About CCMN-2024

CCMN-2024 is a common platform for candidates to apply for M.Sc./ M.Sc.(Tech.) programmes, based on their JAM score of year 2024, in NITs, IIEST Shibpur and some CFTIs (For details, please refer to the list of Participating Institutes on CCMN website). This centralized system provides a common and convenient platform for online counselling wherein the candidates can fill-in a single online application form and apply to all programmes in all the participating institutions to which they are eligible. The CCMN was initiated in the year 2015 for centralized admission to PG programmes and since then has undergone several changes to make it more student-friendly and include newer institutions under its umbrella. The prospective candidates are advised to carefully read the information brochure and visit the CCMN website regularly for updates and other details regarding the online counselling process.

1. Introduction

The centralized online process for admission to PG Programmes (M.Sc./M.sc.(Tech)) is being organized by CCMN-2024 for NITs, IIEST Shibpur and some CFTIs, hereinafter called `Participating Institutes’ (PIs), as per schedule given on CCMN website. These are the premier institutions of the country imparting world class technical education.

Important features of the admission procedure, admission schedule, process flow chart and contact details of CCMN-2024 headquarter are given in this brochure. The list of PIs and their Seat Distribution, Eligibility Matrix, Date of commencement of classes, Fee Structure, Contact Addresses, etc. are given on the CCMN website https://ccmn.admissions.nic.in. Candidates are advised to read this brochure carefully and visit the CCMN website regularly for all the updates regarding the counselling process.

The Counselling process of Regular Rounds consists of following stages excluding pre-registration (refer section 5 for details and Annexure I for Flow Chart of the Counselling process):

- Online Registration, Payment of Registration Fee, Choice Filling and Locking of Choices (refer section 5.1)
- Three Rounds of Counselling: Seat Allotment, Depositing Seat Acceptance Fee, Submitting Willingness, Uploading Documents, and Online Document Verification (refer section 5.2)
- Payment of Partial Admission Fee (refer section 5.3)
- Physical Reporting at the Finally Allotted Institute (refer section 5.4)

In addition to regular rounds, two Special Rounds (SR) and a National Spot Round (NSR) will also be conducted to fill-up the vacant seats, if any. For a detailed counselling process of Special Rounds and National Spot Round, please refer to Section 7 / Section 9.

If at any stage it is found that the information submitted by the candidate about her/his Qualifying Degree is different from her/his undergraduate degree, then the allotment will be cancelled.

During document verification, the verifying officer may enquire the candidate about her/his documents. If the candidate does not respond within the scheduled time, then the case would be considered as non-reported.

It is important to ensure that the candidate should regularly check the registered email for notices, schedules/enquiries/comments during the counselling period and prompt action/s must be taken accordingly. The candidate should be available on the registered phone number to respond to the queries raised during the counselling process.

The CCMN-2024 counselling is for full time seats carrying scholarship. It is NOT for candidates seeking admission to Sponsored Seats or Part Time programmes, for which candidate should contact the respective institutes for the same.
2. Eligibility Requirements

A candidate to be eligible for M.Sc/M.Sc(Tech.):

i. Must have a valid JAM score of the year 2024.

ii. In qualifying degree, the candidates should have passed and secured at least 6.5 CGPA (on a 10-point scale) or 60% for GEN/GEN-EWS/OBC, whereas 6.0 CGPA (on a 10-point scale) or 55% in case of SC/ST/PwD candidates. The above mentioned CGPA/Percentage should be awarded by a recognized University/Institute.

- Only primary mode of evaluation (CGPA or percentage) as mentioned in the qualifying degree certificate/mark sheet shall be considered while verifying eligibility. In case both CGPA and percentage are mentioned, then only CGPA would be considered.
- Conversion from CGPA to percentage or vice versa given by an individual Institute/university will not be allowed.
- If CGPA is on a different scale than the 10-point scale, then it would be linearly mapped to a 10-point scale.
- In case, the result of qualifying degree is awaited, provisional admission is permitted to a candidate subject to meeting above minimum qualifying degree requirements latest by September 30, 2024. A certificate from the Head of the current institute (format given on the CCMN website) to that effect should be submitted during document verification.
- For each programme, eligibility is defined based on certain combinations of degree-disciplines and JAM paper. Please refer to CCMN website https://ccmn.admissions.nic.in for the seat matrix and eligibility matrix, which provides the number of seats available under different categories in each programme.
- For certain programmes in few participating Institutes, special eligibility criteria are applicable (given on CCMN website). Eligibility against these special requirements shall not be checked during the registration process but will be verified during online document verification as well as during physical reporting at the finally allotted institute. Candidates are required to ensure that they fulfill all such special requirements before choosing such programmes during choice filling. Candidates will be solely responsible for their fulfilling of and compliance to these special eligibility requirements. CCMN-2024 will not entertain any claims arising out of the candidate’s failure to comply with these special eligibility criteria even at a later stage. Candidates must note that special eligibility would only be checked when that particular seat is allotted and not anytime in earlier rounds. Candidates must specifically note that in case they fail to satisfy special eligibility of the allotted seat at any stage then they may be left without any allotted seat. If any such candidates
satisfy all other eligibility criteria, they may be considered for the allotment in further rounds, if any, depending on the remaining vacant seats.

3. Rules for Seat Allotment

3.1 Merit List Preparation
Merit for seat allotment will be prepared based on "Common Percentile" (calculated from the JAM Rank of year 2024) obtained by the candidate. In case of the same "Common Percentile", to resolve and determine inter-se-merit of candidates, following criteria will be used in the stated order.

i. The preference will be given to that candidate who has obtained a higher JAM Score in the year 2024.
ii. In the unlikely event of candidates having the same JAM score, Date of Birth will be considered for breaking ties. Elder candidate will be given preference.
iii. In the highly unlikely event of candidates having the same "Common Percentile", JAM score, and Date of Birth, rank will be decided on the basis of random number generation. Candidate with lower random number generated will be given preference.

3.2 Allotment Rules
Seat allotment is based on the merit list, choice list, category of the candidate, and availability of seats. Sequence in which seat will be allotted to a candidate belonging to any particular category is given in Table 4:

In a particular round (SR-1 and SR-2), first iteration of allotment will be carried out without conversion and then the subsequent iteration will be carried out with conversion of unfilled seats related as per the following rules.

The conversion of unfilled seats will occur among the programme groups viz. from Programme group G5 to G4, G4 to G3, G3 to G2, G2 to G1. (refer section 14 “Seat and Eligibility Matrix” about details of these groups) in the same category.

Programme group G5 seats will be converted to G4 group only when G5 group candidates possessing the minimum eligibility criteria are not available for G5 group seats and so on for other groups.

4. Reservation of Seats
Reservation of seats for various categories is as per the norms of Government of India. Please refer to the CCMN website for the detailed seat matrix.

5. Counselling Process for Regular Rounds
The Counselling process broadly involves the following stages:

ii. Three Regular Rounds of counselling including seat allotment, uploading of required documents by the candidate, verification of uploaded documents by the verifying officers of the participating institutions, resolution of queries raised, if any, by the candidates and generation of online document verification certificate

iii. Reporting at the Finally Allotted Institute for Admission: Candidates are required to keep on visiting the CCMN website regularly for any change/update pertaining to Physical reporting/ Fee payment based on any unforeseen situation and deposit of partial admission fee at CCMN portal. 5.1 Online Registration, Payment of Registration Fee, Choice Filling and Locking

5.1.1 Online Registration

To participate in the CCMN-2024 Counselling process, all eligible candidates must first register themselves through an online registration process during the specified period (refer Schedule given on CCMN website) by providing JAM credentials, qualifying degrees, personal details, etc.

5.1.2 Payment of Registration Fee, Choice Filling and Locking

Upon successful registration, the candidates will be able to pay the requisite registration fee (refer Table 3 for fee details). The registration fee can be paid using UPI/Debit Card/Credit Card/Net Banking (refer section 11 for payment methods).

Please note that:

- **The registration fee is non-refundable** and will NOT be adjusted towards any other fee.
- All candidates must carefully enter their correct personal details, academic credentials, bank details, and other information during online registration.
- Candidates must read carefully all terms and conditions before clicking on the “I agree" checkbox.
- If the information submitted by the candidate is found to be fraudulent, incorrect or untrue at any stage, the seat allotted (if any) may be cancelled without any further reference and fees paid may be forfeited. Moreover, such candidates may no longer be considered eligible in subsequent rounds for admission and may also be liable for legal action.

Upon successful registration and payment of registration fee, the candidates will be able to fill and lock their choices of programmes in the order of their preference from the list of eligible programmes, offered by various PIs, appearing in their respective CCMN login. **Candidates should carefully read details about the programs, name of the degree (M.Sc./M.Sc.(Tech.)/M.S. etc.) and other specific requirements, if any, for the programs they wish to apply for, on the website of respective institutes before the choice filling.**
During the choice filling, the candidates are free to change, reorder, delete and add their choices of programmes / Institutes as per their preference within the stipulated time period. The candidate will not be able to add/delete/reorder the choices after due date and time of choice filling is over. Candidates must take print copy of their registration form, which contains the locked choices and terms and conditions. **This print copy has to be signed and submitted by the candidate at the time of physical reporting at the finally allotted Institute.**

Please note that:

- **Candidates must ensure themselves that they fully satisfy the eligibility criteria, including the special eligibility criteria** (given on the CCMN website) for their chosen programmes, before filling and locking them in their choice list. **CCMN and PIs are not responsible for cancellation of their allotted seat and/or admission due to their non-fulfillment of eligibility criteria, including special eligibility criteria.**

- The saved choice list of the candidate must contain at least one programme. Registered candidates who do not fill any choice or fail to save them by the deadline of choice filling will not be considered for seat allotment and admission.
- **Candidates are advised to fill and lock their choices very carefully.**

Candidates may take assistance through helpline email CCMN2024helpdesk@svnit.ac.in regarding issues related with registration and choice filling. Candidates may also contact the help centers of participating institute for help related to choice of the programmes. The contact details of the help centers are available on the CCMN website.

5.2 Three Regular Rounds of Counselling
Three rounds of seat allotment and document verification will be conducted, which will be followed by physical reporting at the finally allotted institute.

5.2.1 First Round of Counselling
Eligible candidates for seat allotment: Candidates who have registered for CCMN-2024, paid registration fee and filled & saved choices.

5.2.1.1 Seat Allotment
All the available seats will be considered for the allotment. The choices submitted by the candidates during registration will be processed and a seat will be allotted based on the merit, as per the rules of allotment (See Section 3). The allotment result will be declared on the CCMN website and candidates will be able to download their Provisional Seat
Allotment Letter (PSAL) from their CCMN login after depositing the Seat Acceptance Fee. No hard copy of the Provisional Seat Allotment Letter will be sent to the candidates individually.

On allotment of a seat, the candidate is required to pay the **Seat Acceptance Fee**, submit willingness and upload the required documents within the stipulated time as notified on the website from time to time as per the procedure mentioned in subsequent sections. If the candidate fails to perform any of these activities within the stipulated time period, (s)he will lose any claim on the allotted seat and will not be considered for seat allotment in subsequent rounds of Counselling.

5.2.1.2 Payment of Seat Acceptance Fee
When a seat is allotted to the candidate, (s)he has to pay the **Seat Acceptance Fee** (refer Table 3) through UPI/Debit Card/Credit Card/Net Banking (refer section 11 for methods of payment) during the period mentioned in the Schedule given on the website. In case the candidate fails to pay the Seat Acceptance Fee, her/his seat allotment shall automatically stand cancelled and (s)he will not be considered for the subsequent rounds of allotment. **Proof of payment of Seat Acceptance Fee has to be produced by the candidate at the time of reporting at the finally allotted institute. Only after payment of Seat Acceptance Fee, the candidate will be able to download the Provisional Seat Allotment Letter (PSAL), submit willingness and upload the documents online.**

5.2.1.3 Online Submission of Willingness
On allotment of a seat and payment of Seat Acceptance Fee, the candidates are required to exercise one of the following willingness online through their login:

i. **Float**, if they wish to be considered in the next round for all of their better preferred choices (i.e. across the Institutes) or,

ii. **Slide**, if they wish to be considered in the next round for their better preferred choices only within the Institute allotted to them or,

iii. **Freeze**, if they are satisfied with the currently allotted seat and not interested in their better preferred choices in the subsequent round(s).

5.2.1.4 Online Document Uploading
On allotment of a seat and payment of Seat Acceptance Fee, the candidate will have to upload the required documents (as per list mentioned in Annexure-III) through their login for online verification as per the schedule given on the CCMN website. Please note that the option of document upload will be enabled only **after payment of Seat Acceptance Fee**. Guidelines for document uploading will be made available on the CCMN website.
PwD candidates are required to upload the scanned copy of an Affidavit in a format mentioned in Annexure-VI in addition to the PwD certificate, which they need to carry in original at the time of physical reporting at the allotted institute.

If the original certificates are not in English/Hindi, English/Hindi version/translation of such certificates, duly certified by the Principal/Director or other competent authority, will be required along with the original certificate(s).

5.2.1.5 Online Document Verification
The document verification will be done by the verifying officers of the participating institutes only in the online mode. In case of a doubt/query regarding the documents, the Document Verifying Officer will raise a query to the candidate, against which, the candidate can respond through her/his login. This interaction between the Document Verifying Officer and the candidate can occur multiple times till the issue is resolved. The candidate will be compulsorily required to submit her/his clarifications/documents in response to the queries raised by the Document Verifying Officer in the stipulated time period, failing which (s)he will be treated as Not-Reported, and hence her/his seat will be cancelled and (s)he will not be considered for seat allotment in subsequent rounds. Thus, the candidates are advised to regularly visit their login portal for any such query raised by the verifying officer and respond to the same within stipulated time. In case, the seat is cancelled in Regular Rounds, the candidate may participate in Special Rounds, if (s)he fulfills the eligibility requirements at that time.

Candidates may note that special eligibility condition(s) of any program would be checked by the allotted institute only after that seat is allotted to the candidate. Special eligibility condition(s) of a choice filled by the candidate are not checked during document verification in case that seat is not allotted to the candidate. So, if in the next round a candidate is allotted a seat with special eligibility condition(s) and at that time it is found that candidate is not fulfilling the special eligibility condition(s) for that seat, her/his allotment would be cancelled and the candidate herself/himself would be responsible for the same. IN ESSENCE, CANDIDATE MUST CAREFULLY CHECK THAT (S)HE IS FULFILLING SPECIAL ELIGIBILITY CONDITION(S) FOR THE SEAT BEFORE ADDING IT AS HER/HIS CHOICE.

Updation of Candidate’s data / Cancellation of seat during document verification

a. During document verification, if the personal data submitted by the candidate during online registration is found to be false, her/his seat allotment is liable to be cancelled.
b. If a candidate fails to produce a valid category/PwD certificate, her/his allotment will stand cancelled if the presently allotted seat was based on her/his claimed category.
However, in such a case, if still eligible after updation of the category, (s)he may be considered for allotment in subsequent rounds, as per her/his updated category. But, after updating the category, if the candidate does not satisfy the minimum eligibility criteria, (s)he will NOT be considered for the subsequent rounds of the Counselling process. The category data may be updated during the online document verification period, after obtaining an undertaking (Annexure-VII) from the candidate to be uploaded online (which will be required to be submitted in original at the time of physical reporting at the finally allotted institute).

**Following category conversion of the candidate is permitted:**

c. In case, the candidate is found ineligible at the time of document verification (online / physical reporting at the allotted institute) due to mismatch between her/his
degree/discipline as per documents and that filled up during registration, her/his seat is liable to be cancelled and qualification degree/discipline name will be updated in the system. Such candidates will be considered in subsequent rounds and only those choices will be considered for allotment for which (s)he is eligible as per her/his updated qualification degree/discipline. Refer section 14 for Eligibility matrix of various programmes. The candidates are responsible to check the programmes in which they are eligible before including them in the Choice List during registration.

d. In case, the marks/CGPA filled in during registration do not match with that in documents, the same will be updated by the Document Verifying Officer. Thus the candidates are required to visit their login portal to see such update, if any. If the candidate fails to satisfy the minimum eligibility criteria based on updated information (refer section 2), her/his allotted seat shall stand cancelled and such candidate will not be considered for seat allotment in subsequent rounds, if any.

e. In case, the qualifying degree passing status filled in at the time of registration is found to be different at the time of document verification, her/his qualifying degree passing status will be updated in the system if status is changed from “Appearing” to “Passed” but vice-versa is not allowed. In case, the status is changed to “Passed”, the minimum eligibility criteria will be checked as mentioned above.

f. In case, Candidates having qualifying degree status as “Appearing” and have not uploaded course completion certificate (format available in CCMN website) duly signed by the head of the institution or relevant undertaking, her/his allotted seat shall stand cancelled and such candidate will not be considered for seat allotment in subsequent rounds, if any.

g. In case, the candidate’s qualifying degree passing year filled in during registration does not match with the documents, it will be updated in the system.

h. In case the date of birth filled up by the candidate during registration does not match with the documents, then the seat may be cancelled if the actual date of birth (as per documents) is later than that filled by the candidate during registration.

i. If a candidate does not fulfil the special eligibility criteria for the allotted seat, if any, her/his allotment will stand cancelled. However, (s)he will be considered for allotment in further rounds against the programmes for which (s)he will be eligible.

In case of seat cancellation due to any of the above reasons, NO fresh choice filling will be permitted at this stage under any circumstance. Refund of Fee will be dealt by the Refund Rules (refer section 12).

Issuance of Online Document Verification Certificate (ODVC)

As an outcome of online verification of documents, an ODVC will be generated, which will be available for download in the candidate’s login. The ODVC will indicate the personal details of the candidate, details of the Institution and programme allotted, details of Seat
Acceptance Fee, the willingness (Float or Slide or Freeze) exercised by the candidate for subsequent rounds of allotment, and STATUS of document verification. The candidate should check all the entries in the ODVC and download it for producing the signed copy of the same at the time of physical reporting at the finally allotted institute.

All the candidates who have obtained ODVC from the portal and have Float or Slide willingness, should regularly visit the CCMN website for the status / up-gradation of their allotted seat in the subsequent rounds of allotment. They should take a print copy of the Provisional Seat Allotment Letter (PSAL) indicating the new allotment, if any, as available on the CCMN portal.

Based on documents uploaded by the candidate for online document verification and fulfillment of queries raised by the document verifying officer, the STATUS of ODVC may be:

- Documents Verified Online for minimum eligibility
- Seat cancelled and eligible for subsequent rounds
- Seat cancelled and not eligible for subsequent rounds

After successful document verification and confirmation of the seat, the candidate will be required to complete the admission formalities by depositing the Partial Admission Fee (PAF) during the period specified after Round-3 of Regular Rounds as per schedule mentioned on the CCMN website failing which their seat will be cancelled and it will be treated as “Auto- Withdrawal” (Refer to Section 5.3).

After taking admission in the allotted institute by depositing the PAF in the stipulated time, the candidates are required to report at the Finally Allotted Institute (FAI) in the “Final Reporting” period as per schedule mentioned on the website, failing which their seat will be cancelled and the fee deposited will be forfeited.

In case of seat cancellation, the candidate will lose any claim on the cancelled seat and the entitled refund, if any, will be made as per refund rules (refer section 12).

5.2.1.6 Change of Willingness / Withdrawal

After document verification, the candidates can exercise one of the following options during the period given in the schedule on website, if required:

- Change of Willingness (One more type of Willingness “Surrender and Participate in Next Round” is provided here in addition to “Float”, “Slide”, and “Freeze”)
- Withdrawal
This activity is optional, hence, if a candidate does not exercise any of these options at this stage, the 'WILLINGNESS' submitted earlier will be carried forward for subsequent rounds of allotment. Once ‘Withdrawal’ is exercised by a candidate (s)he will not be allowed to change the Willingness, however, vice-versa is allowed.

These options may be exercised by the candidate through her/his login well authenticated by a One-Time Password (OTP). While exercising the option, the One-Time Password (OTP) will be sent to the registered mobile number as well as on email ID of the candidate. Candidates are required to enter the OTP correctly to confirm the chosen option.

5.2.1.6.1 Change of Willingness
Candidates, who have already exercised their willingness at the time of online document uploading through their login and got the documents verified successfully online, may change their willingness for subsequent rounds ONLINE during the period given in the schedule on website through their CCMN login. One more type of Willingness “Surrender and Participate in Next Round” will also be available at this stage. Permission to change in Willingness will be as per following Table:

<table>
<thead>
<tr>
<th>From</th>
<th>To</th>
</tr>
</thead>
<tbody>
<tr>
<td>Float</td>
<td>Slide</td>
</tr>
<tr>
<td>Float</td>
<td>Freeze</td>
</tr>
<tr>
<td>Float</td>
<td>“Surrender and Participate in Next Round”</td>
</tr>
<tr>
<td>Slide</td>
<td>Freeze</td>
</tr>
</tbody>
</table>

i.e. the willingness can be changed from Float to Slide, or Float to Freeze, or Float to “Surrender and Participate in Next Round”, or Slide to Freeze. The vice-versa changes, i.e., from Freeze to Slide, or “Surrender and Participate in Next Round” to Float or Freeze to Float, or Slide to Float are not permitted.
This activity is optional, hence, if a candidate does not change the 'WILLINGNESS', her/his earlier specified WILLINGNESS will be considered in the subsequent round(s) of allotment.

5.2.1.6.2 Surrender & Participate in Next Round
After successful online document verification, if the candidate wishes to surrender the currently allotted seat at this stage but wishes to participate in subsequent regular rounds, (s)he may select this Willingness, which means the candidate REJECTS the offered seat in the current round and wishes to participate in the next regular round. Such candidate will be considered in the next round for her/his choices above the currently allotted seat
Irrespective of the candidate being allotted / not allotted any seat in the next round, (s)he will have no claim on the seat allotted in the current round, which (s)he has surrendered. This implies if no seat is allotted in the next round, the candidate will lose the already allotted seat in the current round.

5.2.1.6.3 Withdrawal from Allotted Seat

After successful document verification, if a candidate wishes to withdraw from CCMN-2024, (s)he can do so ONLINE by logging in to her/his CCMN login. The withdrawal from the Counselling process can be done during the period given in the schedule on the website.

All candidates, who withdraw their seat, forfeit all claims on the seat allotted to them. Type-III: Registered candidates who were allotted seats in the previous round, and have deposited Seat Acceptance Fee, specified “Float”/“Slide” as their willingness and got documents verified online successfully. However, candidates with willingness as “Freeze” will also be processed only for category upgradation without changing the seat allotment.
Type-IV: Registered candidates who were allotted seats in previous round, deposited Seat Acceptance Fee, got documents verified online successfully, and have exercised “Surrender and Participate in Next Round” option

5.2.2.1 Seat Allotment

The choices of eligible candidates as mentioned above will be processed and a seat will be allotted based on the merit, as per the rules of allotment (see Section 3). The choices to be considered for allotment will be based on rules below:
**Float:** All the choices above the choice allotted in the previous round will be processed. If no higher choice is allotted based on the merit, then the seat allotted in the previous round will be retained.

**Slide:** All the choices (of the Institute allotted in previous round) above the choice allotted in previous round will be processed. If no higher choice is allotted based on the merit, then the seat allotted in the previous round will be retained.

**Surrender & Participate in Next Round:** All the choices above the choice allotted in the previous round will be processed. If no higher choice is allotted based on merit, then the candidate will proceed further in the counselling process without any seat in her/his hand and the candidate will have no claim on the surrendered seat.

**Freeze:** There will not be any change in Seat Allotment, however, such candidates will be processed only for category upgradation.

If the allotted seat is of better preferred choice for a candidate who had specified her/his willingness as Float/Slide in the previous round, then (s)he will forfeit the claim on the seat allotted to her/him in the earlier rounds.
