85	santosh kumar mohanty	Male	Uttar Pradesh	Sir, I had worked in a project of GOI, under Ministry of SJ&E, then Min of Welfare, with CPF facility, for about 18years. Appointment was done through paper advertisement, followed by interviews at two level/rounds. After which I was on probation for two years and on successful completion of probation, I was absorbed on a temporary appointment in the proper pay scale of under secy. level with all the benefits ,even some of the works of existing under secretary was transferred to me. However, due to some administrative reasons and litigation of district level offices , option of changing from CPF to Pension was not taken place. And ultimately, it was decided to close all the Reginal & Central Administrative office and staffs were absorbed in different offices of the ministry with pay protection and given the benefits of CPF. In the new office I was placed under NPS,, as per the year of absorption of 2006. Since my length of service in the new office was only for 10 years, can I get the benefits of my previous service for pensionary benefits to get full pension ? Kindly also let me know if I can get the benefits pension instead of CPF by refunding CPF amount in my previous office.	17-09-2024	Reply sent	On-line

As a devoted mother and a housewife, my sister is fully occupied with the responsibilities of managing her household and taking care of her family. Unfortunately, due to her limited exposure to external resources and information, she is unable to fully explore and utilize the opportunities provided by the government for the welfare of her child. In light of the above, I am making a sincere effort to assist her in this regard by seeking comprehensive information on the benefits and assistance available for children with Autism Spectrum Disorder. It has come to our attention that there are various government initiatives aimed at empowering individuals with such disabilities. However, we are not well-versed with the specifics of these schemes and would greatly appreciate your guidance on the following points: 1. Concessions in Travel: Kindly provide detailed information on the concessions available for individuals with Autism Spectrum Disorder in public transportation, specifically in railways and bus services. We would like to know the process of obtaining the necessary certificates and availing these concessions. 2. Pension Schemes: Please provide information on any pension schemes or financial assistance programs available for children diagnosed with Autism Spectrum Disorder. Details regarding eligibility criteria, the application process, and the disbursal mechanism would be highly appreciated. 3</p>	08-10-2024	Reply sent	On-line

96	Gopinaidu Allu	Male		Respected Sir or Madam, I am writing to bring to your attention a matter concerning my sister, Meena Kumari Aadhaar number: 2507 3388 5386 who is mentally disabled. We have observed that her recent disability certificate reflects a 50% disability rating. However, we are certain that her previous disability percentage was over 70%, as she used to receive a pension based on that assessment. Unfortunately, her earlier certificate and related documents were collected when the new certificate, indicating 50% disability, was issued. Also the old certificate was taken back while issuing the new documents, hence now we need the old document also. I kindly request the following information: 1. A detailed explanation of how the current 50% disability rating was calculated. I would appreciate it if an inquiry could be conducted, preferably with the involvement of a retired judge, to ensure an impartial review. 2. If possible, a copy of her old certificate, along with the previous disability percentage information. 3. The reason her pension benefits were discontinued, along with any supporting documents. For convenience, I have attached a reference document. Please feel free to share the information online or via other convenient means. Thank you very much for your attention and assistance in this matter. Regards, Gopi	16-10-2024	Reply sent	On-line
