

- **Important decision taken by the Validation Committee of National Trust on Schemes.**

1. Address of the Project should be mentioned properly along with the Geo-tag photographs.
2. The Aadhar number of Staff should also be taken.
3. Under Gharaunda & Samarth schemes, RO should not allow to spend more than 40% amount under the head of honorarium of the total monthly cost.
4. For the time being, 2nd centre under the schemes may not be sanctioned.
No other fund to be released to the RO in the form of work centre.
5. RO to be sanctioned one scheme in a particular centre and to apply for other scheme, he needs to have a separate/ different centre/ venue, at a distance of atleast 10 Kms.
6. For the first time registration with the National Trust, there should be 2 years gap before applying and sanctioning of any scheme.
7. 60% of the fund released to the ROs to be used for the welfare of the beneficiaries for residential projects.
8. The Registered Organisations / Scheme Holders will not make any transaction more than 20% of the fund released in cash for the activities of the center.
9. Out of the total fund released, honorarium / salary should be less than 40% of total funds released by the National Trust under Samarth & Gharaunda schemes.
