Quotable Quotes

Urbanization is the inevitable outcome of the processes of modernization.

Manmohan singh

In urbanization, you think big because you are thinking decades ahead.

Kushal Pal singh

Give me your tired, your poor, your huddled masses yearning to breathe free, the wretched refuse of your teeming shore, tempest-tossed, to me. I lift my lamp beside the golden door.

Emma Lazarus

In city hall and in local government, you have to get things done without drama.

Jim Gray

Local government is the foundation of democracy, if it fails, democracy will fail.

Forbes

Indian cities have not been armed with substantial power to confront the critical challenges of delivering public services, planning and managing the process of urbanization.

Indian Institute of Public Administration

The key to make these bodies viable, dependable and successful units of government is to put their financial and organizational set up on a sound, stable and self-sustaining footing.

Comptroller General of India
