Vision

Our vision is rooted in the principle of sustainability, and we are working towards embracing modernization and innovation in the textiles sector while adopting state-of-the-art machinery and sustainable practices. The policy is in line with the 5F vision of the Government of India- Farm to Fiber to Factory to Fashion to Foreign.

Objectives

Contours for Establishing Maharashtra as a Textile Hub in India

Resilience and Efficiency in Cooperative Sector :

- Rehabilitation of sick cooperative units.
- Giving Cooperative spinning mills on lease or rent.
- Permitting cooperative spinning mills for sale of excess land.

Promoting Technical Textiles :

- Establishment of 6 Technical Textile Parks.
- Eligibility: Minimum 10 textile units, minimum fixed capital investment (FCI) of INR 400 crore, No unit to have more than 25% of the total required park area, Established skill development centre with a minimum capacity of 30 individuals.
- Incentives: Capital subsidy up to a maximum of INR 250 cr up to an investment of INR 1000 crore. Special package of incentives for Ultra Mega Parks. Capital subsidy for green technologies - Effluent Treatment Plants (ETP), Zero Liquid Discharge (ZLD) and solar plants.

Promoting Traditional Textiles :

- Recognizing 5 traditional textiles in the State: Paithani saree and Himroo (Chhatrapati Sambhajnagar), Karvat Kathi (Vidarbha), Khana fabric (Southern Maharashtra), Ghongadi (Western Maharashtra).

Marketing Support :

- Organizing annual exhibitions in major cities to promote the sale of cotton, silk, handloom, powerloom products produced by the weavers of Maharashtra.

Promoting Friendly Technologies :

- Capital subsidy for setting up Effluent Treatment Plants (ETP), Zero Liquid Discharge (ZLD), Solar Plants, and Common Steam Generation Plants.
- Subsidy for setting up of 12 Recycling Projects.
- Solar subsidy of up to INR 4.8 crore per plant

Creating a Skilled Workforce :

- Conducting Training programs under Skill Development Program through Weaver Seva Kendra or Technical Training Institute.
- Providing assistance to upgrade existing skill centers and setting up new Training Centers.
- Offering short-term courses and vocational training programs.
- Signing MoUs with prominent Associations and Institutes of Excellence to nurture a skilled ecosystem.

Silk Industry Promotion :

- Increasing average cocoon production from 60kg to 70kg per batch of 100 Disease Free Laying (DFLs).
- Establishing government cocoon markets.
- Implementing Silk Samagra-2 Scheme, an integrated scheme for development of the silk industry.
- Providing subsidies for the establishment of infrastructure such as Automatic Reeling Machine Unit (ARM) and Multi-end reeling machine unit (MRM) sheds.

Mini Textile Park :

- Comprehensive initiative aimed at fostering the growth of the textile industry within the state by development of **18 Mini Textile Parks**.
- Minimum project cost per park to range between INR 100- 125 crore with capital subsidy of 40% or INR 30 crore, whichever is less, of the total project cost.
- Additional 5% capital subsidy for units employing more than 50% women.

Government of Maharashtra

About Textiles Department

The Department of Textile, Government of Maharashtra comes under the aegis of Cooperation, Marketing, and Textile Department and is responsible for the development and promotion of the textile industry in the State. The Department plays a significant role in implementing schemes and programs that have helped improve the quality of textile products in Maharashtra and create employment opportunities in the industry. The Department is committed to further developing the textile industry in Maharashtra with a strong presence of both traditional and modern textile sub-sectors and aims to make the state a global hub for textiles.

The Department is assisted by its field offices, namely the Commissionerate of Textiles and the Directorate of Sericulture located in Nagpur.

The textile industry is a major driver of economic growth in Maharashtra, and it is expected to continue to grow in the coming years. The state government is committed to support the growth of the industry and has put in place several policy initiatives to help its beneficiaries remain competitive in the global market.

Vision

To develop, regulate and promote an integrated, sustainable, and advanced Textiles sector in Maharashtra, progressively realizing the 5F vision of the Government of India – Farm to Fiber to Factory to Fashion to Foreign.

Mission

To leverage and advance the current position of Maharashtra towards becoming a leading national and global player in the Textiles and Apparel sectors.

About Textiles Department - The Textiles Department, through the e-Textile Portal, has fully automated its processes, allowing textile units to seamlessly register, obtain a Textile Registration Number (TRN), and apply for subsidies with ease. The link to the e-Textile Portal is on the Department's website.
