About CCMN-2022

CCMN-2022 is a common platform for candidates to apply for M.Sc./M.Sc.(Tech.) programmes, based on their JAM score of year 2022, in NITs, IEST Shibpur and some GFTIs (for details, please refer to the list of Participating Institutes on the CCMN website). This centralized system provides a common and convenient platform for online Counselling wherein the candidates can fill in a single online application from their homes and apply to all programmes in all the participating institutions to which they are eligible. The CCMN was initiated in the year 2015 for centralized admission for PG (M.Sc./M.Sc.(Tech.)) programmes and since then has undergone several changes to make it more student-friendly and included newer institutions under its umbrella. Various features such as online uploading of needful documents after seat allotment, withdrawal and willingness change etc. have been inherited from the previous years and thus, CCMN-2022 provides an enormously increased overall convenience for the candidates. Candidates are allowed to participate in the special rounds even if one has obtained a seat in one of the regular rounds. The prospective candidates are advised to carefully read the information brochure and various other documents given on the CCMN website.

1. Introduction

The centralized online process for admission to PG programmes (M.Sc./M.Sc.(Tech.)) is being organized by CCMN-2022 for NITs, IEST Shibpur, and some GFTIs, hereinafter called 'Participating Institutes' (PIs), as per schedule given on website. These are the premier institutions of the country imparting world class scientific and technical education.

Important features of the admission procedure, admission schedule, process flow chart and contact details of CCMN-2022 headquarter are given in this brochure. The list of PIs and their Seat Distribution, Eligibility Matrix, Date of commencement of classes, Fee Structure, Contact Addresses *etc.* are given on the CCMN website <https://ccmn.admissions.nic.in>. **Candidates are advised to read this brochure carefully and visit the CCMN website regularly for updates and other details regarding the online Counselling process.**

The Counselling process of **Regular Rounds** consists of three stages excluding pre-registration (refer Section 5 for details and Annexure I for Flow Chart of the Counselling process):

- Online Registration, Payment of Registration Fee, Choice Filling and Locking of Choices (refer Section 5.1)
- Three Rounds of Counselling: Seat Allotment, Depositing Seat Acceptance Fee, Uploading Documents, Submitting Willingness, and Online Document Verification (refer Section 5.2)
- Online Document Verification and Admission at the Finally Allotted Institute (refer Section 5.3)

In addition to above regular rounds, two Special Rounds (SR) will also be conducted to fill-up the vacant seats, if any. The counselling process of Special Rounds will also consist of three stages (as mentioned above for regular rounds) with a difference that instead of deposition of seat acceptance fee after allotment of seat, the candidate will be required to deposit the participation fee (refer Table 3) at the time of registration itself. For a detailed counselling process of Special Rounds, please refer to Section 7.

If at any stage it is found that the information submitted by the candidate about her/his qualifying degree is different from her/his undergraduate degree, then the allotment will be canceled.

During document verification, the verifying officer may enquire the candidate about her/his documents. If the candidate does not respond within the scheduled time, then the case would be considered as non-reported.

It is important to ensure that the email you mentioned is regularly seen and acted upon, as you are likely to get several notices, schedules/enquiries/comments during the Counselling period. You must also be available on the phone number at all times during the Counselling process.

The CCMN-2022 Counselling is not for candidates seeking admission to Sponsored Seats or Part Time programmes. They should contact the respective institutes for the same.

2. Eligibility Requirements

A candidate to be eligible for M.Sc./M.Sc.(Tech.) programme:

- Must have a valid JAM score of the year 2022.
- In qualifying degree, the candidates should have passed and secured at least 6.5 CGPA (on a 10- point scale) or 60% for GEN/GEN-EWS/OBC, whereas 6.0 CGPA (on a 10-point scale) or 55% in case of SC/ST/PwD candidates. **The above mentioned CGPA/Percentage should be awarded by a recognized University/Institute.**
- Only primary mode of evaluation (CGPA or percentage) as mentioned in the qualifying degree certificate/mark sheet shall be considered while verifying eligibility. **In case both CGPA and percentage are mentioned, then only CGPA would be considered.**
- **Conversion from CGPA to percentage or vice versa given by an individual Institute/university will not be allowed.**
- **If CGPA is on a different scale than the 10-point scale, then it would be linearly mapped to a 10-point scale.**
- In case, the result of qualifying degree is awaited, provisional admission is permitted to a candidate subject to meeting above minimum qualifying degree requirements latest by **September 30, 2022**. In these cases, all exams should have been completed by **August 15, 2022**. A certificate from the head of the current institute (format given on the CCMN website) to that effect should be submitted during document verification.
- For each programme, eligibility is defined based on certain combinations of degree- disciplines and JAM paper. Please refer to CCMN website <https://ccmn.admissions.nic.in> for the seat matrix and eligibility matrix, which provides the number of seats available under different categories in each programme.
- For certain programmes in few participating Institutes, special eligibility criteria are applicable (given on CCMN website). Eligibility against these special requirements shall not be checked during the registration process but will be verified during online document verification as well as during physical reporting at the finally allotted institute. **Candidates are required to ensure that they fulfill all such special requirements before choosing such programmes during choice filling. Candidates will be solely responsible for their fulfilling of and compliance to these special eligibility requirements. CCMN-2022 will not entertain any claims arising out of the candidate's failure to comply with these special eligibility criteria even at a later stage. Candidates must note that special eligibility would only be checked when that particular seat is allotted and not anytime in earlier rounds. Candidates must specifically note that in case they fail to satisfy special eligibility of the allotted seat at any stage then they may be left without any allotted seat. If any such candidates satisfy all other eligibility criteria, they may be considered for the allotment in further rounds, if any, depending on the remaining vacant seats.**

3. Rules for Seat Allotment

3.1 Merit List Preparation

Merit for seat allotment will be prepared based on "Common Percentile" (calculated from the JAM Rank of year 2022) obtained by the candidate. In case of the same "Common Percentile", to resolve and determine inter-se-merit of candidates, following criteria will be used in the stated order.

- i. The preference will be given to that candidate who has obtained a higher JAM Score in the year 2022.
- ii. In the unlikely event of candidates having the same JAM score, Date of Birth will be considered for breaking ties. Elder candidate will be given preference.
- iii. In the highly unlikely event of candidates having the same "Common Percentile", JAM score, and Date of Birth, rank will be decided on the basis of random number generation. Candidate with lower random number generated will be given preference.

3.2 Allotment Rules

Seat allotment is based on the merit list, choice list, category of the candidate, and availability of seats. Sequence in which seat will be allotted to a candidate belonging to any particular category is given in Table 4:

Table 4: Sequence of Seat Categories for allocation

The above sequence (in third column) will be followed only for those seat categories in which the candidate has a valid JAM score.

3.3 Conversion Rules for Programme Groups

There will not be de-reservation of unfilled seats at all. However, in Special Round-1 (SR-1) and Special Round-2 (SR-2), the unfilled seats, if any, in the Programme Groups G2, G3, etc. will be converted into the lower numbered group in the same category. In a particular round (SR-1 and SR-2), first iteration of allotment will be carried out without conversion and then the subsequent iteration will be carried out with conversion of unfilled seats related as per the following rules.

The conversion of unfilled seats will occur among the programme groups viz. from *Programme Group* G5 to G4, G4 to G3, G3 to G2, G2 to G1. (refer Section 11 “Seat and Eligibility Matrix” about details of these groups) in the same category.

Programme group G5 seats will be converted to G4 group only when G5 group candidates possessing the minimum eligibility criteria are not available for G5 group seats and so on for other groups.

4. Reservation of Seats

Reservation of seats for various categories is as per the norms of Government of India. Please refer to the CCMN website for the detailed seat matrix.

5. Counselling Process for regular rounds

The Counselling process broadly involves the following stages:

- i. Online Registration, Payment of Registration Fee, Choice Filling and Locking.
- ii. Three Regular Rounds of Counselling including seat allotment, uploading of requisite documents by the candidate, verification of uploaded documents by the verifying officers of the participating institutions, resolution of queries raised, if any, by the candidates and generation of online document verification certificate

- iii. Reporting at the Finally Allotted Institute for Admission (Candidates are required to keep on visiting the CCMN website regularly for any change/ update pertaining to Physical/Online reporting based on prevailing COVID-19 situation and deposit of partial admission fee at CCMN portal). If candidates fail to adhere to such new changes/updates and due to the same any adverse action is taken, they will be solely responsible for the same.

5.1 Online Registration, Payment of Registration Fee, Choice Filling and Locking

5.1.1 Online Registration

To participate in the CCMN 2022 Counselling process, all eligible candidates must first register themselves through an online registration process during the specified period (refer Schedule given on website) by providing JAM credentials, qualifying degrees, personal details etc.

5.1.2 Payment of Registration Fee, Choice Filling and Locking

- **Candidates will not be able to unlock or change their choices once the choices are locked.** Hence, they are advised to fill and lock their choices very carefully.

Candidates may take assistance through helpline email ccmn2022help@mnit.ac.in regarding issues related with registration and choice filling. Candidates may also contact the help centers for help related to choice of the programmes. The contact details of the help centers are available on the CCMN website

5.2 Three Regular Rounds of Counselling

Three rounds of seat allotment and document verification will be conducted, which will be followed by physical reporting at the finally allotted institute.

5.2.1 First Round of Counselling

Eligible candidates for seat allotment: Candidates who have registered for CCMN-2022, paid registration fee and filled & saved choices.

5.2.1.1 Seat Allotment

All the available seats will be considered for allotment. The choices submitted by the candidates during registration will be processed and a seat will be allotted based on the merit, as per the rules of allotment (See Section 3). The allotment result will be declared on the CCMN website and candidates will be able to download their Provisional Seat Allotment Letter (PSAL) from their CCMN login after depositing the Seat Acceptance Fee. **No hard copy of the Provisional Seat Allotment Letter will be sent to the candidates individually.**

On allotment of a seat, the candidate is required to pay the seat acceptance fee, upload the required documents, and submit willingness within the stipulated time as notified on the website from time to time as per the procedure mentioned in subsequent section. If the candidate fails to perform any of these activities within the stipulated time period,

(s)he will lose any claim on the allotted seat and will not be considered for seat allotment in subsequent rounds of Counselling.

5.2.1.2 Payment of Seat Acceptance Fee

When a seat is allotted to the candidate, (s)he has to pay the **Seat Acceptance Fee** (refer Table 3) through ICICI Bank online mode (Net Banking/ Debit Card/Credit Card/ I-Sure Pay/ UPI/ Wallets) or at any branch of ICICI through e-Challan (refer Section 8 for methods of payment) during the period mentioned in the Schedule given on the website. In case the candidate fails to pay the Seat Acceptance Fee, her/his seat allotment shall automatically stand cancelled and (s)he will not be considered for the subsequent rounds of allotment. Proof of payment of Seat Acceptance Fee has to be produced by the candidate at the time of reporting at the finally allotted institute. **Only after payment of seat acceptance fee, the candidate will be able to download the Provisional Seat Allotment Letter (PSAL), upload the documents and submit willingness online.**

5.2.1.3 Online Document Uploading

On allotment of a seat and payment of seat acceptance fee, the candidate will have to upload the required documents (as per list mentioned in Annexure-III) through their login for online verification as per the schedule given on the CCMN website. Please note that the option of document upload will be enabled only after payment of seat acceptance fee. Guidelines for document uploading will be made available on the CCMN website.

PwD candidates are required to upload the scanned copy of an Affidavit in a format mentioned in Annexure-VI in addition to the PwD certificate, which they need to carry in original at the time of physical reporting at the allotted institute.

If the original certificates are not in English/Hindi, English/Hindi version/translation of such certificates, duly certified by the Principal/Director or other competent authority of the graduating Institute, will be required.

5.2.1.4 Online Submission of Willingness

On allotment of a seat and payment of seat acceptance fee, the candidates are required to exercise one of the following willingness online through their login:

- i. **Float**, if they wish to be considered in the next round for all of their better preferred choices (i.e. across the Institutes) or,
- ii. **Slide**, if they wish to be considered in the next round for their better preferred choices only within the Institute allotted to them or,
- iii. **Freeze**, if they are satisfied with the currently allotted seat and not interested in their better preferred choices in the subsequent round(s).

5.2.1.5 Online Document Verification

The document verification will be done by the verifying officers of the participating institutes only in the online mode. In case of a doubt/query regarding the documents,

the Document Verifying Officer will raise a query to the candidate, against which, the candidate can respond through her/his login. This interaction between the Document Verifying Officer and the candidate can occur multiple times till the issue is resolved. The candidate will be compulsorily required to submit her/his clarifications/documents in response to the queries raised by the Document Verifying Officer in the stipulated time period, failing which he will be treated as Not-Reported, and hence her/his seat will be cancelled and (s)he will not be considered for seat allotment in subsequent rounds. Thus, the candidates are advised to regularly visit their login portal for any such query raised by the verifying officer and respond to the same within stipulated time. In case, the seat is cancelled in Regular Rounds, the candidate may participate in Special Rounds, if (s)he fulfills the eligibility requirements at that time.

If the original certificates are not in English/Hindi, English/Hindi version/translation of such certificates, duly certified by the Principal/Director or other competent authority of the graduating Institute, will be required to be produced.

Candidates may note that special eligibility condition(s) of any program would be checked by the allotted institute only after that seat is allotted to the candidate. Special eligibility condition(s) of a choice filled by the candidate are not checked during document verification in case that seat is not allotted to the candidate. So, if in the next round a candidate is allotted a seat with special eligibility condition(s) and at that time it is found that candidate is not fulfilling the special eligibility condition(s) for that seat, her/his allotment would be cancelled and the candidate herself/himself would be responsible for the same. IN ESSENCE, CANDIDATE MUST CAREFULLY CHECK THAT (S)HE IS FULFILLING SPECIAL ELIGIBILITY CONDITION(S) FOR THE SEAT BEFORE ADDING IT AS HER/HIS CHOICE.

Updation of Candidate's data / Cancellation of seat during document verification

- a. During document verification, if the personal data submitted by the candidate during online registration is found to be false, her/his seat allotment is liable to be cancelled.
- b. If a candidate fails to produce a valid category/PwD certificate, her/his allotment will stand cancelled if the presently allotted seat was based on her/his claimed category. However, in such a case, if still eligible after updation of the category, s(he) may be considered for allotment in subsequent rounds, as per her/his updated category. But, after updating the category, if the candidate does not satisfy the minimum eligibility criteria, (s)he will NOT be considered for the subsequent rounds of the Counselling process. The category data may be updated during the online document verification period, after obtaining an undertaking (Annexure-VII) from the candidate to be uploaded online (which will be required to be submitted in original at the time of physical reporting at the finally allotted institute).

Such candidates will be considered in subsequent rounds and only those choices will be considered for allotment for which (s)he is eligible as per her/his updated qualification degree/discipline. Issue of Online Document Verification Certificate (ODVC)

As an outcome of online verification of documents, an ODVC will be generated, which will be available for download in the candidate’s login. The ODVC will indicate the personal details of the candidate, details of the Institution and programme allotted, details of seat acceptance fee, the willingness (Float or Slide or Freeze) exercised by the candidate for subsequent rounds of allotment, and STATUS of document verification. The candidate should check all the entries in the ODVC and download it for producing the signed copy of the same at the time of physical reporting at the finally allotted institute.

All the candidates who have obtained ODVC from the portal and have Float or Slide willingness, should regularly visit the CCMN website for the status / up-gradation of their allotted seat in the subsequent rounds of allotment. They should take a print copy of the document (PSAL) indicating the new allotment, if any, as available on the CCMN website.

Based on documents uploaded by the candidate for online document verification and fulfillment of queries raised by the document verifying officer, the STATUS of ODVC may be:

- Documents Verified Online for minimum eligibility
- Seat cancelled and eligible for subsequent rounds
- Seat cancelled and not eligible for subsequent rounds

After successful document verification and confirmation of the seat, the candidate will be required to complete the admission formalities by depositing the partial admission fee during the period of “Online Admission” after Round-3 of Regular Rounds as per schedule mentioned on the CCMN website failing which their seat will be cancelled and it will be treated as “Auto-Withdrawal”.

After taking admission in the allotted institute by depositing the partial admission fee in the stipulated time, the candidates are required to report at the Finally Allotted Institute in the “Final Reporting” period after Special Round-2 as per schedule mentioned on the website, failing which their seat will be cancelled and the fee deposited will be forfeited.

- Change of Willingness (One more type of Willingness “*Surrender and Participate in Next Round*” is provided here in addition to “*Float*”, “*Slide*”, and “*Freeze*”)
- Withdrawal

This activity is optional, hence, if a candidate does not exercise any of these options at this stage, the ‘WILLINGNESS’ submitted earlier will be carried forward for subsequent rounds of allotment. Once ‘Withdrawal’ is exercised by a candidate (s)he will not be allowed to change the Willingness, however, vice-versa is allowed.

These options may be exercised by the candidate through her/his login well authenticated by a One-Time Password (OTP).

Candidates, who have already exercised their willingness at the time of online document uploading through their login and got the documents verified successfully online, may change their willingness for subsequent rounds ONLINE during the period given in the schedule on website through their CCMN login. Float	Surrender and Participate in Next Round
Slide	Freeze

i.e. the willingness can be changed from *Float* to *Slide*, or *Float* to *Freeze*, or *Float* to “*Surrender and Participate in Next Round*”, or *Slide* to *Freeze*. The vice-versa changes, i.e., from *Freeze* to *Slide*, or “*Surrender and Participate in Next Round*” to *Float* or *Freeze* to *Float*, or *Slide* to *Float* are not permitted.

This activity is optional, hence, if a candidate does not change the ‘WILLINGNESS’, her/his earlier specified WILLINGNESS will be considered in the subsequent round(s) of allotment.

Surrender & Participate in Next Round:

After successful online document verification, if the candidate wishes to surrender the currently allotted seat at this stage but wishes to participate in subsequent rounds, s/he may select this Willingness, which means the candidate REJECTS the offered seat in the current round and wishes to participate in the next round. Such candidate will be considered in the next round for her/his choices above the currently allotted seat (which s/he has surrendered). Irrespective of the candidate being allotted / not allotted any seat in the next round, **s/he will have no claim on the seat allotted in the current round, which s/he has surrendered.** This implies if no seat is allotted in the next round, the candidate will lose the already allotted seat in the current round.
