed 10.9% were still pending on the date of reporting of data.

ACTION POINTS FOR STRENGTHENING UNDER TRIAL REVIEW

COMMITTEES

To further enhance the efficacy of the UTRCs, the following measures may be taken:

1. SLSAs should continue to maintain close supervision through the pre and post review meetings on the UTRC process with specific focus on the identification process and filing of bails subsequent to recommendations by the UTRC. In larger States where the number of DLSAs is more than 10, the pre and post review meetings may be conducted zone-wise, to ensure more effective monitoring of the UTRC process.
2. SLSA's are requested to continue their supervision and monitoring of the data shared by UTRC's to reduce the gaps between the number of prisoners identified, the number of prisoners recommended, the number of applications filed and the number of prisoners released.
3. The SLSAs must review and evaluate the reasons for non-release in statutory bail cases, and ensure that the gap between the number of persons recommended for release corresponds with the number of persons released.
4. Out of **Total 9,553 UTP's recommended** for release **82 (0.85%) UTP's were not represented by any lawyer**. SLSA's are requested to ascertain the reasons for the same and ensure that UTRC provide legal aid representation to UTP's not represented through any lawyer.
5. Total **7,808(81.73%)** applications were filed due to which **5225 prisoners were released**. Total **848 (10.86%) applications were still pending** on the date of reporting of data. It is necessary for a close review of the reasons for denial of bail by the Member Secretary, SLSA and to strategize on steps to ensure that lawyers are filing bail applications in a timely and appropriate manner. There is need for time bound disposal of bail applications. LADCS/Panel Lawyers may be asked to submit report on status of pending applications in UTRC assigned cases for follow up in Review meetings.
6. Efforts should be made by Panel Lawyer/LADC to meet each recommended UTP in their respective Prison Legal Aid Clinic in Prisons (physically/virtually) to update and make them aware about the recommendation of their respective case.
7. Prison Legal Aid Clinics in jail should publicize the Financial Assistance Scheme to UTP's unable to furnish surety.
8. The SLSAs and DLSAs may conduct regular legal awareness camps in the prison to apprise prisoners of the UTRC process and display posters in local languages on the UTRC process at appropriate locations within the prisons. National Toll-Free Helpline Number 15100.
9. In view of the directions passed by the Hon'ble Supreme Court of India under Para 34 of the *Suhas Chakma vs. Union of India (WP Civil 1082/2020)* and the recommendations suggested by the State Level-Regional Monitoring Committees, all SLSAs are requested to send their suggestions for updating the UTRC Standard Operating Procedure (SOP)-2022 regarding effective and efficient functioning of Under Trial review Committee. The exercise to review and update the SOP periodically will help the Legal Service Institution to understand the practical problems being faced by UTRC's as well as ways to redress the roadblocks collectively.
10. SLSAs and DLSAs on their part should disseminate National helpline No. -15100 in addition to their own toll-free numbers (if any) for better implementation at grass roots level.
